- Tanasi will be closed from Dec. 31, 2014, until approximately Jan. 16, 2015. It will take a little longer to transition Tanasi due to some additional renovations taking place there.

We apologize for any inconvenience, but the closure is necessary to complete the inventory, renovation and transitional process.

## Did You Know: Tennessee-One-Call System

Did you know that your Public Works department is a member of Tennessee-one-call system. That's the program also known as Call Before You Dig. What does that mean to you, the homeowner? Anytime you have work done on your property, just call 1-800-351-1111, or call 811, and provide them with the information they ask for. Make sure that you tell them exactly where on your property you plan the work to take place, that way Public Works can mark our utilities for you. Other members of Tennessee-one-call, such as AT&T, or Charter will automatically be notified to do the same.

There is a three-day time frame that Public Works has to locate the utility lines unless it is an emergency, then it is a three-hour timeframe.

Color-coded paint will be used to mark the underground utilities: blue for water, green for sewer, red for electric, etc.

### **United Way Campaign Underway**

Responses to the United Way campaign, for which everyone recently received a donor packet in their paper box, appear to be slowing down. There are a significant number of former contributors who have not yet given this year. This is a great opportunity to contribute to 39 programs and agencies serving the needs of Loudon County, including the village fire department and the computer recycling program here in the village. We are presently at 69% of our village goal of \$88,000. If you have not already done so, please review the packet information and follow the instructions on the pledge card. Mail your contribution to Bob Mugge, 118 Oostanali Way, Loudon TN 37774, or to United Way of Loudon County, P.O. Box 145, Lenoir City TN 37771, or drop it off at the Public Library at Tellico Village. Thanks for your support.

## **Channel 3 Website and New Channel**

Go to <http://www.tellicovillagechan3.org/>. The new Channel 3 website allows Villagers access to all the bulletins produced by Channel 3, the Wellness Center, the Yacht Club and the POA office as well as all the videos produced by Channel 3.

Channel 3 bulletins rotate through just like they do on the TV. Click on Other Bulletins and you will be able to see bulletins being shown at the Wellness Center, the Yacht Club and the POA office. Click on Videos to see current as well as past videos shown on Channel 3.

For those who submit bulletin requests to Channel 3 it is now a two click process to submit your bulletin.
