General Manager's Report for March

By Winston Blazer, General Manager

Board Greenlights Toqua Pavilion

At their Board meeting last week, the Tellico Village Property Owners Association Board of Directors authorized the dollars to move forward on the new pavilion at Toqua Golf Course. This project also adds 40 parking spots to the Toqua parking area.

The Board authorized \$422,729 for the work to be done by Solid Construction. Combined with \$28,000 previously authorized for architectural and design work, the Board authorized a total of \$459,793 to come from the Amenities Reserve Fund.

This project builds an 80' x 50' pavilion with rest rooms, limited kitchen facilities, furniture and fixtures. The pavilion will also serve as the halfway house for the turn on the Toqua Golf Course. Forty additional parking spaces are added by this project, and a small section of cart path is relocated to accommodate the addition. This facility will accommodate up to 150 people and enhance the capabilities of Toqua to serve golf tournaments, recreation outings and other special events.

Four bids were received ranging from \$422,729 to \$909,008. Four additional bids were requested, but were not submitted. The Golf Advisory Committee, Finance Advisory Committee, Facilities Implementation Committee and the Toqua Pavilion Project Implementation Committee all participated throughout this thorough process to get to this point.

Groundbreaking will be soon, and Jeff Gagley tells me it will be ready for prime time in 60 to 90 days after that, weather permitting. Our golf community and our Villagers looking for another location for get-togethers will all benefit from this project.

Thank you to all those volunteer committee members and hard-working staff members who contributed to the progress of this project.

POA to Operate Kahite Restaurant Awhile Longer

The Tellico Village Property Owners Association, under the direction of the golf operations department, has been successfully operating the Kahite restaurant since mid-December when Marty Turpin departed to pursue other interests.

In early January, the POA sent out a request for proposals for an outside contractor to operate the restaurant. Seven interested parties responded by early March. We evaluated all the responses and have determined that it would be in the best interest of the POA to continue to operate the restaurant for at least the rest of this year. We have determined that we did not have complete and accurate data on the financial aspects of operating the restaurant. Operating the restaurant for this period will allow us to compile accurate financial information to re-asses the bid process in 2015.

The golf operations department will continue to provide the membership with quality food and beverage services, including breakfast, lunch and servicing special events (such as tournaments and parties).

Farewell to Mark Wickenden

I want to take this opportunity to say farewell and thank you to one of our employees who is leaving Tellico Village. Mark Wickenden has been an integral part of the golf world here in the Village for more than a decade. He leaves us this week to return to his native Australia.

Mark has always done a great job whether it's giving lessons, organizing leagues or launching tournaments. His easy-going style is very popular with our membership. Mark will certainly be missed in Tellico Village.

Good luck, and God's speed, Mark.

Did you know Tennessee has a state leash law? Dog owners must keep their dogs on a leash when not otherwise confined. The law is for the safety of your dog and for your neighbors. Even friendly dogs can pose a health hazard to some of our more frail residents or more frighten others. Responsible pet owners make for good neighbors!
