The TVU team is beginning the process to plan for our Spring 2019 semester! Where did the time go? Our best ideas come from villagers, and we will do our best to seek out your requested topics, or pursue instructors you recommend. If you have expertise in a topic that you think other villagers would like to hear, please consider sharing with us in a friendly two hour presentation. We are looking for all types of topics: history, travel, special talents or crafts, professional experiences that villagers might like, literature, the arts of any kind, the outdoors, for example. Maybe you know someone – in the Village or outside of TV—whom you would recommend for us to do a program for us. You must have legitimate “claim to fame” in your topic -- either some academic preparation or life experience. We want to ensure that our participants listen to credible information. ## CRANK UP YOUR APPETITE, DUST OFF YOUR LEDERHOSEN – OKTOBERFEST IS GETTING CLOSE

That's right – in just over a month you can join the TV Lions and your fellow TV residents at an evening of great food, fellowship and fun at this annual Lions Club fund-raiser. This year's OKTOBERFEST takes place on Monday, October 1 at the TV Yacht Club 4 – 7 p.m.

As in the past, the main attractions are great German food – bratwurst, potato salad, beans, condiments, etc., and, of course, plenty of beer. Wine is also available for a small price per glass. In addition to being able to socialize with your friends and neighbors, you can also hit the dance floor and enjoy a variety of German music, mostly polkas. There will probably be quite a few pieces that you can sing along to if you don't want to dance.

Tickets are \$14 per person. They are available from any Lion or at Sloan's Hardware, United Community Bank or the Village Salon. If none of these venues work, call Marsha Higby at 865-458-9356 to get your tickets. Because of space limitations in the Yacht Club, the supply of tickets is limited so get yours early.

This is one of three major TV Lions annual fundraising events. Proceeds are used by the club to fund a variety of service activities in both Tellico Village as well as Loudon County and east Tennessee. In the village, the TVVFD and the Library are beneficiaries; in Loudon County, Smoky Mountain Service Dogs, Iva's Place, Good Samaritan and a number of other similar organizations receive donations. A portion of these funds are used to support the various vision programs conducted by the Lions to include free glasses to indigent county residents identified thru the Good Sam Health Fairs.

In addition to buying you a great evening, your ticket also helps some less fortunate residents to improve their quality of life. Get yours now!

The photo below shows the grills and the cooks preparing the bratwurst behind the Yacht Club.

## THE UNITED WAY KICK-OFF STREET FAIR IS GETTING CLOSER

The 4th Annual United Way Street Fair, which kicks-off the 2018 United Way Campaign in Tellico Village, is now only about six weeks away. This year's version will be expanded with the addition of a business fair as well as additional entertainment. Nine Tellico Village and local businesses have agreed to participate by setting up information booths where you can learn about the products and services that they offer. Some have also indicated that they will offer chances to win prizes to those who come by and get information. In addition, negotiations are underway with several car dealers to stage a new car show as well.

As in the past, roughly a dozen partner agencies (those that receive grants from the proceeds of your UW donations) will also set up information booths where you can learn more about the services they offer to your fellow residents of TV and Loudon County.

The main attraction will still be the vehicle show where members of the Corvette, Vintage/Classic Car and

Motorcycle Clubs will proudly display their vehicles. You will get a chance to vote on your favorite vehicle in each category by making a \$1/vote donation to United Way. The winners will receive a prize from UW. Additional entertainment will be provided by DJ Gary Blumel, and hopefully, the TV Singers and Footloose in TV. Since you will probably work up an appetite by visiting all the various activities, you can get a free hot dog and cookies courtesy of United Way.

This event takes place on what is scheduled to be a very busy Saturday, October 6, in Tellico Village. The Street Fair, held in Village Square, will be preceded by the annual TVCC Garage Sale, which runs from 8 a.m. – Noon, followed by the Smoky Mountain Service Dogs “Salute to Veterans” which occurs that evening. The Street Fair will occur from 11 a.m. – 2 p.m. so you have a chance to hit all three community events with no problem.

Mark your calendars and reserve the day so you can attend all the great happenings in TV and help the 2018 UW campaign get off to a great start. Your potential attendance is boosted by the fact that the Vols are not playing that weekend so you won't miss even one minute of UT Football.

By the date of this fundraiser construction should be well underway.

## PETS OF THE WEEK: MEET BLU, UNA AND MICHELLE!

Three enchanting cats at Monroe County Animal Shelter looking for homes this week are Blue, Una, and Michelle.

Blue is a very handsome 3-year old 12 pound Russian Blue Mix with beautiful green eyes. His chubby cheeks make him like the big loveable cuddly bear that he is. He's FIV positive and needs to be an indoor ONLY cat. He is VERY friendly and will reach out of his condo to tell you he wants some attention. So far we've seen no reaction to other cats or dogs at the shelter. FIV-positive cats tend to live normal lives in a stress-free environment and FIV cannot be transmitted to humans or dogs. FIV negative and positive indoor cats can live together as long as the cats do not fight. The risk can be minimized by the "slow-introduction method" (see our website under Pets, helpful hints, Multi-Cat Household). Fortunately, Blue appears to be a lover, not a fighter.

Una is a 1-year old sleek and quiet DSH female. She's very playful, friendly and social. She's a petite golden-eyed beauty with a jet black coat. Black cats are often very smart. They are savvy to things going on around them and capable of handling change while remaining calm and loving companions.

Michelle is a 1-year old Calico with some Tabby markings and a feisty personality. She's very sweet when she wants to be but will let you know when she's done and this may be a reaction to the shelter/cage environment. In many cultures, Calicos are believed to attract good luck and are often called "Money Cats."

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped with registration. Cats are litter box trained. \$40 adoption fee over 2 years old, \$50 under 2 years old.

Please remember their true purrrsonality may not show in the shelter environment. Take time to pet them while they are still in their condo and let them get used to you before you pick him/her up.

As always, we could use more dog and cat fosters to help us as we will continue to have intake this week. Consider becoming a foster for puppies, kittens and adult dogs and cats. If you feel that you cannot adopt at this time, think about a short or long term foster situation. Call the shelter at 423-442-1015 to find out more information and get an application.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tues-Fri 11-4:30 and Saturdays 11-2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 or check out all available pets on our website at [www.monroecountyfriendsofanimals.org](http://www.monroecountyfriendsofanimals.org)
