Kiwanis Hosts Breakfast to Benefit Kids April 6

Kiwanis Club of Tellico Village is hosting its semi-annual breakfast/brunch 7:30-11:30 a.m. Saturday, April 6, in the Tellico Village Community Church's Christian Life Center. Don Fraley, Project Chairman, invites everyone to loosen their belts and join their friends. Ticket prices are:

- Adults: Advanced purchase - \$8; at the door - \$9
- Children: 12 and under are free

Tickets may be purchased from members of the Kiwanis Club, or call Chuck Sanford, 865-408-2339; or Jack Litzenberg, 865-458-3514. Tickets are also available at two Tellico Village banks; First National and United Community Bank.

The menu is diverse and exceptionally delicious. It ranges from pancakes and quiche to sausage, fruit, and yogurt accompanied by all of the coffee, milk and juice you can drink. Wampler's Sausage and Mayfield Dairies are major sponsors.

The Kiwanis Club of Tellico Village is dedicated to Serving the Children of the World. Presently, one baby dies every nine minutes from tetanus and you can help. Help us and UNICEF by supporting the ELIMINATE PROJECT—special appeal where a donation of \$1.80 can spare the life of an expectant mother and her children from the excruciating and painful ravages of maternal/neonatal tetanus.

Each year, tetanus kills millions of mothers and their babies. Fortunately, medical science has developed a vaccine which will ELIMINATE this deadly disease. Until now, this lifesaving vaccine was not available in developing countries where this dreaded killer threatens more than 65 million women and their newborns.

Our Tellico Village club has pledged to do its part, but to fully do so we need your help. If \$1.80 can save one life, then \$18 would spare 10 lives. Just imagine how many could be saved if each TV household would join with us in this effort.

The Club will be accepting tax deductible donations throughout the year. Checks should be made payable to: TV Kiwanis Foundation, mark it for "Eliminate Project," Mail to: Mike Cottle, Treasurer, 324 Mingo Way, Loudon, TN 37774.

The TV Kiwanis Club sincerely invites your generous donations to protect the lives of women and babies too poor to protect themselves.

Branches of Monroe County Fashion Show, Luncheon, Auction April 13

Branches of Monroe County will hold a spring fashion show and luncheon 11:30 a.m. Saturday, April 13, at the Vonore Baptist Church Life Center in downtown Vonore. There will also be a silent auction with many items donated by the community to help fund this very important and much needed facility in Monroe County. Tickets are \$15, and the price includes lunch, the fashion show, silent auction and door prizes. There will also be clothing available for purchase at the event. Get some friends together for an enjoyable afternoon. To purchase a ticket, contact Rose Howard, 423-884-2673; or Rachel Kohn, 423-836-3166. To visit the Gallery Boutique or to donate items, the address is 106 Main Street in Madisonville. For more information, go to www.branchesofmonroe.org.

This year all the clothing worn by the models will be from the Gallery Boutique. The Gallery Boutique offers upscale, gently used clothing and also home decor items for resale.

Branches of Monroe County offers transitional housing for women and children in crisis. Located in Madisonville, Branches started as the vision of Denise Hill. The facility is largely funded by generous donations from the community and by the Thrift Store and Gallery Boutique. In addition to housing, Branches provides counseling, life skills and job search assistance to enable residents to return to self-sufficiency.

Branches has been in existence for 3.5 years and Ms. Hill's ultimate goal is to open a shelter for abused women, something that has not existed in Monroe County for more than 10 years but is desperately needed. Because of all the hard work of Ms. Hill and many local volunteers and generous donations, that dream may come to fruition before the end of this year. This fashion show is a major fundraiser for Branches and its success will insure that happens. Please help us out by buying a ticket.

For more information, contact Romano Sims, simsro@charter.net or 865-408-9356; or Gary Gilbert, glgilbert@gmail.com or 865-408-0809

The Blessing of the Fleet is a tradition that began centuries ago in Mediterranean fishing communities. The practice is predominantly Catholic and a blessing from the local priest was meant to ensure a safe and bountiful season. However, both the ancient Greeks and Romans held elaborate ceremonies when their ships were christened, not much different from our ship launches of today. Parties were held, toasts of wine to the honored deity, a blessing from the high priest, and water poured over the boat, were the basic events of the ceremony. Any deviation from these events was considered a bad omen, with the result being a tragedy at sea. Poseidon, who was considered the God of the sea, as well as earthquakes and horses, was a favorite of the Greeks to ask for protection. The Romans preferred Neptune, who was also considered a God of the sea. Some Native American, who painted symbols or animals on their canoes, also held launch ceremonies consisting of feasts, prayer and blessings.
