A NEW YEAR; NEW OPPORTUNITIES

By Parker Owen, Chief Financial Officer

Springtime is arriving in Tellico Village and with it comes the excitement of the warm outdoor seasons to enjoy the lake, the golf courses, the hiking trails and recreation facilities. It is also the time of year that new projects begin, seasonal equipment is replaced and the new Capital Plan is executed. Despite some significant challenges that we will face over the next several years and beyond, Tellico Village is in excellent financial shape. I have every confidence that we will be able to meet the foreseeable challenges in a financially responsible manner.

This is the start of a new year and a new budget. This year's capital plan was approved by the Board for \$1,852,500, with 81% of that amount going to equipment replacements and renovations. This continues the "Repair, Replace, Renovate" theme that we have followed for 2015, 2016 and 2017. This 3R's theme was never designated as a formalized program, and in fact the tag line, "Repair, Replace, Renovate" originated in a Connection article that I wrote to describe the 2015 budget. I noticed as I looked down the list of projects included in that year's Capital Plan that most of the projects contained one of these 3R's descriptions. The interesting learning that followed is that each year's budget since 2014 has been primarily for repairs, replacements and renovations. Maybe this should not be too surprising for a Village that is now over 30 years old. I think we have spotted a trend, and the trend is that each year requires the lion's share of the

- April 13, 9 a.m., Finance Advisory Committee, POA Conference Room

budget just to keep our equipment and facilities in good working condition and attractive presentation. Even the two major clubhouse projects under consideration at Toqua and Kahite are replacement projects. The “Repair, Replace, Renovate” theme will continue throughout the Five Year Plan and likely far beyond.

The major Capital Projects included in this year’s budget are cart path replacement at Toqua Golf Club, a project made more difficult and expensive by the settling of the existing paths and the growth of hundreds of tree roots underneath the paths, causing them to buckle, crack and develop into an uneven surface that must be leveled before paving. At the Tanasi Golf Club, the golf car fleet is being replaced with new Yamaha electric cars. To the credit of our staff and our members, our used carts brought top dollar on trade-in, and kept the net cost of the fleet replacement well below budget. At the Wellness Center, cardio equipment is being replaced with top of the line commercial equipment to ensure many years of durable service, despite the constant daily usage by our membership.

It takes a lot of equipment to operate and maintain Tellico Village. Each year’s budget provides for replacements of trucks, mowers, heavy earth equipment, HVAC Units, and water and sewer system equipment. With a fleet of over 60 vehicles and trailers, replacements are budgeted every year, with five scheduled for 2018. There are also several golf mowers being replaced and some pieces of heavy equipment being added to Public Works. Public Works is also building a pole barn to house heavy equipment under roof and out of the elements to prevent deterioration and extend the useful life of our equipment.

Not all of the major projects are considered capital under the financial reporting rules of Common Interest Realty Associations, like Tellico Village. In fact, most of our projects for paving and pavement preservation are classified as maintenance expenses, but they add up to significant costs in this year’s budget and throughout the Five Year Plan. With approximately 110 miles of roads and dozens of acres of parking lots, pavement preservation and resurfacing is an increasing part of each year’s budget that never ends. We have devoted countless hours of staff, volunteer and contractor time to develop a better understanding of our needs, and hopefully optimize our long term practices and plans to maintain this most important part of the infrastructure that is used by everyone in Tellico Village. This year’s budget is not solely focused on maintenance type projects. Some important design work is being commissioned to develop designs for a clubhouse replacement at Toqua, and for replacement of the “double-wide” with a permanent addition to the clubhouse complex at Kahite. In addition, the Recreation Division is contracting for a professionally designed Master Plan for all recreation facilities that will guide our investments in recreation facilities for the long term.

So, how do we pay for all of this? Well, we begin with budgets and financial plans that adequately fund our reserve accounts. We “save up” for major additions to our amenities and clubhouse replacements through our Amenity Reserve Fund. We conservatively manage our debt, but are not adverse to utilizing debt for long-lived assets when needed. We make sure that all of our operations are adequately funded through conservative increases in our assessment rate and affordable, justified increases in our user fees. Coming into this year, our debt levels are low and are being paid down. The Wellness Center debt will be paid off in mid-year 2020, freeing up substantial debt service capacity. Our operating cash balances are strong. We have a lot of people and projects placing demands on our system, but I firmly believe that we have the skills and financial wherewithal to meet these challenges.

In the words of popular jazz vocalist, Bobby McFerrin, “Don’t worry, be happy!” You live and own property in one of the most beautiful locations in the Southeast. The weather is getting warmer and the lake, golf courses and the recreation amenities are just out your back door. So get out and play. Your time and money will be well spent at our many first rate amenities. Enjoy your springtime in Tellico Village.

GOLF ADVISORY COMMITTEE MEETING DATE CHANGE

Fools is a comedic fable about an idyllic Russian hamlet in the late 1800s. He finds people sweeping dust from the stoops back inside their houses and milking cows upside down to get more cream. Leon's job is to break the curse, but nobody tells him that if he stays over 24 hours and fails to break the curse, he too will become stupid. He falls in love with a girl so stupid that she only recently learned how to sit down.

The play is directed by Patrick McCray, the director of dramatic arts and cinema studies at Webb School of Knoxville. It's the first time that the Players have used an outside director for a production. Three of McCray's students – Gwyneth Doppelt, Ben Hatmaker and Jake Yount have major roles in the cast of *Fools*. GET READY TO TEE IT UP FOR A GREAT CAUSE

On Saturday, May 12th the TV Lions will once again conduct their annual Golf-for-Sight Outing at the Toqua Golf Course. This is the premier fundraising event held by the TV Lions and it goes far in enabling the club to carry out its mission of "We Serve". 100% of the funds raised support the myriad of vision-related activities conducted by the club in Loudon County. The funds also support annual donations to a number of service organizations in Loudon County and the greater East Tennessee region.

The event is an 18-hole, best ball scramble with all male, all female or mixed foursomes. Prizes are awarded to the low net team in each category, as well as for the longest and most accurate drives and closest to the pin for both men and women. There is also a chance to win a car for a hole-in-one. Participants can also get assistance in their play by purchasing "mulligans" or by "hiring a pro" to help navigate one of the holes. Each participant will also receive coffee, a continental breakfast, lunch, range balls, and a goody bag of neat gifts.

Fees are \$45 plus cart and greens fees for village property owners or \$85 for non-property owners. Entry forms are available at all the TV Pro Shops. Completed forms with a check for all foursome fees payable to the TV Lions, should be sent to Howard Higby at 107 Tuhdegwa Way, Loudon, TN 37774. Questions about the event should be directed to Howard at (865) 458-9356 or via e-mail to h-m-bowl@charter.net. The rain date for the event is Saturday, May 19 at the same location.

Funds are raised during the event from participant fees as well as by the purchase of sponsorships by local businesses. The sponsorships can be purchased by amounts from \$100, friend level, \$200, bronze, \$300, silver, \$500 gold and \$1000, Corporate. Sponsors at all levels are recognized by their business names being posted on signs displayed at the event and by having their sponsorship noted in flyers distributed to all villagers, encouraging their use of these businesses. For silver level and above, firm signage is placed on one hole. Gold and Corporate sponsors are featured on information placard used at all Lions events. Corporate sponsors are also allowed free entry for one foursome into the event.

The projects supported by the funds raised include vision screening in all educational institutions in the county, diabetes screening at Good Samaritan Center and a free eye examination and eyeglass program for needy county resident. This program alone required over \$15,000 last year to provide glasses to 140 residents. Donations are also made to the TV Library, TVVFD, Second Harvest, and the Lions Eye bank, Blind Industries and the Eye Center at Vanderbilt University as well as a number of other similar organizations.

Round up your foursome and join the Lions for this fun event that supports your fellow residents doing great work in our community!

"Talk is Cheap" is a hilarious and entertaining evening that features two-time Emmy Award winner Bill Landry, Elizabeth Rose, Sam Venerable and Jim Claborn. Tickets are available at United Community Bank locations in Tellico Village and Madisonville, and Volunteer Federal Savings locations in Madisonville, Sweetwater, Vonore and Tellico Plains. It is recommended that those planning on attending "Talk is Cheap" should purchase their tickets well in advance, as it is expected this will be a sold-out performance. The event will be at 4:00 pm on April 21, 2018 at the Hiwassee College Butcher Auditorium. Ticket prices are: adults \$20, Hiwassee Students \$10, and Children under 12 are free. If you can't attend the event you can still make a donation to MCFA either online at www.monroecountyfriendsofanimals.org, or by sending a check to Monroe County Friends of Animals P.O. Box 106 Vonroe, TN 37855.

MCFA (Monroe County Friends of Animals) is a not-for-profit volunteer organization with 501(c) (3) status located in Monroe County, Tennessee. MCFA was created in 2004 by concerned citizens who recognized a need throughout the county for animal welfare.

They consulted with the County's governing body and entered into negotiations with the Monroe County government. This led to the formation of a county-run animal shelter, which was approved by a narrow commission vote at the end of 2004. Since then, MCFA has helped save more than 24,000 cats and dogs.

PET OF THE WEEK: MEET GRIZZLY!

This week's Pet of the Week at the Monroe County Animal Shelter is Grizzly. He's a 1+ year old cur/mountain mix. He has a beautiful brown coat with black and white patches. Grizzly came to us because he did not get along with his family's new smaller dog.

He loves to take walks and enjoys back rubs. He would love to live with an active family who has kids. He might seem shy when you first meet him, but this loveable pup will warm your heart. He may just be the family member you've been looking for.

Would you be interested in adopting a pet? You can visit the shelter's website at www.monroecountyfriendsofanimals.org to pick a furry partner. Perhaps you could foster an animal? Fostering helps free up space at the shelter but also helps develop social skills in the animal, making it easier for him to be adopted. Please call the shelter at 423-442-1015 for more information or visit our website.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Walmart). It is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. It is closed to the public on Sunday and Monday.

Don't miss the opportunity to see "Talk is Cheap" live at 4 p.m. on April 21 at the Hiwassee Campus-Butcher Auditorium. You'll enjoy a performance by Bill Landry, Elizabeth Rose, Sam Venerable and Jim Claborn and support the Shelter at the same time! Tickets are available at the Volunteer Federal Savings Bank in Vonore, Madisonville, Sweetwater, and Tellico Plains, and at the United Community Bank in Monroe and Loudon Counties. Get your tickets today!
