A NOTE FROM JIM WEST, DIRECTOR OF GOLF OPERATIONS

The Golf Department is currently experiencing a Chelsea programming issue with the processing of certain debit cards. Chelsea, the program vendor, and our credit card processor are actively working on a resolution. If you notice a double charge on your statement, notify Jessica Johnson via email at jjohnson@tvpoa.org or call her directly at 865-458-7081. We apologize for any inconvenience this may cause.

HIGH WIRELESS ACT

By Kevin Alfont, IT Manager

Few of us know who Victor "Vic" Hayes is, but we all use what this "Father of Wi-Fi" has left to the modern world. Wi-Fi is everywhere and plays an amazingly prominent role in the life of the Tellico Village Property Owners Association. Today, we use Wi-Fi inside and outside the POA facilities collecting data, providing Internet and telephone service, turning devices on and off, watching our network of security cameras and much more.

Did you know that the golf courses are irrigated wirelessly? It's true. The Toro system used to irrigate the golf courses is controlled from each golf course maintenance building. A wireless signal triggers the flow of water to selected areas and a program provides a measured amount of water to the course's turf. In addition, sensors are placed around the courses and connect to outdoor Wi-Fi routers that provide green conditions back to the irrigation server at the golf maintenance buildings. According to Chris Sykes (Toqua Golf Course Superintendent), before Wi-Fi, valves were all hard wired and costly to install and operate.

Even buildings are connected wirelessly to each other at the POA. The new Welcome Center has no phone lines, Internet cable modem or fiber optics but they still have phones, Internet and data. How? Wireless connectivity back to the main POA office across the street. POA IT staff erected a previously stored away tower next to the POA office that has a small, square antenna on it. Next time you drop off a payment or pick up a directory at the POA office take a look at the North side of the building. That small antenna points towards the Welcome Center. If you look at the roof of the Welcome Center you will see another antenna. The two antennas share a signal that sends telephone, Internet and data traffic from the POA office to the Welcome Center. Providing wireless in this way reduces cost by eliminating the need for a separate cable modem at the Welcome Center facility.

Where else might you find this type of wireless connectivity at the POA? Well, lots of places. If you look at the side of the starter shack at Tanasi, you will see a small round antenna providing wireless back to Tanasi building proper. This antenna provides Internet signal for the WATE television weather cam. Next time you watch the weather on WATE and they are showing Tellico Village, thank wireless for that. Next time you are at Toqua look at the roofline above the Pro Shop, a small round wireless antenna points to the golf maintenance building providing the same connectivity as we implemented between the POA office and Welcome Center. The POA IT staff is busy implementing wireless connectivity between the Yacht Club and Beach Pavilion for public Internet Wi-Fi as well and wireless connectivity between the Wellness Center and Water Tower for Internet connectivity for security cameras at the Water Tower location.

Speaking of security cameras - the new security cameras at the ABC docks and Beach Pavilion are all wireless. If you look at the light poles you will see small, rectangular antennas which send their signal back to the bathroom building where digital recorders store the video from 16 cameras.

Read those water meter manually, Vic Hayes would have none of that. Many of our water meters are read wirelessly. An antenna is placed on our POA Public Works truck that simply drives down a street at slow speeds and the water meter data is collected wirelessly.

Wireless has even reached the overhead projectors used for meetings that the POA main office, Yacht Club, Welcome Center, and Wellness Center. If you want to use the projectors, you need to bring a laptop with wireless network capability as these projectors connect and show their content wirelessly.

Finally, there is the tried and true wireless public Internet connections. Each and every facility on the POA campus has public Wi-Fi capability. From the Toqua Pavilion to the Yacht Club pier, you can connect and surf the Internet wirelessly. We have several Wi-Fi private network connections that allow POA staff to connect to our internal network too. The future of wireless is wide open. It is hard to tell what devices and applications the POA will wirelessly use next. So, we all owe old Vic Hayes a debt of gratitude for making life's tasks a little easier and accessing data lot more fun. Hats off to you Vic from everyone at the POA.

UPCOMING EVENTS AND MEETINGS

TELLICO VILLAGE CRUISE IN

The Tellico Village Cruise Ins begin this Tuesday, April 17 at 6 p.m. at the Tugaloo parking lot. The Cruise Ins will continue every third Tuesday of the month at Tugaloo. Look for the sign on Hwy 444. Tellico Village has an amazing amount of beautiful, collectible, rare and fun cars. This is the perfect time to bring them out so friends and neighbors can see for themselves and share in your enjoyment. The Cruise In is free. Just bring a chair, any snack and refreshment, and a camera! Any car, truck, motorcycle is welcome. You don't have to be a; motor head, gearhead, cyclist, trucker, mechanic, rodder, racer or rice burner, just be an automotive enthusiast. Come and enjoy this local car show.

DRAGON BOAT CLUB INVITES GUEST PADDLERS

Did you know you can try Dragon Boating as a "Guest Paddler?" The Tennessee Heat Dragon Boat Club has taken to the water for the 2018 season and invites everyone to try the sport for themselves. No previous experience is necessary. Just wear rubber-soled shoes and bring water. Instruction and equipment will be provided.

Weather permitting, the group meets at the Tugaloo Pavilion on Monday and Saturday mornings at 8:45 and Wednesday evenings at 5:45. For additional information contact Sue Clontz, sclontz@bellsouth.net

APRIL IS NATIONAL PICKLEBALL MONTH!

Pickleball is a fun, active, social paddle sport for all ages and skill levels. You can find out for yourself throughout the month of April. During National Pickleball Month, the Tellico Village Pickleball Club and the Recreation Department are offering free, "drop-in" times all month where you can see what all the excitement is about. We'll provide everything and we'll have players on hand to help you get introduced to the game as well. So stop by and give it a try! We're located across the parking lot from the Wellness Center and we'll have players ready to meet you and get you started every Thursday during April and everyday during the week of April 23-27 between 1 – 3 p.m. See you on the courts!

TICKETS ON SALE FOR TELLICO PLAYERS NEIL SIMON COMEDY "FOOLS"

Reserved seats at \$21 for the Tellico Community Players Neil Simon comedy *Fools* are on sale on the Players website - www.TellicoCommunityPlayhouse.org (click on tickets to purchase.) Performance dates are Thursday - Saturday, April 26-28 and Thursday - Sunday May 3-6. All shows begin at 7:30 p.m., except for the matinee on Sunday, May 6, which begins at 1:30 p.m. Opening night tickets on April 26th include complimentary wine and cheese before the show.

Fools is a comedic fable about an idyllic Russian hamlet in the late 1800s. It features Leon Tolchinsky a young teacher who has landed a job in the town, only to discover that the place has been cursed for 200 years by chronic stupidity. He finds people sweeping dust from the stoops back inside their houses and milking cows upside down to get more cream. Leon's job is to break the curse, but nobody tells him that if he stays over 24 hours and fails to break the curse, he too will become stupid. He falls in love with a girl so stupid that she only recently learned how to sit down.

The play is directed by Patrick McCray, the director of dramatic arts and cinema studies at Webb School of Knoxville. It's the first time that the Players have used an outside director for a production. Three of McCray's students – Gwyneth Doppelt, Ben Hatmaker and Jake Yount have major roles in the cast of *Fools*. Lyn Cozadd is assistant director; Len Willis is producer.

CALLAWAY DEMO DAY

It can be tough these days knowing what golf clubs are best for you. No need to worry because Callaway Golf has made it easy for everyone with the **NEW** Rogue line of clubs. The jail break technology that made EPIC the number one driver in golf is now improved in the Rogue driver and is in the fairway woods and hybrids. Golf Digest has named all the Rogue clubs to its Hot List GOLD medal winners. The fairway woods are so good they received a perfect score.

Demo Day will be Friday, April 20th at Toqua from 12:00 - 4:00pm. Hope you can come out and try the best clubs in golf. If you can't wait till the 20th, demos are available at the Toqua golf shop. Stop by today!!

AUDITIONS UPCOMING FOR TELLICO PLAYERS COMEDY, THE DIXIE SWIM CLUB

Auditions for the Tellico Community Players production of *The Dixie Swim Club* will be held at 6 p.m., Wednesday, April 18; at 4 p.m., Thursday, April 19 and at 2 p.m., Saturday, April 21, at the Tellico Community Playhouse, 304 Lakeside Plaza, Tellico Village, Loudon. Play dates are Thursday-Saturday, July 12-14 and Thursday-Sunday, July 19-22.

The Dixie Swim Club is a hilarious and touching comedy by Jessie Jones, Nicholas Hope and Jamie Wooten. It's all about five unforgettable southern women, whose friendships began many years ago on their college swim team. They set aside a weekend each August to recharge their relationships at the same beach cottage on North Carolina's Outer Banks. There, free from husbands, kids and jobs, they catch up, laugh and meddle in each other's lives. The play focuses on four of those special weekends, spanning a period of 33 years.

The roles:

- **Sheree** - the spunky team captain who desperately tries to maintain her organized and "perfect" life and continues to be the group leader.
- **Dinah** - a wisecracking overachiever, is a career dynamo, but her victories in the courtroom are in stark contrast to the frustrations of her personal life.
- **Lexie** - pampered and outspoken, is determined to hold on to her looks and youth as long as possible. She enjoys being married over and over again.
- **Vernadette** - a self-deprecating acerbic woman acutely aware of the dark cloud that hovers over her life, has decided to just give in and embrace the chaos.
- **Jen Neal** - is sweet and eager to please. She experiences a late entry into motherhood that takes them all by surprise.

James Fisher is directing. Contact him with any audition questions at (865) 806-9835. Producer is Betty Ann Sterner.

GET READY TO TEE IT UP FOR A GREAT CAUSE

On Saturday, May 12th the TV Lions will once again conduct their annual Golf-for-Sight Outing at the Toqua Golf Course. This is the premier fundraising event held by the TV Lions and it goes far in enabling the club to carry out its mission of "We Serve". 100% of the funds raised support the myriad of vision-related activities conducted by the club in Loudon County. The funds also support annual donations to a number of service organizations in Loudon County and the greater East Tennessee region.

The event is an 18-hole, best ball scramble with all male, all female or mixed foursomes. Prizes are awarded to the low net team in each category, as well as for the longest and most accurate drives and closest to the pin for both men and women. There is also a chance to win a car for a hole-in-one. Participants can also get assistance in their play by purchasing "mulligans" or by "hiring a pro" to help navigate one of the holes. Each participant will also receive coffee, a continental breakfast, lunch, range balls, and a goody bag of neat gifts.

Fees are \$45 plus cart and greens fees for village property owners or \$85 for non-property owners. Entry forms are available at all the TV Pro Shops. Completed forms with a check for all foursome fees payable to the TV Lions, should be sent to Howard Higby at 107 Tuhdegwa Way, Loudon, TN 37774. Questions about the event should be directed to Howard at (865) 458-9356 or via e-mail to h-m-bowl@charter.net. The rain date for the event is Saturday, May 19 at the same location.

Funds are raised during the event from participant fees as well as by the purchase of sponsorships by local businesses. The sponsorships can be purchased by amounts from \$100, friend level, \$200, bronze, \$300, silver, \$500 gold and \$1000, Corporate. Sponsors at all levels are recognized by their business names being posted on signs displayed at the event and by having their sponsorship noted in flyers distributed to all villagers, encouraging their use of these businesses. For silver level and above, firm signage is placed on one hole. Gold and Corporate sponsors are featured on information placard used at all Lions events. Corporate sponsors are also allowed free entry for one foursome into the event.

The projects supported by the funds raised include vision screening in all educational institutions in the county, diabetes screening at Good Samaritan Center and a free eye examination and eyeglass program for needy county resident. This program alone required over \$15,000 last year to provide glasses to 140 residents. Donations are also made to the TV Library, TVVFD, Second Harvest, and the Lions Eye bank, Blind Industries and the Eye Center at Vanderbilt University as well as a number of other similar organizations.

Round up your foursome and join the Lions for this fun event that supports your fellow residents doing great work in our community!

20TH ANNUAL SPRING ART SHOW

Members of the Art Guild of Tellico Village will exhibit a new art collection May 11 to May 13 at the Tellico Village Community Church Life Center, located at 130 Chota Center in Loudon, TN. Visitors will be treated to a wide variety of new original works, celebrating the artistic diversity of both emerging and established guild members. Both two-dimensional and three-dimensional artwork will be on display—from painting, drawing and photography to sculpture, jewelry, pottery and fabric art.

Carl Gombert, PhD, a professor of art at Maryville College, will be juror for the show. In addition, all attendees are invited to vote for their three favorite pieces of artwork, and the "People's Choice" awards will be presented on Sunday afternoon. The public is invited to the opening reception on Friday, May 11, 5-8 p.m. Refreshments and live music enhance the evening, while guests have the opportunity to interact with the artists. The exhibit continues on Saturday, May 12, 10 a.m. – 4 p.m. and Sunday, May 13, 8 a.m. – 2 p.m. There is no charge to attend the opening reception or the exhibition.

ART GUILD

TELLICO VILLAGE

TELLICO VILLAGE FIRE DEPARTMENT FUNDRAISER

Saturday, May 5, 2018 will mark the 10th Anniversary of the "Villagers Supporting Fire and Rescue" annual Fire Department Fundraiser.

Come join your friends and neighbors from 11:00 a.m. – 2:00 p.m. at the Fire Station (210 Chota rd.) and help kick off the 2018 fundraising campaign. Our volunteers will be there to greet you with a friendly smile and a warm handshake to thank you for your support.

Check out the equipment displays/demonstrations and pick up some safety information and tips. Spend some time getting to know the volunteers and what they do to protect your life and property. There will also be a lunch and refreshments available as a way of saying "thank you" for your support.

Last year, over 700 residents attended our Open House Fundraiser and just over 50% of the Village Households contributed to the support of the Fire Department operations. This year, we are shooting for 100% support from Village households. Why wouldn't you financially support our volunteers and the services they provide? You may not have used their services yet, but it's almost a given you will need them someday.

The Fire Department relies on the support of the Village Residents for over 50% of its funding. They can't continue to provide the outstanding services we now enjoy without your continued support. So please come out and meet the men and women who give their time and energy freely to protect your life and property.

LAKE DAY 2018

The 2nd Annual Lake Day will be held at the Yacht Club on Friday, June 1st from 11-2. Several vendors will be on hand to get your summer off to a great start. We will have several boat vendors, as well as boat repair and canvas restoration. The Yacht Club will be grilling and there will be tasty frozen treats available for purchase as well. J Luke will be performing on the boardwalk. The event is free and there will be a free shuttle that runs from the Tellico Village Community Church to the Yacht Club and Beach Pavilion. Uncle Lems and Riversports will be doing demos at Tugaloo Beach. Hope to see you there!

The poster features the Tellico Village logo at the top, which includes a stylized bird in flight. Below the logo, the text reads "LAKE DAY 2018" in large green letters, followed by "-YACHT CLUB & BEACH PAVILION-" in white text on an orange background. A teal bar contains the text "FREE EVENT" in white. Below this is an illustration of a pair of sunglasses. The date and time "FRIDAY JUNE 1ST 11-2" are written in orange. A teal bar at the bottom of the poster lists "BOATS VENDORS WATERSPORTS MUSIC FOOD" in white. A dark grey bar at the very bottom contains the text "-GET SUMMER READY-" in white. At the bottom of the poster, a white box contains the text: "There will be a FREE shuttle that runs from the Community Church, Beach Pavilion, and Tellico Village Yacht Club".

ROTARY TO HOLD CHARITY DINNER

Evening will Showcase Hiwassee College's Mobile Dental Unit

Tellico Lake Rotary Club is pleased to announce its annual Charity Dinner and Silent Auction. This year's dinner will be held Friday, April 27, 6 PM in Fellowship Hall at First Baptist Church of Tellico Village and catered by Chef by Request. Harvey Phillips, the club's current president noted, "Our big feature of the evening will highlight Hiwassee College's new Mobile Dental Unit. It's a beautiful, fully equipped dental office on wheels that can go to the rural areas of East Tennessee where many residents have never sat in a dentist chair."

The keynote speaker for the evening will be the distinguished president of Hiwassee College, Dr. Robin Tricoli. Dr. Tricoli has a passion to help her students be the best they can be by instilling values of faith, excellence, tradition, and community. Being a small, intimate Liberal Arts and Applied Science learning institution, Hiwassee prepares students for academic and vocational success. Hiwassee's Dental Hygiene program will have their Mobile Dental Unit on hand for touring as an example of their commitment to give back to the underserved residents of our area as well as teach our school children the importance of dental hygiene early on.

Talbott Paynter, Director of Business Development for Provision CARES Proton Therapy Center, will update us on recent technological advances in cancer treatment options.

Come and be part of this exciting evening where we honor our charities and scholarship winners. Tickets are \$20 and go on sale March 29th. Tickets must be purchased in advance and may be purchased from any Rotarian, at the First Baptist Church office 865-408-0110, or call John & Sue Everson at 423-884-3369. Make checks payable: "Tellico Lake Rotary Foundation."

COMING UP AT TELLICO VILLAGE UNIVERSITY...

Complete course descriptions are found on the TVU website. You can register now for these TVU classes at www.tvuniversity.org

WHAT'S SKIN GOT TO DO WITH IT? LESIONS OF CONCERN, GENERAL SKIN CARE, AND COSMETIC MEDICATIONS and PROCEDURES.

May 1, 3:30 – 5:00 p.m., Chota Rec Center Room B

What is the largest organ in the human body? By weight – it is our skin. Pretty important, considering how much exposure our skin receives from the environment and how skin may change as we age.

Why not take time to learn from a nationally recognized dermatologist at his presentation at Tellico Village University? Dr. Adam Wright will guide us through these very important areas:

- How to conduct a skin exam for yourself or a member of your family
- Common signs of lesions and common skin cancers
- Describe physician-recommended skin care and the types of products for every day use
- Describe procedures and medications that are used for cosmetic objectives

Dr. Wright from the Knoxville Institute of Dermatology in Knoxville and Lenoir City received the Mayo Brothers Distinguished Fellowship Award. He is board-certified in dermatology and fellowship-trained in Mohs micrographic surgery. He completed his dermatology residency and fellowship in Micrographic Surgery and Dermatologic Oncology at the Mayo Clinic in Rochester, MN. There is no tuition for this highly informative presentation, but registration is required so that we may plan for accordingly.

BANKING TECHNOLOGY LUNCH AND LEARN

May 7, 10:00 a.m. – 12:30 p.m., Chota Rec Center Room D

Our bankers from Regions Bank will be here to help us use banking technology as a safe convenience, and to use sound practices to prevent identity theft.

10:00 – 11:00 First Hour: 10 Ways To Simplify Your Life Using Banking Technology

11:30 – 12:30 Second Hour: Protect Yourself from Identity Theft

The program is free, but a fee of \$5 for the lunch must be PREPAID at the Welcome Center. Registration is required on the website. If you need to cancel, please do so within 3 days of the class so that we do not order a lunch for you. You are able to pick up your check at the Welcome Center up to 3 days prior to the class.

RECONSTRUCTION AFTER THE CIVIL WAR

May 8, 1:00 - 3:00 p.m., Chota Rec Room A

A fascinating time in American History taught by an expert college history professor. What can we learn from our history that helps us live in the present? Things you did not know...

Reconstruction in America meant two things: an era following the Civil War, and a process through which the American people redefined basic principles of freedom, equality and justice in the wake of the Civil War and emancipation. This class will explore the complex period after the Civil War concluded, including the political, Constitutional, economic and social crises that enveloped the South and the nation. Dr. Astor will also address the multiple factors that influenced the course of Reconstruction and its long-term implications up to the present day. Aaron Astor, Ph.D., is Associate Professor of History at Maryville College in Maryville, Tennessee. He has written numerous articles, conference papers and book chapters on the Civil War era, focusing especially on the Upper and Border South. He is the author of the recently released *Rebels on the Border: Civil War, Emancipation and the Reconstruction of Kentucky and Missouri, 1860-1872* which examines the transformation of grassroots black and white politics in the Border South.

Tuition for this class is \$5 payable to TVPOA at the class.

TICKETS AVAILABLE FOR "TALK IS CHEAP" MCFA FUNDRAISER

Tickets are now on sale for the upcoming fundraising benefit "Talk is Cheap." Proceeds from this event will support Monroe County Friends of Animals in their continued efforts of helping stray and homeless Monroe County animals.

"Talk is Cheap" is a hilarious and entertaining evening that features two-time Emmy Award winner Bill Landry, Elizabeth Rose, Sam Venerable and Jim Claborn. Tickets are available at United Community Bank locations in Tellico Village and Madisonville, and Volunteer Federal Savings locations in Madisonville, Sweetwater, Vonore and Tellico Plains. It is recommended that those planning on attending "Talk is Cheap" should purchase their tickets well in advance, as it is expected this will be a sold-out performance. The event will be at 4:00 pm on April 21, 2018 at the Hiwassee College Butcher Auditorium. Ticket prices are: adults \$20, Hiwassee Students \$10, and Children under 12 are free. If you can't attend the event you can still make a donation to MCFA either online at www.monroecountyfriendsofanimals.org, or by sending a check to Monroe County Friends of Animals P.O. Box 106 Vonroe, TN 37855.

MCFA (Monroe County Friends of Animals) is a not-for-profit volunteer organization with 501(c) (3) status located in Monroe County, Tennessee. MCFA was created in 2004 by concerned citizens who recognized a need throughout the county for animal welfare.

They consulted with the County's governing body and entered into negotiations with the Monroe County government. This led to the formation of a county-run animal shelter, which was approved by a narrow commission vote at the end of 2004. Since then, MCFA has helped save more than 24,000 cats and dogs.

PET OF THE WEEK: MEET PEACHES!

Peaches is a tan and white domestic shorthair mix. At just under a year old, she is a wonderful "older kitten." Her last owner damaged her trust in humans and she needs some time to get it all back. Last winter while living up north, she was outside and her little ears got frost-bitten. That's why her ears look a little unique. She craves human affection and attention. She doesn't want to share the attention with another cat – a one cat household might be best for Peaches. She is loving and she has excellent litter box manners.

Please remember their true purrsonality may not show through immediately in the shelter environment. Their condo is now their "safe place" and some struggle a bit when removed from it. That, by no means, does NOT mean they aren't sweet, loving lap cats. It means they are uncomfortable or scared. Take the time to meet each cat. Pet them while they are still in their condo and let them get used to you for a few moments before you pick him/her up. Once you get them home and they feel secure, all will be well.

All animals adopted are spayed/neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Cats are litter box trained. \$40 adoption fee (over 2 years old) and \$50 (under 2 years old).

Don't miss this opportunity to see "Talk is Cheap" live at 4 pm on Saturday, April 21 at the Hiwassee Campus-Butcher Auditorium. Tickets are on sale now at Volunteer Federal Savings Bank, (Monroe County Branch's) and at United Community Bank in Monroe and Loudon Counties. Your ticket will provide a great evening of entertainment and help the animals at Monroe County Animal Shelter. Get your tickets today!

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 and check out all available pets on our website at www.monroecountyfriendsofanimals.org

"TN Monroe County Animal Shelter" is the official Facebook page for the Monroe County Animal Shelter. Adoption gift certificates available all year.
