(Continued from page 3)

This is a great hike on land originally acquired by TVA as part of Norris Dam, on trails developed by the Civilian Conservation Corps in the 1930s. The hike begins on scenic Clear Creek at a historic gristmill and follows along a stream before rising to a view atop Reservoir Hill and Observation Point where the view is beautiful, looking northwest to Norris Dam, with the Clinch River flowing below, and the Cumberland Mountains rising in the background. Towards the end of the hike, we will be on a narrow trail, where the view is the high point of the hike, for those who just want to take pictures.

Learn About the Lions Club March 12

The Tellico Village Lions Club invite you to learn more about the organization, 10 a.m. Tuesday, March 12, in the Chota Recreation Center. Lions International is the largest service club in the world and are leaders in the fight worldwide against blindness, diabetes, and measles.

Here in Tellico Village, we have fun working together on meaningful projects that serve our community. Our club buys eye exams and glasses for the needy, visits schools and day care centers to test vision, and collects old eyeglasses for re-use.

In the Village, we contribute to the fire department and the public library, while participating in such activities as the July 4 Patriotic Celebration, Christmas tree lighting, and the 25th Anniversary parade.

Our signature fundraisers are the Oktoberfest and Chili and Soup Dinner as well as a Golf-for-Sight outing in the spring. These are major social events for the Village and a joy for us to work on. The money we raise goes to such local groups as Second Harvest and the Good Samaritan Center. We support diabetes and Alzheimer's research, we contribute to specific Lions charities like volunteer blind industries and the East Tennessee eye bank. All in all, your support enables us to give more than \$16,000 to worthwhile local charities each year.

To learn more about the Lions, come to our information session in March—you'll be welcome and learn about a truly great organization!
