NEW KAYAK STORAGE INFORMATION

The Board approved a new kayak storage space in the 2018 budget. This space will hold 32 kayaks. As was done with the first space, we need 32 people to commit to this and pay the annual fee (\$318) up front. When the 32 payments are in hand, the contract will be signed and construction can begin. At this time, we have only 7 checks in hand, with 10 on the wait list that have not responded. If you are interested in this kayak storage space, please contact Karen Davis at the POA office. Her number is 865-458-5408, extension 4117. February 28th is the deadline for checks to be turned in. If we do not have 32 committed people by that date, the project will not proceed in 2018.

PAINT SPILL

Earlier today, on Cheestana Way, a Santek truck picked up paint with trash and the paint spilled out onto the roads. In an effort to prevent this from happening again, we wanted to remind you to not place paint cans (with paint in them) in your trash cans. Thank you for your cooperation in this matter.

SHRED DAY IS BACK!

Do you have important documents that you need shredded but no access to a shred machine? You're in luck because shred day is BACK! On Wednesday, March 7th, there will be a shred machine at the Welcome Center. The shredder will be available to everyone in the Village and will shred documents from 8 a.m. until 3:30 p.m. All you have to do is drop your documents off. The Mayor of Loudon County, Buddy Bradshaw, will also be on site should anyone have questions, issues, or comments they wish to discuss.
