

# TELL-E-GRAM

OCTOBER 2, 2018

## ADDING VALUE .5 MILES AT TIME

Recreation has been at the subject of many recent conversations in the last couple of months with the Wellness Center grand reopening. We are extremely pleased with the updates that were made to the facilities, which included new fitness equipment and refinishing the pool. However, these are not the only progressive actions that the Recreation Department has taken to enhance the Tellico Village lifestyle.

Other than the newly redesigned Wellness Center, there are also multiple ways to be active and enjoy the outdoors here in the Village other than the lake or golf course. We take exceptional pride in our hiking trails, which are available due largely in part to the vision of Recreation Director Simon Bradbury, as well as the dedication of the Public Works Department and several Village volunteers affectionately known as the "Chain Gang."

A special thanks for our volunteers is in order. We would like to thank Ron Hunker, Steve Shuman, Bob Sagan, Curt Mitchell, TL Ratcliff, Brian Johnson, Bob Gregory, and Gary Mulliner. Also, thank you to anyone who has helped and is still helping out with this massive undertaking, and for helping to make the Village a better place.

Tellico Village currently has around 13 miles of hiking trails including those in Kahite, with plans to continue expansion of the trail network. Recreation Director, Simon Bradbury, has plans for over 20 additional miles of trails in the future.

Recent expansion includes a one mile extension onto the current Toqua trail connecting it to 444 where it will go under the bridge and connect to the Powerline trail. This trail will take you all the way to the POA office. At the Wellness Center, the Chain Gang Break Trail was recently completed with the addition of .37 miles.

Although I've been to many ribbon cuttings and trail openings, I did not have the opportunity to take advantage of the trails until recently. My wife and I finally got the chance to go out and experience them ourselves. I was thoroughly impressed with the hard work of all those involved in creating these trails. They have created a network with a wide range of trail types, from natural to paved, that will please every level of hiker. To have amenities like these readily available so close is something that we shouldn't take for granted. As we head into cooler weather and the leaves proceed to change, I encourage you to try one of our many trails and enjoy the natural beauty of Tellico Village.

## TELICO COMMUNITY PLAYERS

### Tickets on sale for Tellico Players October drama, Outside Mullingar

Reserved seats at \$21 for the Tellico Community Players October drama Outside Mullingar are on sale on the Players website [www.TellicoCommunityPlayhouse.org](http://www.TellicoCommunityPlayhouse.org). (Click on tickets to purchase.) Play dates are Thursday-Saturday, October 4-6 and Thursday-Sunday, October 11-14.

John Patrick Shanley's Tony-nominated play is set in rural Ireland and loosely based on Shanley's Irish ancestors. It's a tale about two lifelong introverted misfit-neighbors who grow into adulthood caring for aging parents.

Anthony Reilly (Russ Rinehart) and Rosemary Muldoon (Sauni Rinehart) each represent their own dilemmas. Anthony has spent his entire life on a cattle farm in rural Ireland, a state of affairs – due to his painful shyness – that suits him well. Rosemary lives right next door, determined to have him, and watching the years slip away. Rosemary's mother Aoife (Efa) Muldoon (Doris Ryan), is ailing, but she is a sharp, straight-shooting "old bird" who doesn't suffer fools gladly.

With Anthony's father Tony (George Arwood) threatening to disinherit him and a land feud simmering between their families, Rosemary has every reason to fear romantic catastrophe. But then, in this very Irish story with a surprising depth of poetic passion, these yearning, eccentric souls fight their way toward solid ground and some kind of happiness.

"Outside Mullingar is a compassionate, delightful work about how it's never too late to take a chance on love," says Dennis Loy, the play's director. "The journey of these folks is heartbreaking, full of Irish humor, and ultimately deeply moving."

Sue Aukerman is assistant director and Don Morton is producer of the show.

## UPDATED TDOT INFORMATION

The contractor for TDOT started work on Sunday night September 30 to lay down asphalt in low spots along Highway 444. Beginning Monday night, working from 9PM to 6AM Sunday through Thursday, the contractor will start actual paving of the main lanes. After the main lanes are paved the contractor will come back and pave the shoulders. For the engineers in the Village, the process starts with a sprayed tack coat. This acts as a primer to help the asphalt bond to the existing highway surface. The new asphalt, called D-Mix, will be 1.25 inches thick. This is the same durable asphalt used on interstate highways. The contractor should be able to pave about two miles per night and if there are no further rain delays they should be finish in about two weeks. After the paving is completed, another contractor will replace most of the galvanized guard rail with the brown powered coated guard rail. **Other Village paving includes;** Tanasi parking lot will start Sunday night and should be completed Monday night if all goes well. Toqua and Chota will start Wednesday the 10th if everything goes as planned.

# BLESSING OF THE ANIMALS SERVICE, BENEFITING ANIMAL SHELTERS

With purr's, barks and even bird chirps, a unique event will occur on October 3rd beginning at 12/noon. That date and time has been set for the annual Blessing of the Animals at the Tellico Village Tugaloo Pavilion. It will be a special day and this year the Community Church at Tellico Village and Shepherd of the Lake Lutheran Church are joining together to perform the service. "What a fun day we're expecting on October 3rd! Blessing our furry friends brings us all lots of joy and helps bring our community together. Additionally, assisting the local animal shelters is also immensely important", said Sr. Pastor Steve Prevatte. This event will also benefit and help support the Loudon and Monroe County Animal Shelters. Everyone is asked to donate and all pet food contributions that day will be donated to the shelters. These contributions make a huge difference in the financial budget at each location. Pastor Ingrid Schalk from the Shepard of the Lakes stated: About this time each year, people start asking, "When is the Blessing of the Animals???" They don't want to miss it. I look forward to this event each year as well. So many in our community have beloved pets who accompany them each day - God's wondrous creatures who bring joy and love, comfort and companionship. They are truly a blessing in our lives. Blessings will abound for all our furry friends (and their companions) on Oct. 3. I'll see you there! It is important to note that all pets must be on a leash for the service. The Community Church at Tellico Village is an inter-denominational church, welcoming all faiths with services on Sunday at 8:00 a.m. and 10:15 a.m. This year they are celebrating 30 years serving the local communities in Loudon and Monroe counties. ## **BICYCLISTS - TOUR DE TELLICO — RIDE FOR CHARITY - OCTOBER 6**

Village bicyclists, join us for a beautiful ride on back country roads. Saturday, October 6, the Tellico Lake Rotary Club will sponsor the 13th annual Tour de Tellico bicycling event. Cyclists of all levels will come to Tellico Village and ride the beautiful back roads of East Tennessee. This year we continue to offer four challenging rides to match rider's skill level. For the casual cyclist we offer our popular and easy 25k (15 mile) and the more challenging 50k (30 mile). For the experienced cyclist we offer two popular distance rides: the Metric 100k (62 mile) and the Century 100 mile. Many cyclists from East Tennessee consider our ride to be the best run biking event in the area. It includes a light breakfast, well stocked rest stops, and our famous smoothies for lunch.

So mark your calendar and plan to be part of our "Ride for Charity" event. Early registration is \$40 and the "Tour" begins at the First Baptist Church of Tellico Village. Our website [www.TourdeTellico.com](http://www.TourdeTellico.com) contains all event information for registration, as well as course routes and their associated grade charts. The Tour de Tellico is the major fundraising event for the Tellico Lake Rotary Foundation, a 501(c)(3) non-profit organization. All event proceeds go directly to help people of our club's charities, primarily local in Loudon and Monroe counties. The Tellico Lake Rotary Club would like to thank all our riders and sponsors for their support through the years. We especially recognize our major sponsors: Provision Proton Therapy, First Baptist Church of Tellico Village, and Community Church of Tellico Village.

# THE UNITED WAY KICK-OFF STREET FAIR IS GETTING CLOSER- OCT 6

The 4th Annual United Way Street Fair, which kicks-off the 2018 United Way Campaign in Tellico Village, is now right around the corner. This year's version will be expanded with the addition of a business fair as well as additional entertainment. Nine Tellico Village and local businesses have agreed to participate by setting up information booths where you can learn about the products and services that they offer. Some have also indicated that they will offer chances to win prizes to those who come by and get information. In addition, negotiations are underway with several car dealers to stage a new car show as well.

As in the past, roughly a dozen partner agencies (those that receive grants from the proceeds of your UW donations) will also set up information booths where you can learn more about the services they offer to your fellow residents of TV and Loudon County.

The main attraction will still be the vehicle show where members of the Corvette, Vintage/Classic Car and Motorcycle Clubs will proudly display their vehicles. You will get a chance to vote on your favorite vehicle in each category by making a \$1/vote donation to United Way. The winners will receive a prize from UW. Additional entertainment will be provided by DJ Gary Blumel, and hopefully, the TV Singers and Footloose in TV. Since you will probably work up an appetite by visiting all the various activities, you can get a free hot dog and cookies courtesy of United Way.

This event takes place on what is scheduled to be a very busy Saturday, October 6, in Tellico Village. The Street Fair, held in Village Square, will be preceded by the annual TVCC Garage Sale, which runs from 8 a.m. – Noon, followed by the Smoky Mountain Service Dogs "Salute to Veterans" which occurs that evening. The Street Fair will occur from 11 a.m. – 2 p.m. so you have a chance to hit all three community events with no problem.

Mark your calendars and reserve the day so you can attend all the great happenings in TV and help the 2018 UW campaign get off to a great start. Your potential attendance is boosted by the fact that the Vols are not playing that weekend so you won't miss even one minute of UT Football.

# LONG RANGE STRATEGIC PLAN UPDATE

## Long Range Planning Advisory Committee

Over 40% of Tellico Village property owners completed the Long Range Strategic Plan (LRSP) Questionnaire. This level of participation is unprecedented and the Long Range Planning Advisory Committee (LRPAC) wants to thank all you who took the time to help, "Shape Our Future". This input will be an important element in the committee's final recommendations to the POA. The final LRSP will include other sources of information including data analysis and forecasting, benchmarking other active adult communities, focus groups, and much more. We are still analyzing the results which include reviewing over 1,900 comments. As promised, one of the basic tenets of the LRPAC is communication and transparency. Therefore the LRPAC will now share some partial and preliminary results.

### Vision

- 61% of respondents chose the following vision statement: Maintain what we have, adding amenities only when needed and justified. Assessments and fees will be raised only enough to pay for infrastructure maintenance and justified amenities.
- 33% of respondents chose the following vision statement: Tellico Village will set the standard for active adult communities by continuously improving our community and by adapting to our property owners' changing needs. Assessments and fees will be increased to achieve a best in class community with a high-quality lifestyle but remain competitive and fiscally stable.
- 5% of respondents chose the following vision statement: Maintain the Village as it is without adding additional amenities or expanding existing facilities. Assessments and fees will only be increased for existing infrastructure maintenance and inflation.
- The "Vision" results were similar across age and residency bands.
- 51% of respondents want to keep TV primarily as a retirement community and 38% supported encouraging working adults and families to move into TV.

Date: Monday, October 8, 2018

Destination: Indian Boundary Lake Loop

Distance: 3.1 mile loop

Elevation change: minimal

Rating: Easy

Time: 8:00 a.m.

Location: Car-pooling from Chota Center parking lot across from the village gas station.

Drive Time: One hour

Drive distance: 45.5 miles

Hike Leaders: Joe and Jeannie Neary, 330 807-5991

joeneary2378@gmail.com, Jeannieneary9@gmail.com

Hike Description: Those looking for an easy hike will enjoy this 3.1 mile relatively flat trail which loops around Indian Boundary Lake, which is in the south zone of the Cherokee National Forest off the Cherohala Skyway. The trail has picturesque lake and mountain views. Following the hike, we will have lunch at Tellico Kats Deli, located at 1829 Cherohala Skyway.

After lunch, first timers should stop at the Cherohala Skyway Visitor Center in Tellico Plains to learn more about what the area has to offer. The Cherohala Skyway is a 43 mile National Scenic Byway which goes from Tellico Plains to Robbinsville, N.C. Next to the visitor center is the Charles Hall Museum, which contains an eclectic display of historical artifacts collected by the former mayor of Tellico Plains. There is no admission fee for the museum, which is housed in two separate buildings.

Driving directions: Take Tellico Parkway south to Hwy 72. Turn left onto Hwy 72 and proceed to Hwy 411 at Vonore. Turn right onto Hwy 411 and proceed south to Madisonville. Take the Hwy 68 off ramp in Madisonville. Turn left onto Hwy 68 towards Tellico Plains. In Tellico Plains, turn left onto TN 165/Cherohala Skyway (approximately 12 miles from Madisonville) and drive 14 miles to the Indian Boundary Lake turnoff (Forest Road 345). Turn left onto FR 345. In 1.3 miles, FR 345 branches. Take the left branch to the stop sign. Turn right at the stop sign and follow the road 1.1 miles to the swimming beach parking area. Restrooms are available at the parking area.

In the event of a situation requiring medical intervention during a hike, we suggest that each participant wear their Name Tag and bring a Photo ID (generally driver's license) and Medical Information cards (Health Insurance Card or Medicare + supplemental Health Insurance Cards)

Cost: Passengers are asked to contribute \$6 to the driver to help cover gas. Also, there is a \$3.00 per day usage fee to park at the lake.

## PET OF THE WEEK: IT'S TABBY TIME!

Meet Jellybean, Dahlia and Wendy (with the spectacular tail).

Jellybean is a 2-year-old brown tabby who is very social but a bit scared in his condo. He has beautiful light green eyes, with 4 white paws and a white bib. He loves to get attention, especially chin scratchin's and will make you bunches of biscuits with his kneading. He gives little love nips on occasion that may be stress related.

Dahlia is a beautiful and friendly Torbie (Tortishell/Tabby combo). Tortishell's have a little spirit and zip to them while tabby cats are pretty cool and laid back....a Torbie is the best of both. She is about 1 year old, a bit shy, but she loves to roll around for attention. Dahlia enjoys being held and can be quite talkative at times -Will you be her partner in these important conversations? She promises to keep any secrets that you tell her. She is ready to go home-her bag is packed and ready....

Wendy is a gorgeous brown tabby, about 6 years old. From her photo, she appears to be a short hair.....until you see her big, beautiful, bushy tail! She is momentarily reserved upon first approach but then comes right up to your hand for pets. She enjoys being petted and loved on and is very much a lady. She will be a wonderful addition to any home.

Please remember their true purrsonality may not show through immediately in the shelter environment. Their condo is now their "safe place" and some struggle a bit when removed from it. Take the time to meet each cat. Pet them while they are still in their condo and let them get used to you for a few moments before you pick him/her up.

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Cats are litter box trained. \$40 adoption fee (over 2 years old) \$50 (under 2 years old).

Shelter Statistics for last week: Intakes-36; Shelter Adoptions-17; Transferred to Rescue-8 dogs; and 2 dogs were returned their very grateful owners.

Shelter Needs: Pedigree dog and puppy canned and dry food. Friskies canned pate flavors, Purina One dry cat and kitten food. Donations vial PayPal can be made from our website [www.monroecountyfriendsofanimals.org](http://www.monroecountyfriendsofanimals.org) or checks mailed to MCFA, PO Box 106, Vonore, TN 37885. All funds are used for animal care including veterinarian fees, antibiotics, testing, vaccinations, flea and heartworm control, cat litter and sanitary litter boxes.

SNAP (Spay Neuter Assistance for Pets) offers free vouchers to qualifying families for a spay or neuter procedure at participating local veterinarians. The next voucher session will be held Saturday, October 6th, at the Sweetwater City Hall, 10-11am. Vouchers are available to qualified Monroe County residents.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 and check out all available pets on our website.
