

About Us

Tellico Village property owners and their guests are welcome and encouraged to utilize everything our Recreation facilities have to offer. Recreation memberships in 6- or 12-month are available for purchase to all property owners. Daily user fees and guest passes are also available. Recreation members should remember to bring their membership check-in card during each visit and check in at the front desk. If you don't have your membership card, one of our friendly staff members can assist you.

Memberships and daily user fees are all-inclusive and grant you access to all Recreation facilities and fitness classes, excluding specialty programs. Adult daily user fees apply to those 16 and older, and children's rates are applicable to children ages 4-15. Children under 4 are admitted at no charge. We require any child under the age of 16 be accompanied by a responsible adult 21 or older in all areas of our Recreation facilities.

Our facilities offer daily use lockers, and locks can be checked out at the Wellness Center or Chota Recreation Center. Standard headphones or ear buds are required to utilize the Cardio Theater system in the Wellness Center's exercise room. Our Recreation facilities offer many additional services, such as personal training, orientation classes, and swim lessons. Most fitness classes run continuously throughout the year and can be joined at any time. See a staff member for more details.
