POA Birthday, Budget Meetings

By Winston Blazer, General Manager

POA Has a Birthday

Thursday, Sept. 18 was the 30th birthday of the Tellico Village Property Owners Association. In 1984, as Cooper Communities Inc. (CCI) worked with the Tellico Reservoir Development Agency on an agreement to begin the community of Tellico Village, it was necessary to stand up a POA as the POA would be involved in the agreement.

The TVPOA was incorporated on that date in September of 1984, and its original members were John Cooper Jr., Weston Trucker (Senior Vice President of CCI), and Larry Garrett (the attorney for CCI). According to our good friend Dan Cooper, the POA had to be in existence before a final deal was signed with TRDA in March of 1985, because the POA was a party to some of the agreements. The Village's Master Plan called for CCI to create the POA to be the governing body for the Village.

(Continued from page 1)

We have come a long way in 30 years. We've moved offices a few times, we've seen a lot of Board Members come and go, and hundreds of Villagers have volunteered their valuable time serving on committees. Thanks to their selfless contributions, we have a strong, well-functioning POA 30 years after it all began.

Committee seats need volunteers

The POA is still accepting applications for volunteers to fill seats on several of the advisory committees. If you are interested in serving the community by sitting on one of the committees, application packets are available at the POA administrative building.

Applications will be accepted until Oct. 1. After that date, managers will schedule meetings with applicants to put the best folks on the committee that matches their expertise and fills a need for the POA. The Board of Directors will approve and install new committee members at the December Board meeting.

Budget meetings

The POA budget process gets rolling over the next few weeks. Parker Owen, Finance Director, has set up a schedule of meetings to help get us to the finish line and approve a budget at our November Board meeting. Throughout the process, the departments will review their budgets with the Finance Advisory Committee and Board Members.

Some progress has already happened as the department managers have received budget guidelines and budget model worksheets from the Finance Director. Managers submitted responses and met with the Finance Director in August and early September.

The next steps:

- Oct. 7 - Board Review at Board Workshop, discussion and direction to management and the FAC, 10 a.m., POA Office
- Oct. 13 through 15 - FAC review of departmental budgets, 10 a.m., POA office
- Oct. 31 - FAC Final Review of 2015 Budget, 10 a.m., POA office
- Nov. 5 - Board review of final draft, 10 a.m., Yacht Club top floor
- Nov. 12 - Board second review of final draft, if needed, 10 a.m., Yacht Club top floor
- Nov. 19 - Board Approval of 2015 Budget, Regular Monthly Board Meeting, 1:30 p.m., Yacht Club

I want to encourage all Villagers who are interested in the budgeting process to come on out and see how it works. I also want to thank in advance all the departments, and especially Parker Owen, for all the hard work already accomplished and yet to come.

Marketplace at the Yacht Club

Friday, Sept. 26 promises to be a great day to visit the Tellico Village Yacht Club. The sixth Annual Marketplace at the Yacht Club will be open for business from 10 a.m. to 2 p.m. More than 40 businesses and vendors will set up and demonstrate those products and services they feature. Villagers are encouraged to come by, no appointment necessary, and see the types of products and services available in the local area. Music and art will also be on the menu at the Sept. 26 event.

The Village Quilters and the Art Guild will also have beautiful works on display. Live music will be provided by Pistol Creek Catch of the Day, a wonderful band out of Maryville.

The Marketplace was started to marry the needs of Villagers with the businesses who seek customers in Tellico Village. Hopefully, a good turnout by Villagers will demonstrate to local businesses the need to relocate some more services to Village storefronts.

The Marketplace at the Yacht Club is presented by the Loudon County Chamber of Commerce and the Tellico Village Property Owners Association.

Some Other Stuff You Need to Know...

Your iPad Tip of the Week

This has been a busy time with Apple announcement's and my 10th posting.

So, to celebrate! I thought about reading or viewing the iPad in the dark and not disturbing others. Really, it was just to ease the strain on my eyes from such a bright background that blinds you when reading in bed. Let's invert the colors and make the iPad easier on the eyes.

- Starting from the home page and Tap Settings> General> Accessibility> and look for "Invert Colors" and tap the TOGGLE switch to ON. Your iPad now is great when viewing in the dark. Remember to repeat the steps to TOGGLE it OFF for normal viewing.
- You can also setup your iPad to switch back and forth between "Normal" and "Inverted Colors" by triple-clicking the home button. Simply scroll down to the bottom of the "Accessibility" page and Tap on "Accessibility Shortcut" and the tap "Invert Colors."
- You will see a check mark when selected. Now when you want to flip from daytime to nighttime viewing, it's a triple click away!

No longer will you see those pesky white rectangles when you look away into the darkness. Aaahh – smiles... If you have any further questions, comments, or a suggestion for instructor Curt LaVine, please post them to tvlibrary.org@gmail.com or the Library's Facebook page. Hike Nemo Bridge, Obed Scenic River Sept. 24—Changes

The Tellico Village Hiking Club will depart 8 a.m. Wednesday, Sept. 24, from Chota Center, to hike:

- NEMO BRIDGE-OBED SCENIC RIVER
- Distance: 5 miles
- Rating: Moderate
- Driving time: 1.5 hours
- Elevation Gain: 800 feet
- Leader: Dolly Garnett, dandbgarnett@charter.net or 865-408-2547

This hike is in a section of the Obed Scenic River within the Obed and Emory River Gorges near Wartburg, TN.

After pre-hiking the 10-mile difficult hike this week, we encountered a number of fallen trees on the trail requiring climbing over them or trail blazing around them thus making this hike strenuous in addition to maneuvering the rocky and steep stairs and rocks to climb over as stated in the original hike description. However, the first 2.2 miles of the hike to Alley Ford was untouched by fallen trees and is rated moderate. At that point we will go down a rocky trail .3 miles to the river for lunch which will be the steepest part of the hike. In the interest of safety, this appears to be a good alternative.

Hiking boots and sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended; passengers are asked to contribute \$6 to the driver. For more information, go to www.TVHikers.com.

Katy Free started singing in church when she was four, which became a stepping-stone into roles in musicals at her high school and in the community. She has sung with select choirs in Carnegie Hall and Disney World and toured several cities with jazz writer and performer Wendel Werner and various bands.

Wendel Werner is the epitome of a modern day musical genius. Having been named 2012 "Composer of the Year" by the Tennessee Piano Teachers Association, performing as the featured entertainer for the Special Olympics Opening Ceremonies, and the pianist for "Beethoven's Choral Fantasy," one could easily see that Werner's musical abilities cover a broad spectrum, and encompass most every musical genre.

Rounding out the Trio: guest Terry Schmidt playing saxophone.

Admission is \$10/person – Happy Hour Cash Bar Service available.

Optional Blue Heron at the Yacht Club ala carte Sunday Brunch before the TJML session? Call 865-458-4363. A reservation by 11:30 a.m. is recommended.
