### **Triskidekaphobic or Friggatrisidekaphobic?**

According to Wikipedia:

**Triskaidekaphobia** (from Greek *tris* meaning "3," *kai* meaning "and," *deka* meaning "10" and *phobia* meaning "fear" or "morbid fear") is fear of the number 13; it is a superstition and related to a specific fear of Friday the 13th, called *paraskevidekatriphobia* or *friggatrisidekaphobia*.

### **How About Selenophobia?**

Selenophobia is fear of the moon (from Greek *seleno* meaning "moon"). Today, we have a rare full moon on Friday the 13th, and if that combination scares you, you are selenofriggatrisidekaphobic. (If you can say it, you shouldn't be afraid of anything!) At least you won't have to be afraid again until 2049.

### **Driving in the Rain**

Just a reminder, the State of Tennessee requires drivers to have their car headlights on during rain, fog, and other times when visibility can be a factor. Let's keep our roads safe!

### **Position Available at Tanasi**

This is a part-time position for Outside Services at the Tanasi Clubhouse for the following duties: Starter, Ranger, Opening/Closing shifts, Staging golf carts for daily play/tournaments, Washing and cleaning golf carts, Assisting in maintenance of cart fleet.

### **Hike Gregory Bald June 24**

The Tellico Village Hiking Club will depart 8 a.m. Tuesday, June 24 (note date change), from Chota Center, to hike:

- GREGORY BALD
- Distance: 11.4 miles
- Elevation Gain: 2,300 feet
- Rating: Strenuous
- Driving Time: Approximately 1.5 hours
- Leader: Terry Nyenhuis, 865-206-9476 or [terrynyenhuis@gmail.com](mailto:terrynyenhuis@gmail.com)

This out-and-back hike turns around at one of the prettiest destinations in the park. Gregory Bald is famous for its flame azaleas, large shrubs with beautiful orange-red clusters of flowers. We hope the hike coincides with maximum bloom when the Bald is alive with flame.

The trail to the Bald begins in the back of Cades Cove (we must drive the loop). It climbs steadily and unrelievedly uphill, with the last quarter mile being as steep as any trail in the park. The Bald is on the main spine of the Smokies, and you can feel the change in climate, so even on a warm day, bring a light jacket. You will need it after the exertion of the climb. As with any spectacular reward, this one takes effort. On the way down, you can congratulate yourself for seeing a special part of the park that only a hearty few can experience.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. Check out our website at [www.tvhikers.com](http://www.tvhikers.com).

### **Library's Third Tuesday Lecture Series Continues July 15**

On Tuesday, July 15, as part of the continuing Doug Christman Third Tuesday Lecture Series at The Public Library at Tellico Village, David Flanagan will present "Charles Lindbergh: The Rise and Fall of an American Hero." This free educational lecture will be held in the conference room 9:30-10:30 a.m.

Charles Lindbergh was the face of the 1920s. He was young, handsome, and courageous. His solo transatlantic flight represented an American triumph. Then came the 1930s. Lindbergh would find himself on the wrong side of history. This lecture will examine Lindbergh's rise to hero status and his fall from grace, both in the eyes of his nation and his family. You will not want to miss this lecture covering one of America's most controversial figures.

David Flanagan's lectures are always filled and seating is limited to 35. Either call 865-458-5199 or stop in the Library to reserve your seat. David suggests reading Lindbergh by A. Scott Berg, Those Angry Days by Lynne Olson and Against Wind and Tide by Ann Morrow Lindbergh. The books are available in the Library thanks to a grant from The Good Neighbor Shoppe.
