## Survey Coming for 100 Residents

Last month, Margie Casey of [RealEstateScorecard.com](http://RealEstateScorecard.com) visited Tellico Village. She visits communities all over the southeast each year and rates them for her website. They also ask residents of those communities to respond to a survey in order to hear what the people who live there say.

Approximately 100 resident households will receive a survey in the mail this week from [RealEstateScorecard.com](http://RealEstateScorecard.com). We are encouraging residents to fill those out and return them as soon as possible. These ratings will be reflected on the RealEstateScorecard.com website.

Thank you for helping out your community.

## Give the Gift of Life for Mother's Day

Would you save the life of a mother and her babies from tetanus for \$1.80? You can through the Kiwanis ELIMINATE Project. A baby dies every nine minutes from tetanus; that's 180 babies a day. The babies die in agony. The death spasms are so horrific that they break the baby's bones. Tetanus spores are in the ground in every country in the world and in poor countries, where clean proper maternal care is not available, more than six babies die of tetanus every hour. The mother cannot even hold her baby to comfort her, because her touch is agony. But you can help us ELIMINATE tetanus.

Kiwanis International has pledged to raise \$110 million to ELIMINATE maternal and neonatal tetanus worldwide and save or protect more than 61 million women and their future babies. With your help we can do this. Kiwanis has already raised \$24.5 million. Twenty years ago Kiwanis eliminated iodine deficiency disorders by raising \$100 million. In this effort, Kiwanis has partnered with UNICEF to deliver three inoculations to mothers of child bearing age to immunize the mother and her children through the mother's child bearing years for \$1.80.

Please give the gift of life this Mother's Day in honor of your mother or wife and help us save countless mothers and their babies from the horrors of tetanus. Your donations are tax deductible. Make your checks payable to Kiwanis Foundation – ELIMINATE and mail to Mike Cottle, 324 Mingo Way, Loudon TN 37774. If you will designate someone (e.g., your mother, wife or daughter) Kiwanis will keep a permanent record of your donation.

## Bass Tournament May 18

Why do people go fishing? For some it's for food, for others it's the challenge, the outdoors experience or the competition. This Armed Forces Day, fishermen from our community will have a special reason for fishing: They'll be "Fishing for Freedom."

"Fishing for Freedom" is the first annual bass tournament sponsored by Smoky Mountain Service Dogs (SMSD), an organization that provides mobility assistance service dogs to our area's disabled veterans at no cost. "We hope that on Armed Forces Day fisherman will come out and help us assist those that have sacrificed so much to serve us," said SMSD's chairman, Mike Kitchens.

"Fishing for Freedom" will kick off 7 a.m. Saturday, May 18. There will be an entry fee of \$60 per boat and prizes that range from \$50 for fifth place to \$1,000 for first place. "We will also have an optional \$10 lunger fee," Kitchens explained, "with all lunger fees going to a single winner."

The event will start at the Tellico-TVA boat ramp, which is between the Fort Loudoun Dam and the Tellico Bridge at the intersection of Highway 321 and Tellico Parkway (Highway 444). For additional information, contact Mike Kitchens, 865-408-3070 or at [rmkitch1@charter.net](mailto:rmkitch1@charter.net)

The Art Guild of Tellico Village's monthly meeting will be held 9:30 a.m. Thursday, May 16, on the top floor of the Yacht Club. Guild members and guests are encouraged to attend. Cornett describes himself as a "modern/postmodern abstract expressionistic painter working in oil." He is fascinated by the perception of time and frequently explores through

his art the relationship between creation and destruction. He encourages viewers to bring their own interpretations to his pieces and enjoys exposing audiences to new perspectives. He cites British painter/print-maker Howard Hodgkin, American artist Terry Winters, and master Vincent van Gogh as major artistic influences.

Cornett has been the Art Director of the Art Society of Knoxville since February 2012. He has exhibited at the Knoxville Museum of Art and routinely shows at Gallery 133 and The Art Galleria (Knoxville).
