Spence Field Hike June 26

The Tellico Village Hiking Club will depart 8 a.m. Wednesday, June 26, from Chota Center to hike:

- SPENCE FIELD FROM CADES COVE

- Distance: 10.5 miles round trip
- Rating: Strenuous
- Driving time: 1.25 hours
- Leader: Hamish deWilde, 860-716-4016 or signal53@aol.com

This trail begins at the circular parking area of the picnic area at Cades Cove. Spence Field is quite a challenge. The trail is very rocky and steep but the rewarding view at Spence Field is well worth the effort. Most of the guide books describe the trail as one of the most rewarding in the park. A good supply of water and high energy food is needed especially if the weather is hot. We should arrive at Spence Field in time for lunch. At the shelter near Spence Field, there is a spring, but the water needs to be treated. Hiking pole(s) are very helpful on this hike.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike.

Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to www.tvhikers.com.

Village Neighborhood Brush Removal Schedule

Brush should be at least three feet long, no more than six inches in diameter, and free from any metal objects. Piles should be placed along the street right-of-way in front of your home the week prior to scheduled pick-up. No household trash, building material nor metal items will be picked up. Public Works does not remove brush left by landscapers. Reputable landscapers clean up and remove the brush they generate as part of the service.

If you have any questions about the procedure on brush pick up, call the Public Works office, 865-458-4522.

Brush/Leaf Schedule

The schedule begins the first full week of each month (leaves November-February, brush March-October):

- **Week 2:** Toqua Hills, Toqua Greens, Toqua Shores, and Toqua Point neighborhoods
- **Week 3:** Toqua Coves, Chota Shores, and Tanasi Neighborhoods
- **Week 4:** Chota Hills, Chota Woods, Tommotley, and Coyatee neighborhoods

Brush Dumping Prohibited in Village

The 8-13 year olds drew a picture of a Trilobite (three-lobe fossil), read a Trilobite story, dug for and identified fossils, played Fossil Hang Man, completed a Trilobite-based poem, and made their own fossils.

Tellico Village Team Competes in Knoxville Interclub Golf

Competition is underway for the 2013 Knoxville Interclub golf season. This organization consists of eight golf clubs: Beaver Brook, Cherokee, Fox Den, Green Meadow, Holston Hills, Gettysvue, Oak Ridge, and Tellico Village.

During the season, matches are set for each club to host a competition.

Each club sends a team consisting of their four lowest handicap golfers who are available to play the scheduled tournament. Participants vary for each match due to changing handicaps and availability, but the Tellico ladies do a great job of keeping interclub dates open and are ready to play when needed.

Stableford scoring is used and there is a gross and net result for each match. The points for each match are accumulated and awards are given for gross and net at the conclusion of the season.

The Tellico team was represented by Peyton Ritchie, Dee Prickett, Norma Burt, and Bonnie Wood on June 11 at Gettysvue, where they finished first in scratch division, and second in the accumulated scratch scoring to date. In the accumulated handicap division, the Tellico team is currently in first place.

These players are doing a fine job representing Tellico Village!
