## CONTINUOUSLY IMPROVING

By Mitzi Lane, Continuous Improvement & Special Projects Manager

Sometimes doing something new and different means taking a bit of a risk into unknown territory and this can be quite frightening. In 2017, every department within the POA took a risk and challenged one another to take those common everyday duties and approach them in new ways, better and smarter ways. This is the new “norm” for the TVPOA employees. Continuous Improvement has become our culture and our way of doing things.

By year end of 2017, the POA Management and Staff had submitted over \$200,000 worth of savings contributed to the great ideas and new processes that were analyzed throughout the year.

Continuous Improvement Manger, Mitzi Lane and Chief Financial Officer, Parker Owen met in December to review the list of projects and determined the “real dollar” savings to be \$160,000.00. This savings was presented to the POA Board President, Bruce Johnson, at the January 24, 2018 Board Meeting with a ceremonial check. The actual funds will be allocated to the TVPOA Reserves.

One of the major Continuous Improvement Projects implemented in 2017 was

the new way of handling brush and leaf pick-up for the Village. Public Works Director, Jeff Gagley, and ACC/Public Works Manager, Clayton Taylor, looked at the brush and leaf process and identified areas of improvement. The team put together a plan for self-performing brush and leaf pick-up vs. using outside contractors. Additionally, the team sourced used equipment instead of buying new which saved capital costs. The estimated overall total savings at this time is \$140,000.00 and will continue to be monitored. In 2017, the actual savings was \$35,000.00 as the project took to life in the fall of 2017 and was not a full year worth of data.

On, January 23, 2018, Clayton Taylor brought his team to the POA office and demonstrated how the equipment works for the POA Management team. The demonstration not only included using a vacuum to pick up and chop leaves but also included a grapple truck that allows Public Works to pick up brush along road sides more efficiently. The feedback the POA has received since the new process started has been phenomenal.

There is always room to make small improvements, challenge the status quo, and tune processes and practice on an everyday basis. In fact, you probably do this week in, week out without calling it "change" or even "continuous improvement". Over time, all of these incremental changes add up, and make a significant positive impact on your team and the overall POA organization. Here at the POA, we believe every aspect of the organization should, at all times, strive to do what it does better.

## NEW KAYAK STORAGE INFORMATION

The Board approved a new kayak storage space in the 2018 budget. This space will hold 32 kayaks. As was done with the first space, we need 32 people to commit to this and pay the annual fee (\$318) up front. When the 32 payments are in hand, the contract will be signed and construction can begin. At this time, we have only 7 checks in hand, with 10 on the wait list that have not responded. If you are interested in this kayak storage space, please contact Karen Davis at the POA office. Her number is 865-458-5408 x4117. February 28th is the deadline for checks to be turned in. If we do not have 32 committed people by that date, the project will not proceed in 2018.

## **TELLICO VILLAGE LIONS – CHILI/SOUP DINNER FAST APPROACHING**

The TV Lions are well into the planning phase of what provides everyone a great opportunity to get out of the house on these cold winter nights and eat a great meal and socialize with friends and neighbors – the annual Chili/Soup Dinner. This is the club's first fundraising event of the year. The event will be held on Tuesday, February 27th and will be from 4 – 7 p.m. It will be held in the Christian Life Center of the TV Community Church. Ticket prices are \$11/person in advance or \$13/person at the door. They can be purchased from any Lion or at Sloan's, The Community Bank or The Village Salon. If you don't know any Lions, call Marcia Higby (458-9356), Larry Stickler (458-6582), or Perry Sylvester (713-880-0341).

This is a popular event and tickets are limited so get yours early. The proceeds from this and other Lions fundraising events are used to support the club's service activities in Loudon County and East Tennessee. One example of the use of these funds is the free eyeglass program for impoverished county citizens. A Health Fair is conducted at the Good Samaritan Center in Lenoir City once every month. Individuals who attend are screened for high blood pressure, glucose and are given an eye examination. Those who are determined to need glasses can receive them free of charge if they qualify under federal poverty guideline. Over the course of the last 12 months, this program provided 115 pair of free glasses at a cost to the club of just under \$14,500. You can support this and other Lions program by buying your ticket and joining your friends and neighbors for a great meal. Come one, come all.

## **LEARN MORE ABOUT THE TV LIONS AND GET A FREE LUNCH**

The Tellico Village Lions are one of the premier service organizations in both Tellico Village, as well as Loudon County. Their focus is primarily on issues related to vision and remediation of vision problem. They also provide financial support to a number of Lion-related organizations as well as a variety of service agencies in Loudon County. Carrying out this extensive support mission requires a membership dedicated to the Lion's motto of "We Serve". Though the club does not have a high turnover rate, it is always looking for new member who can bring new energy and ideas to the club. Members are involved in performing a variety of tasks related to these vision missions as well as supporting fundraising efforts throughout the year. Fundraisers include a chili/soup dinner coming up on February 27th at the Christian Life Center of the TVCC, an Oktoberfest in the fall at the Yacht Club, a Golf-for-Sight Outing in May and a flyer delivery program carried out monthly over the course of the entire year. To facilitate this quest for new members, the club is holding an orientation luncheon meeting on Saturday, February 17 at the Plaza Restaurant in the Village. The session starts at 11:30 a.m. and will last about an hour and a half. In addition to receiving a briefing on the Lions Club and its activities, attendees will also be treated to a free lunch.

If you are interested in attending or just want more information on either this session or the Lions Club please feel free to call or e-mail the co-chairs of this event, Lion Doris Catani, 865-657-5059 or [tenncat33@gmail.com](mailto:tenncat33@gmail.com) or Lion Ron Lockhart, 865-657-5067 or [ron.golf1944@gmail.com](mailto:ron.golf1944@gmail.com). Additional information about the club and its myriad of activities can also be found at the club website at <http://tellicovillage.tnlions.org/>. If you are looking to join a great group of village residents involved in extremely worthwhile service to the community, this is your chance so take advantage of it and get a free meal in the process.

# PROWESS OF K9 SQUAD DISPLAYED AT MONROE COUNTY ANIMAL SHELTER

On February 3rd, Monroe County Sheriff Tommy Jones and his K9 Squad provided a demonstration of the prowess of the dogs in detecting drugs, and the tracking and apprehension of suspects. The demonstrations were given at the Monroe County Animal Shelter in order to raise public awareness of what the Sheriff's department is doing to fight the opioid epidemic, and to raise awareness of the fine dogs and cats at the shelter that are available for adoption. Sheriff Jones also spoke to attendees about the high correlation between those who abuse cats and dogs and who eventually abuse and hurt humans. He pointed out because of that correlation it is important to report those who abuse and torture animals.

You can visit the adoptable dogs and cats available at the Monroe County Animal Shelter by visiting [MonroeCountyFriendsofAnimals.org](http://MonroeCountyFriendsofAnimals.org). Check out our official Facebook page at <https://www.facebook.com/TNMonroeCountyAnimalShelter/>

## TICKETS ON SALE FOR TELLICO COMMUNITY PLAYERS COMEDY PLAY ON!

Reserved seats at \$21 for the comedy *Play On!* are on sale on the Tellico Community Players website: [www.tellicocommunityplayhouse.org](http://www.tellicocommunityplayhouse.org) - click on the "tickets" section to purchase. Dates for this first Players performance of 2018 are Thursday - Saturday, February 22-24 and Thursday - Sunday March 1- 4. All shows begin at 7:30 p.m., except for the matinee Sunday, March 4, which begins at 1:30 p.m. *Play On!* is sponsored by the Sweetwater investment services firm, Fairweather Financial. In this hilarious story, directed by Sue Aukerman, a community theatre is about to produce a show called Murder Most Foul: a new "murder mystery play" with the same title as an Agatha Christie novel but with no relation whatsoever. The director, Gerry, thought producing the play was a good idea since the inexperienced playwright has agreed to let their company perform the show for no charge. Gerry, however, had no idea what disasters awaited her: the show is hilariously amateur, the "murder mystery" plot doesn't really have a murder, and to top it off the playwright keeps changing the story and script only two days from its' premiere! It doesn't help that the cast is disgruntled, and the playwright accidentally deletes the entire sound effect board. All of the disasters come to fruition in Act III when the company performs the actual show with hilarious mishaps at every turn. *Play On!* is a laugh-a-minute love letter to community theatre. The cast of *Play On!* includes: Jean Mallett (Aggie Manville), Ku Adams (Gerry Dunbar), Doug Banister (Henry Bendish), Marlyce-Jean Dezzutti (Polly Bendish), Doris Ryan (Smitty Smith), Joel Bonnan (Saul Watson), James Dotson (Billy Crewe), Sauni Rinehart (Violet Imbry), Sue Mertens (Louise Peary), and Joan Dorsey (Phyllis Montague). The play was written by Rick Abbot, one of several pen names for the late prolific playwright Jack Sharkey. The show's producer is Phil Geyer.
