## TELLICO VILLAGE UNIVERSITY SEEKS NEW DIRECTOR

Tellico Village University (TVU) seeks the interest of any villager who can provide leadership to program development and delivery as its next Director. The Director has the privilege of working with 15 village volunteers and one paid POA staff member for overall program operation. The Director is primarily a program manager who provides development, oversight, promotion and support for this two semester program. A former organization officer or program manager would have the right set of experiences to serve Tellico Village in this role. Education experience is not required. Volunteers include a team of very dedicated and capable course coordinators who ensure that each course and instructor receive the required support, room set up, and media they need. Another small group provides information at HOA, POA and New Villager events several times a year. A Media Coordinator makes our Great Course collection available on loan to Village residents. The POA Lifestyle Coordinator helps TVU as the registrar and webmaster. TVU is a program set in the Communications and Marketing Department of TVPOA and has access to POA staff support. Because of this highly functional team, there is plenty of freedom for the Director to travel and be away from the Village.

The complete list of Director duties is found at the TVU website at [www.tvuniversity.org](http://www.tvuniversity.org) under the "About Us" tab. The founding director will remain active in program planning and other supporting tasks.

Started in January 2015, TVU has offered over 150 short courses on a variety of topics. Courses are taught by Village resident volunteers or outside contractors. TVU operates on the principles of being Diverse, Convenient and Affordable. Over 2,000 people have attended a class to date.

Interested persons are invited to call the current Director Cindy Solomon at 865-408-1520 to explore this opportunity further. The Fall 2018 Semester Curriculum will be published in mid-August at the TVU website.

## AUDITIONS SET FOR TELLICO PLAYERS OCTOBER DRAMA, OUTSIDE MULLINGAR

Auditions for the Tellico Community Players production of Outside Mullingar will be held from 6 - 8 p.m., Thursday, June 7; 2-4 p.m., Sunday, June 10 and 6-8 p.m., Monday, June 11 at the Tellico Community Playhouse, 304 Lakeside Plaza, Tellico Village, Loudon.

Play dates are Thursday-Saturday, October 4-6 and 12-14 and Thursday-Sunday, October 11-14.

Director Dennis Loy is looking to cast two men and two women for John Patrick Shanley's play, which is set in rural Ireland and loosely based on Shanley's Irish ancestors.

Shanley presents a tale about two lifelong introverted misfit-neighbors who grow into adulthood caring for sick parents, while illustrating the many hardships of rural Irish life and the difficulties of finding one's "other half."

The roles:

- **Rosemary Muldoon:** Female, 40-49, a farmer's daughter and a "tough cookie." She deals with the realities of Irish farming as a bit of a tomboy, yet she has a romantic soul. She is single-minded, willful, patient and optimistic. She has a fervent but secret soul and plays the long-game.
- **Anthony Reilly:** Male 40-49, a shy, intense dreamer who is also dutiful and quiet. His full, yearning heart masks a subdued manner, eternally sensitive and guarded to let love into his life for fear of getting hurt.
- **Tony Reilly:** Male, 60-77. Anthony's father, a wily old Irish farmer who is cantankerous, sly, and set in his ways. He is a fixture of the Irish county-side - proud, stubborn, and gruff.
- **Oeife (Efa) Muldoon:** Female, 60-77. Rosemary's mother in bad health and, when first introduced, grief-stricken because of the recent death of her husband. She is a sharp, straight-shooting "old bird" who doesn't suffer fools gladly. Weathered, opinionated, and set in her ways.

Scripts are available at the Tellico Village Library. Any questions should be directed to Dennis Loy, director (loyatty@gmail.com), or Sue Aukerman, assistant director (sue.aukerman@gmail.com)

Playwright and screenwriter Shanley won an Oscar for Best Original Screenplay for the 1988 film Moonstruck, for which Cher won Best Actress and Olympia Dukakis won Best Supporting Actress. Outside Mullingar was nominated for a Tony Award.

## PET OF THE WEEK: MEET SHEILA!

Hi! My name is Sheila and I am a 6-year-old shepherd mix. I think we can both agree that I am a beautiful specimen! I had a rough beginning to my life but, thanks to the people at the Monroe County Animal Shelter, life is looking good. Except that I don't yet have a forever home. I am currently in a foster home and get along with the other dogs who live here. I love to play with the kids, but I don't know how I would react to any cat friends. I have a couple of food allergies: I'm on a special diet, but hey, aren't we all!! A little while ago I had some skin issues, but the vet took care of that for me. I'm incredibly smart; I even know how to open a door to let myself out when I have to, er ... you know, relieve myself. How's that for being talented?! However, if you want a walking buddy, I'm your girl. I walk well on a leash and enjoy being outdoors. Studies have shown that walking outdoors with a pet is a healthy choice. It's a win-win for both of us. Oh, and did I mention that I've been spayed?! Now that you've finished reading this, I can sense you want to meet me and check things out. Please contact the Monroe County Animal Shelter at 423-442-1015. The people there can arrange a meet-and-greet.

While you're at the Shelter, maybe you could bring some supplies to help out my friends who are there? The shelter is always in need of lots of scoopable/clumping cat litter (Tidy Cat), paper towels, laundry detergent, copy paper, bleach, Q-tips, cotton balls, and Original blue Dawn-all cleaning & office supplies.

Last week, the shelter took in 95 animals! Amazingly, 23 cats and dogs were adopted and another 17 were sent to our rescue partners. We are also happy to announce that 5 dogs and 3 cats were returned to their rightful owners. But the Shelter is still filled to overflowing. Could you find it in your heart to be a foster parent for a pet? Both cats and dogs are in need of temporary places to call home while they are waiting for their next step. Being a foster parent means the animal receives much needed socialization skills as well as TLC. In return, you are given the unconditional love and adoration that only a pet can provide. I know that I am absolutely grateful for my foster family.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville, right behind the WalMart. It is closed on Sundays and Mondays. If, for some strange reason, you don't think I am the perfect pet for you and you want to check out the other animals at the Shelter, stop by and give them a look. Or visit the website [www.monroecountyfriendsofanimals.org](http://www.monroecountyfriendsofanimals.org) We all deserve a chance at a forever home.
