POA Survey Online Soon

Attention Villagers: There is survey information included in the Fall edition of the Board newsletter which will hit your mailbox sometime in the next couple of weeks. Inside the newsletter you will find information on several programs and subjects from the POA Board perspective.

The center page of the newsletter is a bright green sheet of paper inviting you to participate in the POA survey. This survey is online and quite easy to do. The bright green page has a unique username and password you will need to access the survey. I hope you all take the opportunity to provide survey data and feedback to the POA so we can continue to make Tellico Village a vibrant and active community.

Any problems at all in accessing or completing the survey, call the Public Relations office at (865) 458-5408, ext. 4105 or 4115, or call toll free 1-866-983-5542, ext. 4105 or 4115. Feel free to stop by our offices at 112 Chota Center anytime Monday through Friday, 8 a.m. to 5 p.m. to get assistance filling out the online survey. Make sure to bring your username and password page from the Board newsletter with you.

Online survey not your bag? To order a paper copy of the survey, call (865) 458-7090 and leave your name and address. We will mail you a survey you can complete and return to the POA. If you are close to our offices, you can stop by to pick up a paper version.

The survey will remain open until at least mid-November. The Board plans to communicate the results sometime in early 2014.

Women's Club Home Tour Nov. 3

Homes with Man Caves and Entertainment Areas to Die For

Each of the four impressive English Tudor style homes on tour this year have different decors and each have great entertainment and man cave areas. One home's lower level is designed for entertaining and reflects the home owners' love for their Harley Davidson's and the memories the bike rides have created. This entertaining Mecca is adorned with a full-sized bar, complete with a Margarita machine, pub table and stools, pinball, pool table and a poker table all finished with the Harley Davidson motif.

Another home's upper level, made for entertaining, combines the bar room with a lounge, game table and music room facing the lake.

In a third home, the lower level has an English Pub atmosphere. There is a stone fireplace, a bar with kitchen amenities like wine cooler, microwave, dishwasher and sink. There is a game table and pool table for play.

In the fourth home, as you enter the lower level, you will find beautiful woodwork and a space filled with rustic sophistication. The bar was designed around a jukebox that is filled with old 45s. This room will definitely let you know that you are living in the foothills of the Smokies.

Join us for the home tour at WindRiver Community, 1-5 p.m. Sunday, Nov. 3. Tickets (\$12) are now available from any club member or at these Tellico Village outlets: United Community Bank, More Than Mail and The Village Salon.
