Crafters 25th Holiday Craft and Bake Sale will be held 9 a.m.-noon Saturday, Nov. 8, in the Christian Life Center at the Community Church of Tellico Village, Tellico Parkway (Hwy 444) and Chota Road. They have been preparing all summer and fall for the sale. As usual there will be beautiful floral arrangements and wreaths, mailbox covers, many hand-sewn items, a variety of cards, bridge tallies, woven baskets, needlework articles, painted wooden pieces and light bulbs. The Crafters and church members donate many home baked goods and a favorite is the Jezebel spread.

With the generosity of the customers who faithfully attend the sales, Crafters are able to help

numerous community charities among which are Church Crafter's scholarship, Child Advocacy Center, Friends of TV Library, Good Samaritan Center, Tellico Village Fire Department, Good Shepherd of Monroe County, Iva's Place and more. The total amount distributed for 2013 was \$21,900.

In 1989 Tellico Village Community Church Crafters held their first Holiday Craft and Bake Sale. A small group of ladies had been meeting weekly for a year in individual homes to socialize - bringing their supplies back and forth, storing all the handmade items in their homes for that year before the sale which would benefit the church and community charities.

Crafters take a break after the November sale until January 2015 when they start meeting again every Monday morning from 9:30 a.m. to 11:30 a.m. in the Christian Life Center at the Community Church to get ready for their spring sale. They are always looking for volunteers to help make new creations with plenty of fellowship and laughter. Come join us in 2015.

Please join us and your friends and neighbors for a great breakfast for a good cause. See you there.

United Way Campaign Underway

Our annual Tellico Village campaign benefiting United Way of Loudon County is underway. Why should you consider contributing?

First, a single gift helps support 33 local charities serving just Loudon County residents, including Villagers, unlike single cause solicitations, many serving far distant places. Second, since this is a volunteer run organization, only 14% of your gift is spent for administrative (overhead) costs. Third, your gift goes to United Way's focus areas: education, health and basic needs (e.g. fire and rescue, utility and medical expenses, senior home assistance, etc.). Finally, if you would like any part a gift to go to particular UW agencies, that is accommodated.

For credit card payments and/or payments over time, please call Andy Ewing at 865-408-0894 for a pledge card. For the Loudon County Village residents, checks are written to "United Way of Loudon County" and mailed to Robert Mugge, Treasurer, 118 Oostanali Way, Loudon, TN 37774. For Kahite residents, checks are written to United Way of Monroe County and mailed to Nancy Barrett, 1145 Kahite Trail, Vonore, TN 37885.

Some Other Stuff You Need to Know...

Your iPad Tip of the Week

In the last tip, I spoke about "Quicktype" and how it works with auto-correct. Well, this week I want to share with you how we can easily edit with "Quicktype."

- I would like for you to open "Notes" app.

- Then tap the “create new” icon located in the top – right corner.
- Next, please type this short sentence... Tellico village is a great place to live.” The first thing I want to do is capitalize the “V” in village. So let’s double-tap on the word “village.” You should see just the word selected with the blue drag handles on each end of the word.
- Now tap the “shift key” and in the “Quicktype bar” you should find “Village.” Tap it.
- Next, let’s make the word “great” in all caps. Again, double-tap the word “great” and then, double-tap the “shift key.” Tap “GREAT” from the “Quicktype bar” to select and replace it with all caps.
- To unlock the “shift key,” just tap it again. And there you have it. No more moving the cursor or deleting words to fix a small spelling error in the middle of a sentence.

Hike Cooper Road/Hatcher Mountain Nov. 7

The Tellico Village Hiking Club will depart 8 a.m. Friday, Nov. 7, to hike:

- COOPER ROAD/HATCHER MOUNTAIN/LITTLE BOTTOM (Loop)
- Distance: 11.6 miles
- Elevation Gain: 1,100 feet
- Rating: Moderate
- Driving Time: 50 min.
- Leader: Tim Kalina 865-657-9137 timkalina@aol.com

This trail begins at Abrams Creek Campground. Cooper Road was once the main access to Cades Cove for settlers, farmers and loggers. In 2011 an EF4 tornado devastated much of the Hatcher Mtn. trail with a swath of destruction measuring up to a quarter of mile wide. It's interesting to see how Mother Nature brings the forest to life again after 3 years. Around the 9 mile mark the trail has a very steep ascent and very steep descent. There are approximately 6 stream crossings. Hiking poles are strongly recommended.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to www.TVHikers.com.

First Fridays for Local Authors Nov. 7

Adele A. Roberts, the next author in The Public Library at Tellico Village's *First Fridays for Local Authors* Series, will be at the Library on Friday, Nov. 7, from 10:00 am to noon. Adele grew up in Montague, Michigan. After graduating from high school she earned a Bachelor of Science degree in education from Western Michigan University in Kalamazoo, Michigan. She continued her education and received a Master of Arts degree in counseling as well as a CDA in early childhood development. Adele has spent many years working with children and parents. As a story teller she began telling her make-believe stories to her students, and 'Sammy the skunk' was one of their favorite characters. Although it wasn't a priority of hers to write stories, she finished part of the first story and set it aside. When she and her husband moved from Missouri to Tennessee, she found the cardboard box, now over forty years old, which contained the aged, colored papers of her first story about a little skunk named Sammy. It was at this time she realized she needed to complete the task she had begun many years ago. There are now four books published in a series about Sammy. Although there are illustrations in the books, the books are not the typical 'picture books' for children. The stories are meant to stimulate children's imaginations and to create images as they hear or read about a little skunk that enters the deep woods and meets many lovable little animals. As she started writing these stories, she began to focus on teaching Christian and character values based on the situations and circumstances in which the animals find themselves. After each story is a "Life Lesson." These lessons teach the attributes of God.

She and her husband now reside in Oliver Springs, TN. They have one son who is the founder and director of Kids4Truth International Clubs – *Kids4truth.com*. Ms. Roberts will meet and talk one on one about his book and writing in general. You can contact Ms. Roberts at adeleroberts38@gmail.com and sammytheskunk.blogspot.com.
