How Does the POA Cover Costs of Our Amenities?

By Joe Marlette, POA Board of Directors

One of the significant values of being a property owner in Tellico Village is the use of and value of our amenities. There is some confusion about how amenities are paid for by the members and debate about the “profitability” of our amenities; in other words, do they break even or require subsidies.

The total costs for all amenities are covered by some combination of property owner monthly assessment and user fees. The golf courses and clubhouses, Yacht Club and Recreation Facilities are all managed in this manner. The assessment covers a smaller portion of the expenses associated with these amenities, and user fees cover the larger portion of the costs. Generally speaking, the assessment covers the cost of creating the amenity (original cost, fixed costs like insurance and taxes plus minimal maintenance), and the user fees cover the ongoing operating cost of the amenity, or costs associated with daily use (maintenance, labor, utilities, etc.).

The costs associated with a few of our amenities are covered almost exclusively by user fees. The water and sewer system, leased docks and gas dock costs are covered by user fees, since a majority of the benefit of those amenities go strictly to the users. Some of the long-term cost of the water and sewer system and docks are partially covered by

(Continued from page 1)

assessment dollars, but this is only a small portion. The intention of the POA user fee structure on these amenities is to cover all the cost with user fees, including long-term cost of ownership and essentially “break even”.

User fees are established annually during the budget development process, August through October, by the appropriate responsible department. These recommendations are then reviewed by the Finance Advisory Committee and eventually approved by the Board of Directors. Many factors go into determining user fees, including benchmarking of similar amenities in the competitive geographic area, increases over previous years and an overall board philosophy that our user fees should be no more than or significantly less than equivalent, competitive amenities. All of our amenities offer great value to our property owners based on our competitive benchmarking.

If you are interested in this process, you can apply to join one of our advisory committees or just attend the meetings during the budget setting process to see how it all works. We think that our committees and managers do an excellent job of providing quality amenities at a real value for our members.

Four Paws Food Pantry’s Dining for Dogs and Cats May 17

Four Paws Food Pantry’s first major fundraiser in 2010 was Dining for Dogs and Cats. Because of its popularity, it has continued each year, and 11 a.m.-1:30 p.m. Saturday, May 17, the fifth annual Dining for Dogs and Cats will take place at the Tellico Village Beach Pavilion on Tugaloo Lane.

Dine on a variety of regional hot dogs such as the Chicago Dog with seven toppings including neon relish, or the Michigan Coney Dog with delicious Coney sauce and cheddar cheese, the West Virginia Slaw Dog topped with chili and creamy coleslaw, and finally the Four Paws Dog with tasty grilled sauerkraut. There will also be a make-your-own-dog station.

These premium all beef hot dogs come with chips, drinks and cookies for a minimum donation of \$7 per person for tickets purchased in advance or \$8 on the day of the event.

Tickets can be purchased at The Village Salon and First National Bank in Tellico Village or by contacting Linda Walter at 865-408-0327 or Christine Britton at 865-458-0060. All proceeds from fundraisers and donations are used to provide dog and cat food.

Four Paws is a 501(c)3 nonprofit organization. For anyone who cannot attend, tax deductible donations are always welcome. Make checks payable to Four Paws Food Pantry, P.O. Box 1318, Lenoir City, TN 37771-1318, or donate through PayPal at www.fourpawsfoodpantry.org. Visit their website to learn more about Four Paws and opportunities to help with their mission.

Would you like to try your hand as an actor? Would you like to be a light or sound technician? Do you have the ability to work with make-up, costumes or props? Would you like to give directions as a director to cast members instead of giving orders to your spouse? Do you have experience in graphic arts, painting, or set design? Are you a handyman that would be an asset for the stage and set construction teams? At the Open House, you will be able to ask questions and decide what theater activities you

might enjoy.

The other main point of emphasis at the Open House is to showcase our proposed new theatre. It will be located in the old Tellico Village library building in the Lakeside Plaza. It will be a 150-seat theatre with raised seating. At the Open House, you will see the architectural renderings of the new theatre, see detailed drawings of the interior plans and have the opportunity to join the Players and our Building Campaign. Having our own theatre in Tellico Village will provide many benefits to the Players as well as to the current and future Tellico Village residents.

We hope you take this opportunity and join us at the Yacht Club on Thursday, May 29.

Friends of the Library Receive Prestigious State Award

The Tennessee Library Association has presented its 2013 Friend of the Year Award to The Friends of the Tellico Village Library, Inc. (FOTVL). The presentation was made at the 2014 annual conference by Susie Reis, president of The Friends of Tennessee Libraries Board, during the Trustees and Friends Luncheon in Murfreesboro on Friday, May 2. On hand to receive the award were Friends' board of directors presidents Rich Seymour (2014), Carolyn McDermott (2013), David Damm (2011), and Becky Haile, CPLM, library manager. Ms. Haile accepted the award on behalf of the FOTVL membership and the late Mary Ann Bork and Robert Gibson, two early leaders who helped establish the Tellico Village Friends and later served on the Tennessee Friends Board. The complete text of Becky's remarks can be seen on the library website.

In presenting the award, Ms. Reis said, "The Friends of Tellico Village Library are truly extraordinary people who have done extraordinary things. With no city, county or state funds, this group raised funds, obtained a USDA loan and selected an architect and construction company to build a LEEDS-certified, state-of-the-art 6,442 square

foot public library with an annex for storage. Since the library opened in November 2012 the Friends have conducted their first Summer Reading Program, implemented a program for special-needs children, established adult education programs with presentations in the library and initiated book delivery to senior living facilities. They've also held a successful used book sale. The Friends of Tellico Village Library are dedicated library advocates who built an outstanding library with blood, sweat, and tears, plus a whole lot of heart!"

The award, which is made to look like an open book includes a clock and an inscription which reads, "Tennessee Library Association Friend of the Year Award 2013 awarded to Friends of the Tellico Village Library in appreciation for outstanding accomplishments, dedication, and

commitment to excellence in the advancement of library services and education in Tennessee." It is now on permanent display in the library.
