TELLICO VILLAGE UNIVERSITY - HOW TO REGISTER

The 2018 Spring Curriculum offered by Tellico Village University is now published at our website at www.tvuniversity.org. The Classes in TV tab lists each class, and provides a detailed description of the class with the date, time, location, fee, and particular requirements for the class (such as bringing your mobile device or a brief description of a dream). We include a bit of information about the instructor so you can be assured that each class is taught by someone who is qualified. Registration for a class is easy. After you have read the detailed information for a class, go to the CONTACT US page and enter your name, phone number, e-mail and the title of the class. A confirmation will be sent. Use the CONTACT US page to cancel if you must so we can make your reserved seat available to someone else. There is a registration limit for some classes; a wait list will be kept when someone cancels. Some of our classes require prepayment of the fee at the Welcome Center so we can manage class size and provide materials or lunch for others. For classes taught by SocialMedia4Seniors at Tellico Village University, your registration goes directly to their SM4S website.

TELLICO VILLAGE LIONS — CHILI/SOUP DINNER FAST APPROACHING

The TV Lions are well into the planning phase of what provides everyone a great opportunity to get out of the house on these cold winter nights and eat a great meal and socialize with friends and neighbors – the annual Chili/Soup Dinner.

This is the club's first fundraising event of the year. The event will be held on Tuesday, February 27th and will be from 4 – 7 p.m. It will be held in the Christian Life Center of the TV Community Church. Ticket prices are \$11/ person in advance or \$13/person at the door. They can be purchased from any Lion or at Sloan's, The Community Bank or The Village Salon. If you don't know any Lions, call Marcia Higby (458-9356), Larry Stickler (458-6582), or Perry Sylvester (713-880-0341).

This is a popular event and tickets are limited so get yours early.

The proceeds from this and other Lions fundraising events are used to support the club's service activities in Loudon County and East Tennessee. One example of the use of these funds is the free eyeglass program for impoverished county citizens. A Health Fair is conducted at the Good Samaritan Center in Lenoir City once every month. Individuals who attend are screened for high blood pressure, glucose and are given an eye examination. Those who are determined to need glasses can receive them free of charge if they qualify under federal poverty guideline. Over the course of the last 12 months, this program provided 115 pair of free glasses at a cost to the club of just under \$14,500.

You can support this and other Lions program by buying your ticket and joining your friends and neighbors for a great meal. Come one, come all.

TELLICO PLAYERS READERS THEATER KICK-OFF SET FOR FEBRUARY 9TH

The Tellico community Players will hold sign-ups and auditions for their 2018 Readers Theater tour of elementary schools in Loudon and Monroe Counties beginning at 10 a.m., Friday, February 9. Prospective performers will meet at the Tellico Community Playhouse, 304 Lakeside Plaza, Loudon.

"Our 2018 School Tour, entitled 'Once Upon a Mountain,' will feature the dramatic literature and music of the artists of the Appalachian Mountains," says Debbie Mayberry, Readers Theater director.

"As in years past, our theme-oriented programs are composed of both prose and poetry that our adult readers interpret in our own special way for our student audience. Since 2010, the group, dubbed the "Prime Time Players" has taken our Readers' Theatre productions to schools throughout the surrounding counties. Last year, we entertained some 4,500 enthusiastic youngsters with our program 'Waldo the World Traveler,'" Mayberry said.

"Everyone is welcome to join our production; no experience is necessary. In readers' theatre, we practice the art of oral interpretation which uses voice, facial expressions, and gestures to convey the meaning of the literature being read aloud. Readers' theatre takes much of the anxiety out of stage performance, since there are no lines to memorize and very little movement to execute." Performers will be asked to commit to a rehearsal and performance schedule. Rehearsals will be held at the Lakeside Plaza Playhouse from 10:00 AM until 12:00 PM on Monday, Tuesday, and Thursday beginning February 12. Productions will be scheduled for March 5-9 during school hours. Interested performers with questions may contact Mayberry (865) 458-7929 / sdmayberry@charter.net) or Joan Taylor (423) 884-6066/ tjtaylor1523@tds.net

PET OF THE WEEK: MEET MILLER!

Meet Miller! At the Monroe County Animal Shelter, he is known as Mr. Personality. When you meet him, you'll understand why! Miller is a handsome 2-year-old rust and white colored hound/terrier mix. He has that swagger that is characteristic of terriers, the almost houndlike floppy ears that give him that quizzical look, and the legs of a hound ready to run. Miller has lots of energy and will do best in a home where he has a fenced in back yard or where his humans can take him for long walks. At this age, he is barely past puppyhood and has many long years of love, loyalty, and companionship to share with the person who gives him a forever home. The best way to get to know Miller is to take him for a walk when you first meet him and let him calm down a bit. Remember this will be a big moment for both of you and give Miller a chance to show you what he is like.

If you're interested in adopting Miller, contact the Monroe County Animal Shelter located on 170 Kefauver Lane, Madisonville (behind the Walmart). Hours are: Tuesday through Friday 11:00 am through 4:30 pm. Saturdays - 11:00 am through 2:00 pm, closed Sundays and Mondays. Call 423-442-1015. For more information or to see more available pets visit the Monroe County Friends of Animal Website at www.friendsofanimalsmc.org

Monroe County Animal Shelter is always in need of more volunteers. If you are interested in helping the shelter and the animals, please reach out to the shelter during business hours (423-442-1015). Volunteer orientation and training is provided during certain times of the week. If you want to help but cannot volunteer, please consider a donation of clumping cat litter (or any of the other items on our list below). Please consider offering a foster home to help the pets that will soon be transported to their new homes. It will make room for additional incoming pets while these lucky ones are waiting for their rides (usually a week or so). Volunteer forms are required, and all veterinary needs are met.

Shelter Needs: Cat Litter, Paper Towels, Laundry detergent, copy paper, bleach, Q-tips, cotton balls, and Original Blue Dawn-all cleaning & office supplies are always needed
