THE UNEXPECTED BENEFITS OF MARKETING TELICO VILLAGE

By Joe Bogardus, TVPOA Marketing Team Member

For years, former Tellico Village Boards struggled to find a solution on how to sell hundreds of non-revenue generating lots which had reverted to the Tellico Village Property Owners Association (TVPOA). These lots represented hundreds of thousands of dollars of missed assessment income. Although buildable, these lots were small, internal and did not have lake or mountain views.

With the successful re-launch of the Tellico Village brand in 2013, demand for housing increased. Over the ensuing years, new arrivals quickly purchased available homes in the 1,800 to 2,500 square foot range, dramatically depleting this inventory segment.

In the late fall of 2014, Beth Kuberka, TVPOA director of marketing communications, conceived and convinced the Board to trial a building program in the southern end of the community where there was a concentration of TVPOA owned lots. Working with Mashburn Homes, 1500 to 1800 square foot homes were built and a neighborhood was created with sidewalks, street lamps, decorative mail boxes and a small park.

In less than two years, the Cheeyo Place Park test was nearly sold out and three additional projects with approved by the Board in Mialaquo Coves, Chatuga Point

September 20, 9 a.m., ACC, POA Conference Room

and Tanasi Hills. All are neighborhoods with high numbers of non-revenue-generating lots. By year end 2017, sales totaled 42 TVPOA lots in the four neighborhoods.

Kuberka has continued to market these types of lots to builders throughout the Village. By year end 2018 an additional 60 TVPOA lots will have been sold. Since 2013 to the end of this year, 182 non-revenue generating lots will have been converted to occupied residences paying monthly assessments. Depending on the 2019 monthly assessment, it is projected these lots will produce between \$275,000 to \$290,000 worth of 2019 income. The actual net sales revenue for these lots produced more than \$200,000 of revenue.

In the summer of 2012, when the marketing program was created the main emphasis was to influence Villager property values and lessen time of market for community homes. This still remains the overarching objective of the program today, and the effort has proven highly successful. (See "Who Benefits from the Tellico Village Marketing Effort?" Tell-E-Gram; August 21, 2018)

An unexpected benefit has been the opportunity to address the TVPOA lot issue. Thanks to the increased awareness for the brand and interest in living the Tellico Village lifestyle, more active adults are selecting the Village to enjoy the next phase of their lives. Some, not able to find the right size home, are building on TVPOA lots. With more than 780 lots, either currently under or soon to be under TVPOA control, supported by ongoing investment in the Tellico Village brand, this initiative offers the best chance to continue to convert non-paying lots into revenue generators well into the future to the benefit of all Villagers.

TELLICO COMMUNITY PLAYERS

Tickets on sale for Tellico Players October drama, Outside Mullingar

Reserved seats at \$21 for the Tellico Community Players October drama Outside Mullingar are on sale on the Players website www.TellicoCommunityPlayhouse.org. (Click on tickets to purchase.) Play dates are Thursday-Saturday, October 4-6 and Thursday-Sunday, October 11-14.

John Patrick Shanley's Tony-nominated play is set in rural Ireland and loosely based on Shanley's Irish ancestors. It's a tale about two lifelong introverted misfit-neighbors who grow into adulthood caring for aging parents.

Anthony Reilly (Russ Rinehart) and Rosemary Muldoon (Sauni Rinehart) each represent their own dilemmas. Anthony has spent his entire life on a cattle farm in rural Ireland, a state of affairs – due to his painful shyness – that suits him well. Rosemary lives right next door, determined to have him, and watching the years slip away. Rosemary's mother Aoife (Efa) Muldoon (Doris Ryan), is ailing, but she is a sharp, straight-shooting "old bird" who doesn't suffer fools gladly.

With Anthony's father Tony (George Arwood) threatening to disinherit him and a land feud simmering between their families, Rosemary has every reason to fear romantic catastrophe. But then, in this very Irish story with a surprising depth of poetic passion, these yearning, eccentric souls fight their way toward solid ground and some kind of happiness.

"Outside Mullingar is a compassionate, delightful work about how it's never too late to take a chance on love," says Dennis Loy, the play's director. "The journey of these folks is heartbreaking, full of Irish humor, and ultimately deeply moving."

Sue Aukerman is assistant director and Don Morton is producer of the show.

BLESSING OF THE ANIMALS SERVICE, BENEFITING ANIMAL SHELTERS

With purr's, barks and even bird chirps, a unique event will occur on October 3rd beginning at 12/noon. That date and time has been set for the annual Blessing of the Animals at the Tellico Village Tugaloo Pavilion. It will be a special day and this year the Community Church at Tellico Village and Shepherd of the Lake Lutheran Church are joining together to perform the service. "What a fun day we're expecting on October 3rd! Blessing our furry friends brings us all lots of joy and helps bring our community together. Additionally, assisting the local animal shelters is also immensely important", said Sr. Pastor Steve Prevatte. This event will also benefit and help support the Loudon and Monroe County Animal Shelters, everyone is asked to donate and all pet food contributions that day will be donated to the shelters. These contributions make a huge difference in the financial budget at each location. Pastor Ingrid Schalk from the Shepard of the Lakes stated: *About this time each year, people start asking, "When is the Blessing of the Animals???" They don't want to miss it. I look forward to this event each year as well. So many in our community have beloved pets who accompany them each day - God's wondrous creatures who bring joy and love, comfort and companionship. They are truly a blessing in our lives. Blessings will abound for all our furry friends (and their companions) on Oct. 3. I'll see you there!* It is important to note that all pets must be on a leash for the service. The Community Church at Tellico Village is an inter-denominational church, welcoming all faiths with services on Sunday at 8:00 a.m. and 10:15 a.m. This year they are celebrating 30 years serving the local communities in Loudon and Monroe counties. GFWC-TELICO VILLAGE WOMEN'S CLUB

The GFWC-Tellico Village Women's Club will be meeting on Monday, September 24 at Rosy's Cafe. Our meetings always begin with social time at 2:30, business meeting at 3:00 and then dinner at 5:00. At our August meeting we welcomed 5 new members, got an update on our Home Tour scheduled for November 4, viewed our new and improved website (www.gfwctellico.org) and went over our plans for the coming year. As one of our visitors said to me, "Wow, this is a dynamic group". For our September meeting, we have scheduled a speaker from Wartburg, TN, who will tell us their needs for Christmas Shoe Boxes, items for their new home goods store as well as updating us with general information about Wartburg. It should be an interesting presentation; we have supported Wartburg over the last several years and last year donated over 100 shoe boxes with the help of Tellico Village. Last summer we had a rummage drive among our members to help with their clothing boutique. This year they have opened a housewares store and we will be finding out what kinds of things they need. We are also baking for Ladies Lunch on October 3 and will be selling home tour tickets at the function. Don't forget to buy your home tour tickets either from a member of the Club, from Sloan's Hardware, the Village Salon or United Community Bank. Tickets are \$15 in advance of November 4, \$18 on November 4. Come and join us on September 24 and see if you are interested in any of the many projects we are working on this year.

TELLICO COMMUNITY FOUNDATION ANNOUNCES FUNDING FOCUS AREAS

Seeking to meet unique and currently unmet needs in the community, the Tellico Community Foundation (TCF) has established four focus areas. The TCF's nine-member Advisory Board has determined the four areas will be its grantmaking emphasis for the next 2-3 years.

One area of attention will be **Early Childhood Literacy** and addressing the literacy needs of the surrounding Loudon and Monroe County communities, including both English and Spanish-speaking populations. Nearly two-thirds of Tennessee's 3rd grade public school children aren't proficient in reading and math. The TCF will explore opportunities to underwrite activities which will contribute to improve proficiencies in these disciplines.

The TCF's second area of focus is the **Opioid Crisis**. This epidemic of prescription painkillers and illegal drugs touches nearby communities as well as Tellico Village. More people die from drug overdoses than are killed in traffic accidents in Tennessee, and the number is growing. TCF efforts in this focus area will be on providing education as well as support for collaborative interventions.

Support for Seniors is the third focus area. Aging populations are not only found in Tellico Village but throughout Loudon and Monroe Counties. While there are many excellent resources supporting senior needs, including STAYinTV, the TCF is considering a services referral program among other approaches in coordination with other senior support groups to achieve maximum impact.

The final of the four focus areas is **Community Enrichment**. The foundation will identify opportunities to channel support for funds targeted at community-focused projects either initiated by the TCF or others. This is the least developed of the four focus areas, but one believed to be important in fulfilling the foundation's mission.

Further information about the Tellico Community Foundation and its activities can be found at www.etf.org/Tellico, on the organization's TellicoLife page, or in the new TCF brochure available at the Tellico Village Welcome Center.

In addition, a new Tellico Village Broadcasting series entitled "FOUNDATION Matters" provides information and updates on the TCF. The initial episode can be found under "Videos", and then "Vimeo" at www.TellicoVillageBroadcasting.org or by using the direct link <https://vimeo.com/287465712>

Donations to TCF can be made online at www.etf.org/Tellico or by contacting Trudy Hughes of the East Tennessee Foundation at thughes@etf.org or at (877) 524-1223.

WATER NEEDS YOUR SUPPORT

Thank you for your support of the Watershed Association of the Tellico Reservoir (WATeR). Your donations of time and funds have been instrumental in the success of the Association for the past 15 years. As the Tellico Reservoir watershed transitions from an agricultural to a more residential region, the effort needed to maintain the water quality, outdoor recreational opportunities, and the natural beauty we enjoy is increasing. WATeR needs volunteers to continue its work to monitor, protect, and improve the environment in and around the Tellico Reservoir. Our programs include: lakeshore cleanup; maintenance/improvement of the East Lakeshore National Recreation Trail; water quality improvement in Tellico Reservoir and its watershed; education; publicity; and communication with local and governmental organizations. New people and ideas are welcome in all programs, to resolve challenges that will arise as uses of the Tellico Reservoir and its watershed increase in the future. Volunteers are sought for the WATeR Board, its committees, and its outdoor activities:

WATeR Board members

Board Members establish policy, approve projects and budgets, provide fiscal oversight, assist with grant applications, and communicate via meetings, mailings, and print and electronic media to members and local/state organizations for WATeR. The Board meets monthly.

WATeR Committee members

WATeR has committees for water quality, lakeshore/watershed cleanup, trails, education, publicity, and membership. Volunteers are needed for all WATeR committees, and for assistance with an annual meeting, a website, and other tasks where a specialist is needed. Water quality sampling, watershed cleanup, and trail maintenance/improvement are outdoor activities.

Adopt-A-Site

There is currently a critical need for Adopt-A-Site volunteers. The Adopt-A-Site program volunteers maintain nine specific sites that need attention more than once a year on the annual cleanup. Some sites are on the East Lakeshore Trail and others are along the Tellico Reservoir.

For more information about these opportunities, please visit our website, www.tellicowater.org and select the "How to Help" or "About Us" tabs. To our members, thank you for your past support. We look forward to your continued contributions to improving the Tellico Reservoir watershed.

BICYCLISTS - TOUR DE TELLICO — RIDE FOR CHARITY - OCTOBER 6

Village bicyclists, join us for a beautiful ride on back country roads. Saturday, October 6, the Tellico Lake Rotary Club will sponsor the 13th annual Tour de Tellico bicycling event. Cyclists of all levels will come to Tellico Village and ride the beautiful back roads of East Tennessee. This year we continue to offer four challenging rides to match rider's skill level. For the casual cyclist we offer our popular and easy 25k (15 mile) and the more challenging 50k (30 mile). For the experienced cyclist we offer two popular distance rides: the Metric100 k (62 mile) and the Century 100 mile. Many cyclists from East Tennessee consider our ride to be the best run biking event in the area. It includes a light breakfast, well stocked rest stops, and our famous smoothies for lunch.

So mark your calendar and plan to be part of our "Ride for Charity" event. Early registration is \$40 and the "Tour" begins at the First Baptist Church of Tellico Village. Our website www.TourdeTellico.com contains all event information for registration, as well as course routes and their associated grade charts. The Tour de Tellico is the major fundraising event for the Tellico Lake Rotary Foundation, a 501(c)(3) non-profit organization. All event proceeds go directly to help people of our club's charities, primarily local in Loudon and Monroe counties. The Tellico Lake Rotary Club would like to thank all our riders and sponsors for their support through the years. We especially recognize our major sponsors: Provision Proton Therapy, First Baptist Church of Tellico Village, and Community Church of Tellico Village.

CRANK UP YOUR APPETITE, DUST OFF YOUR LEDERHOSEN – OKTOBERFEST IS GETTING CLOSE

That's right – in just over a month you can join the TV Lions and your fellow TV residents at an evening of great food, fellowship and fun at this annual Lions Club fund-raiser. This year's OKTOBERFEST takes place on Monday, October 1 at the TV Yacht Club 4 – 7 p.m.

As in the past, the main attractions are great German food – bratwurst, potato salad, beans, condiments, etc., and, of course, plenty of beer. Wine is also available for a small price per glass. In addition to being able to socialize with your friends and neighbors, you can also hit the dance floor and enjoy a variety of German music, mostly polkas. There will probably be quite a few pieces that you can sing along to if you don't want to dance.

Tickets are \$14 per person. They are available from any Lion or at Sloan's Hardware, United Community Bank or the Village Salon. If none of these venues work, call Marsha Higby at 865-458-9356 to get your tickets. Because of space limitations in the Yacht Club, the supply of tickets is limited so get yours early.

This is one of three major TV Lions annual fundraising events. Proceeds are used by the club to fund a variety of service activities in both Tellico Village as well as Loudon County and east Tennessee. In the village, the TVVFD and the Library are beneficiaries; in Loudon County, Smoky Mountain Service Dogs, Iva's Place, Good Samaritan and a number of other similar organizations receive donations. A portion of these funds are used to support the various vision programs conducted by the Lions to include free glasses to indigent county residents identified thru the Good Sam Health Fairs.

In addition to buying you a great evening, your ticket also helps some less fortunate residents to improve their quality of life. Get yours now!

The photo below shows the grills and the cooks preparing the bratwurst behind the Yacht Club.

THE UNITED WAY KICK-OFF STREET FAIR IS GETTING CLOSER

The 4th Annual United Way Street Fair, which kicks-off the 2018 United Way Campaign in Tellico Village, is now only about six weeks away. This year's version will be expanded with the addition of a business fair as well as additional entertainment. Nine Tellico Village and local businesses have agreed to participate by setting up information booths where you can learn about the products and services that they offer. Some have also indicated that they will offer chances to win prizes to those who come by and get information. In addition, negotiations are underway with several car dealers to stage a new car show as well.

As in the past, roughly a dozen partner agencies (those that receive grants from the proceeds of your UW donations) will also set up information booths where you can learn more about the services they offer to your fellow residents of TV and Loudon County.

The main attraction will still be the vehicle show where members of the Corvette, Vintage/Classic Car and

Motorcycle Clubs will proudly display their vehicles. You will get a chance to vote on your favorite vehicle in each category by making a \$1/vote donation to United Way. The winners will receive a prize from UW. Additional entertainment will be provided by DJ Gary Blumel, and hopefully, the TV Singers and Footloose in TV. Since you will probably work up an appetite by visiting all the various activities, you can get a free hot dog and cookies courtesy of United Way.

This event takes place on what is scheduled to be a very busy Saturday, October 6, in Tellico Village. The Street Fair, held in Village Square, will be preceded by the annual TVCC Garage Sale, which runs from 8 a.m. – Noon, followed by the Smoky Mountain Service Dogs “Salute to Veterans” which occurs that evening. The Street Fair will occur from 11 a.m. – 2 p.m. so you have a chance to hit all three community events with no problem.

Mark your calendars and reserve the day so you can attend all the great happenings in TV and help the 2018 UW campaign get off to a great start. Your potential attendance is boosted by the fact that the Vols are not playing that weekend so you won't miss even one minute of UT Football.

PET OF THE WEEK: MEET NOEL, MEWS, AND ZIG ZAG!

Noel is a female DSH and looks very striking with her tuxedo coat and bobbed tail. She's just over 1-year old and very calm for her age. Medium sized and easily held and petted, she has a very sweet and friendly disposition and loves head and chin scratches. She would make a wonderful and loving companion.

Mews is a big friendly white and grey female tabby, and is soooo sweet and calm. She's 1 ½ years old and likes to look out her condo window and watch what's going on. She would love to have a cat tree in front of a window. She would earn her keep as a "Watch-Cat" and advise you via body language and chattering of anything unusual outside.

Zig Zag is a medium sized DLH with grey in the front and brown in the back. You might say she's a Torbie (Tabby-Tortishell). She's 3-years old and a real lover who likes lots of attention. She'll meow to get your attention and will enjoy bumping heads with you and being petted. Very calm and affectionate.

Please come and visit all our cats and kittens at the shelter, especially Romeo; he very much lives up to his name by being very handsome and lovable. Take the time to meet each cat. Pet them while they are still in their condo and let them get used to you for a few moments before you pick him/her up.

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Cats are litter box trained. \$40 adoption fee (over 2 years old) \$50 (under 2 years old).

The Monroe County Friends of Animals (MCFA) operates a monthly food pantry to help pet families in Monroe County. Our supplies are low and we are reaching out to the community to help. Any donations of canned or dry puppy and dog and kitten and cat food is needed and will be appreciated. Donations can be dropped off at the Shelter during shelter hours (see above), or at Food City in Vonore: They have a donation barrel by the customer service desk if you want to buy some food and just leave it right in the store. We thank you for your kindness and support.

Shelter Needs: Lots of scoopable/clumping cat litter (Tidy Cat), Paper Towels, Laundry detergent, bleach, Q-tips, cotton balls, and Original blue Dawn. All cleaning supplies are always needed every day!

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 and check out all available pets on our website at www.monroecountyfriendsofanimals.org
