Website Up, Running, Attracting Traffic

Tellico Village's new website is up and running, and it is attracting lots of initial traffic. Villagers have been checking out the new look and features of TellicoVillage.org and clicking on the various areas to explore.

Villagers are encouraged to share the website with friends and family around the world. One of the objectives of the marketing plan is to lift Tellico Village's awareness as a great place to live. By sharing the website, Villagers can positively contribute to achieving that goal.

Logging into the property owner area

Property owners can log into the TVPOA specific website by clicking on the POA Login button on the TellicoVillage.org website. Once you are on the login page, enter your username that you established before and your password. Your password was originally set up as your 7-digit POA member number. If you have ANY difficulty logging in, please don't hesitate to call Patty Robichaud at (865) 458-5408, ext. 4115 or John Cherry at ext. 4105.

If you click on POA Login and it is your first time on the site, you will need to register by establishing your username and password. Again, please don't hesitate to contact Patty or John with questions about registering or logging in.
