D-Day Display in Library June 6—Items Sought

June 6 is the 70th anniversary of D-Day. The Public Library at Tellico Village is planning a memorabilia display from World War II on June 6 with items loaned from proud individuals. The Library needs your help for our D-Day Memorabilia Display. If you have any souvenirs from World War II, please loan them to the Library and help us honor our veterans. You can drop off your items on Thursday, June 5, between 1 and 5 p.m. We promise to take extreme care with the items you graciously loan us, we understand how important and meaningful they are to you. The loaned items will be displayed 9 a.m.-5 p.m. Friday, June 6. You can pick them up 9-11 a.m. Saturday, June 7.

On June 6, John Thomson, author of "Fifty Years of Flying" will be present for conversation in the morning 10 a.m.-noon. Don Burgett, a WWII veteran of the Battle of the Bulge, will be present in the afternoon 1-3 p.m. "Okay, we'll go," were the words spoken by Supreme Commander Dwight D Eisenhower as he launched the greatest military amphibious invasion in world history. June 6, 1944, should be remembered as the day that brought about the beginning of the end of Hitler's Nazi-styled totalitarian, stranglehold on much of Europe. Nearly 160,000 allied troops crossed the English Channel to France that day. That day the casualties on the beaches were around 7,500 wounded and 2,500 dead. Seventy years later, let's look at the artifacts, learn about the landing, and thank the men who gave or altered their lives for freedom. Please call 865-458-5199 or go to www.tvlibrary.org for details.

Hike Gregory Bald June 24

The Tellico Village Hiking Club will depart 8 a.m. Tuesday, June 24 (note date change), from Chota Center, to hike:

- GREGORY BALD
- Distance: 11.4 miles
- Elevation Gain: 2,300 feet
- Rating: Strenuous
- Driving Time: Approximately 1.5 hours
- Leader: Terry Nyenhuis, 865-206-9476 or terrynyenhuis@gmail.com

This out-and-back hike turns around at one of the prettiest destinations in the park. Gregory Bald is famous for its flame azaleas, large shrubs with beautiful orange-red clusters of flowers. We hope the hike coincides with maximum bloom, when the Bald is alive with flame.

The trail to the Bald begins in the back of Cades Cove (we must drive the loop). It climbs steadily and unrelievedly uphill, with the last quarter mile being as steep as any trail in the park. The Bald is on the main spine of the Smokies, and you can feel the change in climate, so even on a warm day, bring a light jacket. You will need it after the exertion of the climb. As with any spectacular reward, this one takes effort. On the way down, you can congratulate yourself for seeing a special part of the park that only a hearty few can experience.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. Check out our website at www.tvhikers.com.
