General Manager's Report for June

By Winston Blazer, General Manager

GM Reports on June Board Meeting

The Tellico Village Property Owners Association Board of Directors meeting in June was full of activity and information that may be of importance to a lot of Villagers. The Board approved a few capital items and heard several updates on some important projects.

The Board heard a detailed update from Bill Waldrop of the Watershed Association of the Tellico Reservoir (WATeR) about the progress they have made on the Madisonville wastewater treatment issue. In case you hadn't heard, the city of Madisonville had filed an application to pump effluent into the Tellico Reservoir. WATeR took them to task and has engaged with the Tennessee Department of Environment and Conservation and with state representatives to demonstrate why that would be disastrous for Tellico Lake as a fishing and recreational destination. WATeR's expertise and influence is making excellent progress on this issue, and Bill Waldrop will continue to keep the Board and the community informed on progress on this issue.

Jeff Gagley provided the Board with updates on the dialogue between Loudon County and Tellico Village about a greenway study being undertaken in our area. In short, we are in the early stages of working with Loudon County to apply for a grant that would provide funds to study the viability and design of a greenway adjacent to state highway 444, the Tellico Parkway. There will be more to come in the following months on this issue that has a lot of interest in Tellico Village.

Finally, Jeff Gagley updated the Board on the final changes to the Red Book. The Architectural Control Committee Red Book is the document that governs commercial construction in Tellico Village. The ACC has been working on these changes for several months, and the Board unanimously approved these changes. A copy of the Red Book is available at the ACC office or online on the POA website at www.tellicovillagepoa.org/tvpoa/about-poa/acc.

The Board also got quick updates on the progress of the Toqua Pavilion and the results of the Pickleball Grand Opening. Summer is certainly getting off to a busy start here in the Village.

Board Workshop and Meeting rescheduled

The Board Workshop and Meeting for July have been rescheduled to work around the Independence Day holiday. The Workshop is on Tuesday, July 8 at 10 a.m. in the POA conference room. The Board Meeting will be Wednesday, July 23 at 1:30 p.m. at the Yacht Club. I encourage all Villagers to attend the Board meetings so you can see for yourself the significant work your seven-member, all-volunteer Board of Directors puts forward in steering the POA ship.

Library's Third Tuesday Lecture Series Continues July 15

On Tuesday, July 15, as part of the continuing Doug Christman Third Tuesday Lecture Series at The Public Library at Tellico Village, David Flanagan will present "Charles Lindbergh: The Rise and Fall of an American Hero." This free educational lecture will be held in the conference room 9:30-10:30 a.m.

Charles Lindbergh was the face of the 1920s. He was young, handsome, and courageous. His solo transatlantic flight represented an American triumph. Then came the 1930s. Lindbergh would find himself on the wrong side of history. This lecture will examine Lindbergh's rise to hero status and his fall from grace, both in the eyes of his nation and his family. You will not want to miss this lecture covering one of America's most controversial figures.

David Flanagan's lectures are always filled and seating is limited to 35. Either call 865-458-5199 or stop in the Library to reserve your seat. David suggests reading Lindbergh by A. Scott Berg, Those Angry Days by Lynne Olson and Against Wind and Tide by Ann Morrow Lindbergh. The books are available in the Library thanks to a grant from The Good Neighbor Shoppe.

Check out www.tvlibrary.org to find out about all the fun, educational, informative happens at your public library!

Reminder: Waste Connections Holiday Schedule

Waste Connections picks up a day late after a holiday. Observed holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Saturdays will be used as a make-up day during holiday weeks. The reasons cited are landfills and other operational needs are not available on holidays.

For instance, Independence Day, July 4, falls on a Friday. If your usual refuse removal day is Friday, pick-up will be done Saturday.

For more information, call Waste Connections, 865-522-8161.
