### Art Guild Displays Exhibit - "Beyond the Comfort Zone" - Feb. 1-3

The Art Guild of Tellico Village (AGTV) has embraced a theme this year set forth by their President, Laurie Szilvagy. A select group of artists have taken the challenge to work out of their comfort zones and create artwork aligning with inspiration, innovation, collaboration and exploration. An art exhibit entitled "Beyond the Comfort Zone" will be held at the Rarity Bay Community Center Gallery located at 150 Rarity Bay Parkway, Vonore, Tennessee 37885. The exhibit opens with a reception 6:30-9:30 p.m. Friday, Feb. 1, and will be open to the public noon-3 p.m. Saturday and Sunday, Feb 2 and 3.

During all three days, a Gallery Talk will be provided by Laurie Szilvagy, and several artists will be available to share their project experience as well. As part of this installation, a video will be shown demonstrating the Learning Lab for Artists which produced a collaborative piece of art. This acrylic landscape painting is filled with texture and will be available for purchase in a silent auction format.

The Guiding Principles and Learning Lab for Artists were developed by Laurie Szilvagy with the intention of stimulating creative growth and installing an unusual exhibit. Laurie has an extensive fine art background as well as a business career in quality management. Together with Kim Wood, V.P. Programs, and the AGTV Board, they
