**Finance Report** – James Ivey presented the comparative financial analysis. July was a great month. YTD revenue of \$11.3MM is currently pacing +1% favorable to budget of \$11.1MM, which is directly in line with expectations. Golf had a great July, made up \$20,000 to budget. We've been over budget with installed tanks, currently at 91 tank jobs completed vs. budget of 74. Issued 89 new building permits. There were a few overruns related to maintenance on water lines, about \$100,000 overbudget when it comes to maintenance on water lines – there are a lot of breaks, the system is getting old and breaking regularly. We are seeing quite a bit of trees that are needing to be removed because of the large storms so we are \$60,000 over on tree removal. James also presented the marketing cost update for Q2. Total marketing revenue = \$91,000 compared to Q2 last year,

we were at \$72,000. James also presented the golf rounds report and fitness membership updates. Parker Owen presented the CFO's report on current activities. The budget model is being reset to begin the 2019 Budget and 2020 to 2024 Five Year Plan. The budget schedule and meeting dates have now been set and will be posted to the POA website. We submitted client provided inputs to Coulter & Justus, P.C. for preparation of the 2017 Form 990 and 990T returns. We expect we will file both of those forms well before the November 15 deadline. The TVPOA donation of Native American art works and sculpture was delivered to the Sequoyah Birthplace Museum in Vonore on July 24th. Three project funding requests were presented:

- **2018 Maintenance Project Funding Request** – Public Works (Milling and Paving Six Additional Feeder Roadways off of Sequoyah Rd). Approved by the Board 7-0.
- **2018 Maintenance Project Funding Request** – Apply HA5 Pavement Preservation Product to Chota Hills, Tanasi Shores, Chota Landing, Chota Point, and Chota Rec parking lot. Approved by the Board 7-0.

**ACC** – Clayton Taylor presented the July month-end report.

**Public Works** – Jeff Gagley presented project updates regarding the following:

- Independent living facility – Photos were presented and more progress has been made on the facility. They finished their last concrete pour last Thursday. Framers are on site and will start framing by early September. 50% of the units are spoken for and Five Star says that they're still on track for July opening. This will create several jobs for local individuals.
- Toqua Clubhouse – Met with the construction team last week. 50% of the documents are completed, they'll be 100% done by the first of September. Take it out to bid around 9/27. Hope to be back to the Board on October 24th for your approval.
- Kahite Community Center – About 20% of construction documents are completed, they will be 100% completed by September 1st. It will go out to bid 9/27. Back to the board on October 24th for their approval.
- North Entrance - Before repairs, we were leaking 500,000 gallons per month. After repairs, were using 5,500 gallons per month for makeup water which equates to \$70.20 per month. To swap to a well/lake system would cost \$150 per month in chlorine, stabilizer and pH adjuster.

Jeff also presented YTD numbers and discussed sanitary survey results – we received 97%. The full report is on the POA website, under the "Public Works" section.

**Golf** – Jim West presented the golf update on the following projects and upcoming events:

- Tanasi bunker renovations – in-house project completed by Tanasi Turfcare team. Large amount of positive feedback from members about the improved playability of the new bunkers.
- Toqua Golf Car Path Repaving project – This project was completed mid-July. It was a cooperative Project with Golf Operations and Public Works. After Contractors arrived on site, the project took approximately 5 days to complete.
- Summer 2018 Kahite – Playability is key, rough HOC is the lowest it has ever been. Consistently spot aerifying troublesome drainage areas/difficult areas to mow when wet and also aid in Winterkill avoidance later this season. Bringing HOC down in key landing areas off the tee. Minimized all landscape beds.
- Night golf is scheduled with New Villagers. This will be glow in the dark golfing. Both events are scheduled in October. There continues to be high demand for beginner clinics. Patriot Golf Day for Folds of Honor Foundation will take place on August 31, September 6th and 7th.

**Long Range Planning** – The questionnaire is closed. Discussed the process and high level results. 1,757 households participated. Next steps were also discussed.

**Political Signs Policy** – Kevin Stevens – gave a background about this policy. Presented the policy, full policy is on the website. Approved by the Board 7-0.

**Honor Awards Committee** – You can now submit nominations for Honor Awards. These awards are just for Villagers, not employees. We need a committee that will take these recommendations and evaluate them and make recommendations to the Board. The committee will have the following members: John Bordelon, Bill Hartman, Mary Kay Bogardus, and Tracey Heilman. Approved by the Board 7-0.

**If you would like to view the powerpoint slides from the Board meeting, they are available to view on the POA website under the "Board of Directors" section. You can also access them at this link:**

## **LIBRARY UPDATE**

The library will be closed temporarily for repairs from the flooding. We cannot give a definite date for re-opening at this time, but regular updates will be posted on NextDoor. Materials may be kept or returned in the drop box in front of the library. All items will be backdated when we check them in after the library re-opens, do not worry about the fines. Please keep backpacks and telescopes until the Library re-opens and please hold on to your book sale donations until the library has a place to keep them. Currently, the annex building is packed floor-to-ceiling with the contents from the library. As repairs are made, we will be able to assess the need to reschedule or relocate the programs scheduled for next month and will keep you informed on those arrangements. The library will require new carpet and the replacement of lower drywall throughout much of the building. Mitigation measures to prevent another flooding episode are being studied.

The good news: Collection materials and computers escaped damage, and our library is set in a community of extraordinary people. Many thanks to the volunteers who emptied the library and to those who answered the call for boxes. Our thanks, too, to Classico who fed the workers and to area Home Depot stores who gave us boxes.

## **GOLF AD HOC COMMITTEE**

The Ad Hoc Committee will be reviewing the following topic:

9 Hole and 18 Hole Rounds/Pricing

- Analysis of 9 holeroundsvs18holerounds played and revenue
- Is there a loss of revenue by allowing 9 hole rounds to be played when an 18 hole round could be scheduled?
- Is there a particular day of the week or time of day where 9 hole rounds are predominating?

Each topic will be presented on the POA website in the coming days. Comments and suggestions can be directed to Mike Colacone at mc195@aol.com and/or Pat White at jwhite2032@charter.net

## **COMMUNITY CHURCH AT TELICO VILLAGE PARKING LOT CLOSURE**

The Community Church at Tellico Village is having the entire parking lot resurfaced August 27th - 31st. There will be no through traffic during that time. We apologize for any inconvenience this may cause.

## **YACHT CLUB PARKING LOT UPDATE**

The crew will then continue to work on Sequoyah Road up to HWY 444. Paving and stripping will follow. The area will be messy until the work is completed. Please be aware that parking patterns will change every day. The Farmer's Market will not take place at the Yacht Club on August 22nd, 29th, and September 5th. ### Tellico Village University seeks your ideas and requests

The TVU team is beginning the process to plan for our Spring 2019 semester! Where did the time go? Our best ideas come from villagers, and we will do our best to seek out your requested topics, or pursue instructors you recommend. If you have expertise in a topic that you think other villagers would like to hear, please consider sharing with us in a friendly two hour presentation. We are looking for all types of topics: history, travel, special talents or crafts, professional experiences that villagers might like, literature, the arts of any kind, the outdoors, for example. Maybe you know someone – in the Village or outside of TV—whom you would recommend for us to do a program for us. You must have legitimate “claim to fame” in your topic -- either some academic preparation or life experience. We want to ensure that our participants listen to credible information. Use the TVU website Contact Us page and tell us your ideas or request a phone conversation. We would be happy to explore your ideas with you.

## BACK TO SCHOOL SUPPLIES AND VOLUNTEERS NEEDED!

Back-to-school supplies are needed for students at Loudon County and Steekee Elementary Schools. The Tellico Village Adopt-a-Class Program supports this effort with donations. We have placed boxes at 4 convenient locations - the Wellness Center, library, Chota Rec Center and the Welcome Center (storage - may drop-off at front desk). Items requested include sharpened pencils, erasers, glue sticks, crayons, notebook paper, 2-pocket folders, spiral notebooks, and construction paper.

Classroom needs include dry erase markers and cleaner, tissue, hand sanitizer, disinfectant wipes, and band aids. Contact Bonnie Pierce (516-413-0177) or at [adopt.a.class.donations.tn@gmail.com](mailto:adopt.a.class.donations.tn@gmail.com) or Karen Hamerslag (352-219-1046) or at [adopt.a.class.tn@gmail.com](mailto:adopt.a.class.tn@gmail.com) with questions. Cash donations are also appreciated - contact us for further information.

The Tellico Adopt-a-Class program supports local elementary schools with classroom volunteers and donations of school supplies. Volunteers are matched with a classroom and teacher, fostering relationships with children while assisting in their education.

Villagers usually volunteer 3 – 5 hours a week, either on one day or split into 2 sessions. Most work directly with students, either individually or in small groups. Adopt-a-Class is now active in both Loudon and Steekee Elementary Schools.

We are currently accepting volunteers for the 2018-2019 school year. Please contact Karen Hamerslag at 352-219-1046 or [adopt.a.class.tn@gmail.com](mailto:adopt.a.class.tn@gmail.com) for further information.

## CRANK UP YOUR APPETITE, DUST OFF YOUR LEDERHOSEN – OKTOBERFEST IS GETTING CLOSE

That's right – in just over a month you can join the TV Lions and your fellow TV residents at an evening of great food, fellowship and fun at this annual Lions Club fund-raiser. This year's OKTOBERFEST takes place on Monday, October 1 at the TV Yacht Club 4 – 7 p.m.

As in the past, the main attractions are great German food – bratwurst, potato salad, beans, condiments, etc., and, of course, plenty of beer. Wine is also available for a small price per glass. In addition to being able to socialize with your friends and neighbors, you can also hit the dance floor and enjoy a variety of German music, mostly polkas. There will probably be quite a few pieces that you can sing along to if you don't want to dance.

Tickets are \$14 per person. They are available from any Lion or at Sloan's Hardware, United Community Bank or the Village Salon. If none of these venues work, call Marsha Higby at 865-458-9356 to get your tickets. Because of space limitations in the Yacht Club, the supply of tickets is limited so get yours early.

This is one of three major TV Lions annual fundraising events. Proceeds are used by the club to fund a variety of service activities in both Tellico Village as well as Loudon County and east Tennessee. In the village, the TVVFD and the Library are beneficiaries; in Loudon County, Smoky Mountain Service Dogs, Iva's Place, Good Samaritan and a number of other similar organizations receive donations. A portion of these funds are used to support the various vision programs conducted by the Lions to include free glasses to indigent county residents identified thru the Good Sam Health Fairs.

In addition to buying you a great evening, your ticket also helps some less fortunate residents to improve their quality of life. Get yours now!

The photo below shows the grills and the cooks preparing the bratwurst behind the Yacht Club.

## THE UNITED WAY KICK-OFF STREET FAIR IS GETTING CLOSER

The 4th Annual United Way Street Fair, which kicks-off the 2018 United Way Campaign in Tellico Village, is now only about six weeks away. This year's version will be expanded with the addition of a business fair as well as additional entertainment. Nine Tellico Village and local businesses have agreed to participate by setting up information booths where you can learn about the products and services that they offer. Some have also indicated that they will offer chances to win prizes to those who come by and get information. In addition, negotiations are underway with several car dealers to stage a new car show as well.

As in the past, roughly a dozen partner agencies (those that receive grants from the proceeds of your UW donations) will also set up information booths where you can learn more about the services they offer to your fellow residents of TV and Loudon County.

The main attraction will still be the vehicle show where members of the Corvette, Vintage/Classic Car and

Motorcycle Clubs will proudly display their vehicles. You will get a chance to vote on your favorite vehicle in each category by making a \$1/vote donation to United Way. The winners will receive a prize from UW. Additional entertainment will be provided by DJ Gary Blumel, and hopefully, the TV Singers and Footloose in TV. Since you will probably work up an appetite by visiting all the various activities, you can get a free hot dog and cookies courtesy of United Way.

This event takes place on what is scheduled to be a very busy Saturday, October 6, in Tellico Village. The Street Fair, held in Village Square, will be preceded by the annual TVCC Garage Sale, which runs from 8 a.m. – Noon, followed by the Smoky Mountain Service Dogs "Salute to Veterans" which occurs that evening. The Street Fair will occur from 11 a.m. – 2 p.m. so you have a chance to hit all three community events with no problem.

Mark your calendars and reserve the day so you can attend all the great happenings in TV and help the 2018 UW campaign get off to a great start. Your potential attendance is boosted by the fact that the Vols are not playing that weekend so you won't miss even one minute of UT Football.

## **PETS OF THE WEEK: MEET SCOTTY!**

Scotty is a small grey schnauzer. At 13 years old, he has lived a great life and is part of the Second Chance Pals organization. Scotty is pretty much blind and cannot maneuver stairs. He has only 7 teeth but uses them to eat dry kibble. Wet food upsets his stomach. He is house trained to use wee-wee pads. He would do best in a home with no other pets and only adults. He sometimes enjoys being outside and loves snuggling with stuffed toys. He is not a lap dog but revels in the comfort of knowing a human is nearby. Scotty currently lives in a foster home, so if you're interested in adopting this cute little guy, an appointment with the foster family will be made by the Shelter.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tues-Fri 11-4:30 and Saturdays 11-2. The shelter is closed Sunday and Monday. Call 423-442-1015 or check out all available pets on our website at [monroecountyfriendsofanimals.org](http://monroecountyfriendsofanimals.org)

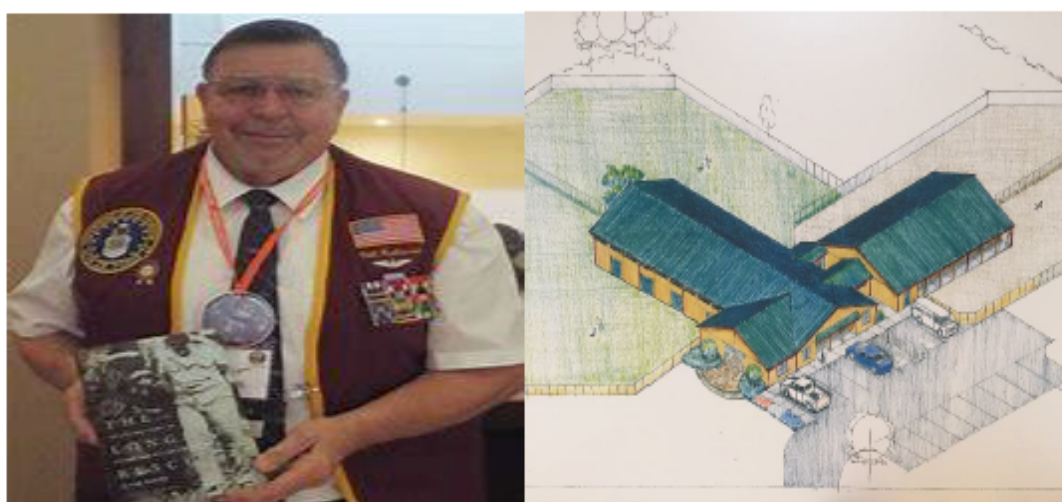

**Shelter Needs:** Lots of scoopable/clumping cat litter (Tidy Cat), paper towels, bleach, Q-tips, cotton balls, laundry detergent, and Dawn All Purpose Cleaner. Office supplies including copy/printer paper are always needed!

Please join us on Saturday, October 6th, 6PM at The Venue, Lenoir City, for our "Night for Patriots" annual fundraiser. In 2017 the \$225,000 donation from the American Valor Foundation (family foundation of Navy Seal, Chris Kyle-The American Sniper) kicked off our "More Wags for Warriors" facilities campaign. Since that time, we have been Blessed by many individuals, companies, and grantors which have insured that funds will be available to begin construction on our new SMSD Veteran/Canine Training Center in Lenoir City. By the date of this fundraiser construction should be well underway.

The event will include music, silent auction, dinner, and guest speaker US Air Force Veteran Captain Bill Robinson, longest held enlisted soldier as a POW in Vietnam, 2,703 days. Bill is also author of *The Longest Rescue*, which details his capture, time in captivity, and release.

**LOCATION:** The Venue, Lenoir City, 6PM, October 6<sup>th</sup>.

7690 Creekwood Park Blvd., Tel. 865-986-8340

Tickets are \$120 per person, tables of 10 may be reserved. For reserved tables it is requested that one \$1200 check from a table coordinator be sent.
