Hike White Oak Sinks and Spruce Flat Falls April 24

The Tellico Village Hiking Club will depart 8 a.m. Wednesday, April 24, from Chota Center, to hike:

- White Oak Sinks and Spruce Flats Falls

- Distance: Approximately 4 miles (White Oak Sinks) and 2 miles (Spruce Flats Falls)
- Rating: Easy
- Driving time: 1.25 hours
- Leader: Tom Ringenbach, 865- 458-0915 or tommamie@charter.net

The White Oak Sinks trail is not an official Smoky Mountain Park trail but it is one of the three or four best trails in the Park for viewing wildflowers. One can expect to see the floor of the Sinks covered with purple phlox. It is also one of the few places in the Park where you can see shooting stars and blue bells. If the time is correct, we may also see yellow lady slippers. It can be a very exciting wildflower hike. There is also an unusual “disappearing” waterfall and the “Bat Cave!”

We are also offering an optional 2-mile hike that starts just down the road at the Tremont Institute. The highlight of this short hike is the Spruce Flats Falls, which are a very nice scenic destination for this hike.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to www.tvhikers.com.

Blessing of the Fleet April 27

The Tellico Cruising Club is sponsoring a Blessing of the Fleet open to all vessels on Tellico Lake. After the ceremony, join the revelry at the Tellico Village Pavilion on Tugaloo Lane for food, drinks, and friendship (the cost is \$6 and you are asked to bring a dish to share). For more information, contact Romano Sims, simsro@charter.net or 865-408-9356; or Gary Gilbert, glgilbert@gmail.com or 865-408-0809.

The Blessing of the Fleet is a tradition that began centuries ago in Mediterranean fishing communities. The practice is predominantly Catholic and a blessing from the local priest was meant to ensure a safe and bountiful season. However, both the ancient Greeks and Romans held elaborate ceremonies when their ships were christened, not much different from our ship launches of today. Parties were held, toasts of wine to the honored deity, a blessing from the high priest, and water poured over the boat, were the basic events of the ceremony. Any deviation from these events was considered a bad omen, with the result being a tragedy at sea. Poseidon, who was considered the God of the sea, as well as earthquakes and horses, was a favorite of the Greeks to ask for protection. The Romans preferred Neptune, who was also considered a God of the sea. Some Native Americans, who painted symbols or animals on their canoes, also held launch ceremonies consisting of feasts, prayer and blessings.

Dam Bridge Update: Lane Closure

Editor's Note: Your POA staff encourages you to use extreme caution because the new traffic patterns are tricky to maneuver and there is heavy congestion.

Consider using the south entrance of the Village to avoid any mishaps and delays.

According to Don Miller: "... the Southbound Lane of US 321 at the Dam will be closed from 8 p.m. Friday, April 19, until noon Monday, April 22, for TVA to do some core drilling. Previously it had been indicated that this was going to happen this past weekend."

The contractor continues to work in all areas. They are continuing to haul borrow material to all fill areas and install storm drain pipe when the required grades are met. Construction of bent #2, phase 1, on the railroad bridge is complete and work on bent #1 will begin immediately. The utility contractor is continuing work on the water and sewer installation. They have completed two water line crossings and one sewer line crossing and have one sewer line crossing remaining on SR 73/Highway 321. For more information, go to www.tdot.state.tn.us/sr73/. In early June, Elm Hill Road will need to be closed to through-traffic for approximately 6 to 8 weeks in order complete fills at the intersection of SR73.

TVLGA-18 Celebrates 25th Anniversary with Opening Day Scramble

Cold morning temperatures did not stop the ladies of the Tellico Village 18-Hole League from participating in the Opening Day Scramble at Tanasi on Tuesday, April 2. This day also marked the 25th anniversary of the formation of this women's golf league. Several members wore retro golf attire to celebrate this occasion.

Vice-President, Janet Kincaid, has planned several events for this season that are fashioned after games played during that first season 25 years ago.

The 9-hole scramble was followed by a luncheon and trunk show at the Yacht Club. Vendors exhibiting new merchandise were Adidas, EP, Sun Mountain, and Foot Joy.

Winners of the scramble event were:

- Front 9
 - Linda Arbuckle, Jean Clesen, Sandra Douglas, and Anne Parkhill
- Back 9
 - Nancy Brown, Angela Richardson, and Bonnie Wood
- Winners of Closest-to-the-Pin were Jean Clesen and Vicki Schwerdt.

During the luncheon, Hole-in-One Awards were presented to Mary Kreyer, Atie Rotmeyer, and Marty Raque, who each scored aces during the 2012 season. Mary Kreyer had her hole-in-one on April 16 on hole #5 at Toqua, Atie Rotmeyer scored her hole-in-one on May 5 on hole #5 at Kahite, and Marty Raque also aced hole #5 at Kahite on Dec. 13.
