EXPECT TRAFFIC DELAYS WHEN CROSSING THE TENNESSEE RIVER BRIDGE

The Tennessee Department of Transportation announced that during the week of May 7th, weather permitting, the contractor will be paving the asphalt sections of Highway 321 from the Tellico Canal Bridges to the intersection of Highways 11 and 321 (the rain date is the week of May 14th). Traffic will be limited to one lane in each direction while the final top coat of asphalt is applied. Once the paving is complete, two lanes in each direction will be open to traffic and all exit and entrance ramps will be in service. After the lanes on Highway 321 are paved, the contractor will do the final paving on City Park Drive and Elm Hill. Please be careful when driving in the area and allow extra time to cross the bridge over the Tennessee River.

TELLICO VILLAGE IS SHAPING OUR FUTURE

Join members of the POA Board, the Long Range Planning Advisory Committee (LRPAC) and leaders of the HOA and New Villagers, for the project KICKOFF:

**Shaping Our Future
The Long Range Strategic Plan & How You Can Be Heard
Monday June 4, 2018 – Tellico Village Community Church
4:00 to 6 PM
Town Hall Format**

The Tellico Village POA Board has asked the Long Range Planning Advisory Committee (LRPAC) to develop a new Long Range Strategic Plan for Tellico Village. Bruce Johnson, POA Board President, asked the committee to undertake this project. "Our last Long Range Strategic Plan was developed in 2010. Many of the items on that plan have been completed or are planned to be completed in the next couple of years. So it's clearly time to refresh our plan for the future of Tellico Village."

The Strategic Plan provides the roadmap for the future of Tellico Village. It will outline long term recommendations for our infrastructure, amenities, lifestyle and other needs to keep Tellico Village a great, vibrant place to live. "Since 2010: The 2008 great recession ended; we have experienced significant growth and demographic changes; our property values have increased; our Village has aged; and maintenance costs have increased. Given this new environment and its challenges, it is time to plan for our future. We will be planning for the next 6 – 20 years. We're kicking off this project now, and we're asking our property owners to help shape our future by attending a Town Hall on June 4th" says Bart Margoshes, chairperson of the LRPAC.

At the Town Hall Kick-off, the POA Board and the LRPAC will:

- Provide background on the current Strategic Plan
- Discuss some of the major challenges Tellico will be facing in the future
- Review the process for developing the final Strategic Plan's recommendations
- Provide an early opportunity for your ideas, questions and suggestions

"We want your input so that the 2019 Strategic Plan is supported by you and reflects your needs. The final recommendations will include your input, data regarding anticipated growth of the Village, the impact from growth on our amenities, and updated external benchmarking from competitive communities," says Bart Margoshes. "We are early in the process, so your participation in the town hall will help ensure we are working on the issues that are important to you," says Wayne Enderle, Vice Chair and Project Manager for the LRPAC.

This is the start of regular communications and opportunities for Villagers to participate in the plan's development through a Town Hall, a questionnaire and focus groups.

Bruce reminds us, "As property owners, we own the Village and the quality of life that it provides to us. The Long Range Strategic Plan is a key roadmap for maintaining and improving the quality of the village, our way of life, and ultimately, our property values. I join Bart and the LRPAC, in asking you to take the time and opportunity to participate in this process."

GET READY TO TEE IT UP FOR A GREAT CAUSE

On Saturday, May 12th the TV Lions will once again conduct their annual Golf-for-Sight Outing at the Toqua Golf Course. This is the premier fundraising event held by the TV Lions and it goes far in enabling the club to carry out its mission of "We Serve". 100% of the funds raised support the myriad of vision-related activities conducted by the club in Loudon County. The funds also support annual donations to a number of service organizations in Loudon County and the greater East Tennessee region.

The event is an 18-hole, best ball scramble with all male, all female or mixed foursomes. Prizes are awarded to the low net team in each category, as well as for the longest and most accurate drives and closest to the pin for both men and women. There is also a chance to win a car for a hole-in-one. Participants can also get assistance in their play by purchasing "mulligans" or by "hiring a pro" to help navigate one of the holes. Each participant will also receive coffee, a continental breakfast, lunch, range balls, and a goody bag of neat gifts.

Fees are \$45 plus cart and greens fees for village property owners or \$85 for non-property owners. Entry forms are available at all the TV Pro Shops. Completed forms with a check for all foursome fees payable to the TV Lions, should be sent to Howard Higby at 107 Tuhdegwa Way, Loudon, TN 37774. Questions about the event should be directed to Howard at (865) 458-9356 or via e-mail to h-m-bowl@charter.net

The rain date for the event is Saturday, May 19 at the same location. Funds are raised during the event from participant fees as well as by the purchase of sponsorships by local businesses. The sponsorships can be purchased by amounts from \$100, friend level, \$200, bronze, \$300, silver, \$500 gold and \$1000, Corporate.

Sponsors at all levels are recognized by their business names being posted on signs displayed at the event and by having their sponsorship noted in flyers distributed to all villagers, encouraging their use of these businesses. For silver level and above, firm signage is placed on one hole. Gold and Corporate sponsors are featured on information placard used at all Lions events. Corporate sponsors are also allowed free entry for one foursome into the event.

The projects supported by the funds raised include vision screening in all educational institutions in the county, diabetes screening at Good Samaritan Center and a free eye examination and eyeglass program for needy county resident. This program alone required over \$15,000 last year to provide glasses to 140 residents. Donations are also made to the TV Library, TVVFD, Second Harvest, and the Lions Eye bank, Blind Industries and the Eye Center at Vanderbilt University as well as a number of other similar organizations. Round up your foursome and join the Lions for this fun event that supports your fellow residents doing great work in our community!

PET OF THE WEEK: MEET HAZEL!

Meet Hazel! She is a 2+ year old Basenji mix. Basenjis are known for their “barkless” feature, where they make more of a yodel sound than a bark. They have short hair and are known for being clever and endearing. Hazel is a gentle, calm dog who recently sat for a long period of time in one of our volunteer’s laps, soaking up the love and affection. Hazel would need a fenced in yard and would do well in a family with respectful children. Please come meet Hazel (and the other animals) at the shelter at 170 Kefauver Lane in Madisonville (Behind Walmart). It is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. It is closed to the public on Sunday and Monday. All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped with registration. Be sure to check our website: <http://www.monroecountyfriendsofanimals.org>

SNAP (Spay Neuter Assistance for Pets) offers free vouchers to qualifying families for a spay or neuter procedure at participating local veterinarians. The next voucher session will be held Saturday, May 5th, at the Vonore Community Center (above the library), 10-11am. Vouchers are available to qualified Monroe County residents. If you are in another county, you can visit this webpage to find options close to you: spaytennessee.org PPAW in Greenback also offers low-cost altering at their clinic for anyone who does not meet the voucher income or county qualifications. Take advantage of these no or low-cost opportunities available to EVERYONE.

Shelter Needs: Lots of scoopable/clumping cat litter (Tidy Cat), paper towels, laundry detergent, copy paper, bleach, Q-tips, cotton balls, and Original blue Dawn-all cleaning & office supplies are always needed!

Our shelter is full! If you can’t adopt a pet, please consider fostering a dog, cat, or kitten. Fostering is a wonder way to help socialize pets to get them ready for adoption while you get a great dose of unconditional love. Please contact the shelter at 423-442-1015.
