# WHO BENEFITS FROM THE TELLICO VILLAGE MARKETING EFFORT?

**By Winston Blazer, General Manager**

The Tellico Village marketing program is about John and Loretta. Don and Dorthy. Jim and Joanne. They are all former Villagers who in the past two months have sold their homes and moved to other living arrangements outside the community.

These couples are all in their late 70s or early to mid-80s. They lived in the community for at least 12 years or more. Life's circumstances intervened, they needed to sell their homes and the proceeds from these transactions were used to finance their next life stage.

The over-arching objective for the marketing program since its inception in 2013 has been: "To build awareness of the Tellico Village brand and its unique appeals and benefits among national, regional and in-state audiences in order to influence the sale of Tellico Village homes and lots and strengthen property values." It is critically important that in an ageing community, such as Tellico Village, that older residents be able to sell their homes at a fair price and in a reasonable amount of time. For the majority of Tellico Villagers, their homes are a significant part of their net worth and their estates.

The three couples mentioned previously, sold at an opportune time. Property values have increased in the past 18 months (January, 2017 to June, 2018) by 12.9 percent. According to the Multiple Listing System (MLS), 443 existing homes have been sold during this period and the average increase in equity was \$29,221 per home. Total realized equity for all homes sold was \$12,945,014, with the bulk of these returns going to former, older residents who needed these types of gains.

A Village survey conducted in June, 2017 of new arrivals (January, 2014 to February, 2017) reported that 82% of these new Villagers had been influenced to purchase in TV by some element of the community's marketing program. In this case, two of the three purchasers of these ex-Villager's homes were attracted by the Village's marketing materials. The couples who sold also benefited from the shortest time on market in recent memory. From 2009 through 2013, average time on market for existing Village homes was seven to eight months. By June, 2018 time on market had shrunk to less than three months (2.9 months).

So, who benefits from the Village's marketing effort? Really, all Villagers – not just recent past residents, but all current residents, - because the equity in their homes has increased dramatically. The total unrealized equity gain across the entire community over the preceding 18 months is slightly more than \$194 million. Villagers should feel great about this performance. More importantly, they should be pleased, because their older friends, who have found it necessary to leave the community, have secured a fair return on their homes to help underwrite the next phase of their lives.

## LIBRARY CLOSED INDEFINITELY

Due to flooding, the Public Library at Tellico Village will be closed indefinitely. We apologize for any inconvenience this may cause and will keep you updated as we find out more information.

## GOLF AD HOC COMMITTEE

The Ad Hoc Committee will be reviewing the following topic:

Course Play and Tee Times

Should we charge a premium fee for course played and time played?

Each topic will be presented on the POA website in the coming days. Comments and suggestions can be directed to Mike Colacone at mc195@aol.com and/or Pat White at jwhite2032@charter.net

## COMMUNITY CHURCH AT TELLICO VILLAGE PARKING LOT CLOSURE

The Community Church at Tellico Village is having the entire parking lot resurfaced August 27th - 31st. There will be no through traffic during that time. We apologize for any inconvenience this may cause.

## WELLNESS CENTER TEMPORARILY CLOSED UNTIL AUGUST 27TH

The Wellness Center will be closed beginning August 16th until August 27th at 6 a.m. Several major maintenance projects are slated to be completed during this time such as: the installation of new cardio equipment, removal of carpet underneath, addition of LVT flooring system (also used in Kahite). While this is going on, the pool will be

drained, resurfaced, and re-filled. A new ADA accessible pool lift will be added, and the sand in the pool filters will be changed out. Deep cleaning will also occur throughout the building. We look forward to seeing you back on August 27th so we can share the excitement of this facility revamp with all of you.

## YACHT CLUB PARKING LOT UPDATE

Milling and paving will occur at the Yacht Club August 16th – August 29th. Certain sections of the parking lot will be closed and will then be milled. The crew will then continue to work on Sequoyah Road up to HWY 444. Paving and stripping will follow. The area will be messy until the work is completed. If a rain delay occurs, it will unfortunately push out the completion date. Day time events at the Yacht Club will still be held through August 25th, the Yacht Club will also be open for dinner during normal hours through this date. Please be aware that parking patterns will change every day. The Farmer's Market will not take place at the Yacht Club on August 22nd, 29th, and September 5th. It will occur at the Tugaloo Beach Pavilion Parking lot (one street way from Sequoyah Road) from 9 a.m. – Noon. The Yacht Club will be completely closed August 27th – August 29th. We will keep you updated in the Tell-E-Gram should any delays occur.

We are looking for all types of topics: history, travel, special talents or crafts, professional experiences that villagers might like, literature, the arts of any kind, the outdoors, for example. Maybe you know someone – in the Village or outside of TV—whom you would recommend for us to do a program for us. You must have legitimate “claim to fame” in your topic -- either some academic preparation or life experience. We want to ensure that our participants listen to credible information. Use the TVU website Contact Us page and tell us your ideas or request a phone conversation. We would be happy to explore your ideas with you.

Other committee members are Mary Kay Bogardus, John Bordelon and Tracey Heilman. The committee is responsible for reviewing all nominations and completing follow-up information as needed, but they need your nominations by the Sept. 28 deadline to identify those exceptional individuals who deserve recognition for their efforts. An appreciation banquet has been scheduled for November 14, where the nominees and winners will be honored. ## PETS OF THE WEEK: MEET BLAZE, COSMO, AND GEORGIE!

Three warm and fuzzy cats looking for new homes this week are Blaze, Cosmo, and Georgie.

Blaze is a very affectionate 2-year old male, medium-hair Marmalade cat with striking orange eyes. He would do best in a home without dogs, cats, or young children. Daily brushing will maintain his beautiful fur and prevent painful matting.

Cosmo is a sweet and cuddly lap kitty. He's a black male 1-year old domestic shorthair mix with golden eyes. He has quite the personality and loves to interact with humans and dogs, maybe even with other cats - with proper introduction. His owner had to move to a no-pets apartment.

Georgie is a big talkative 3-year old male medium-hair brown tabby with golden eyes. He likes to be petted and rubbed. Can be a bit grumpy with younger visitors and would do best as an only cat, but he's a real sweetheart with adults and older children that show him proper respect!

Please remember their true purrsonality may not show in the shelter environment. Take time to pet them while they are still in their condo and let them get used to you before you pick him/her up.

All animals at the shelter are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped with registration. Cats are litter box trained. \$40 adoption fee over 2 years old, \$50 under 2.

The Monroe County Friends of Animals Thrift Store has a new Facebook page "Thrift Store of MCFA". Check out what's new and exciting and come see their new location at 3949 Highway 411 in Madisonville, across from Kentucky Fried Chicken. Store hours are 10AM-4PM Wed through Saturday.

We are looking for foster homes to help kittens that need to be bottle fed, or older weaned kittens that need to grow up and gain weight so they can be spayed/neutered and adopted. Or, un-socialized kittens that have had minimal human contact and need some TLC so they can be adopted. Please call the shelter for additional information. We also need dog and puppy fosters all year long! The Monroe County Animal Shelter is at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tues-Fri 11-4:30 and Saturdays 11-2. Call 423-442-1015 or check out all available pets on our website.

**Shelter Needs:** Lots of scoopable/clumping cat litter (Tidy Cat), paper towels, bleach, Q-tips, cotton balls, laundry detergent, and Dawn All Purpose Cleaner. Office supplies including copy/prINTER paper are always needed!

**IMPORTANT NOTE:** Animal Control is administered through the Sheriff's office. Call them at 423-442- 3911 to report cases of stray animals, animal endangerment, abuse, or neglect. Please do not call the shelter.
