Dear Truth Be Told,

I received the Board Newsletter in the new color format. It looks great. Excellent improvement. But, how much more does this cost the POA to produce this? Thank you.

Signed, Interested Villager

Dear Interested Villager,

Thank you for the kind words about the newsletter. We have good news. It is actually cheaper to produce the newsletter in this new format. It's about 8 cents a copy cheaper. How did we do that? We put the work out for competitive bid and the Loudon County Publishers were the lowest bid and could deliver the quality we were seeking. We started to work on improving the product after the Long Range Planning Advisory Committee pointed out through their competitive benchmarking that a color, magazine format was a more appealing way to communicate to the community. We also have included more photos to give our non-resident property owners a better look into life in the Village. If anyone reading this did not receive a Board Newsletter in the last week or so, please email PRObichaud@tvpoa.org to request a copy. It is also available online at <http://www.tellicovillagepoa.org/images/tellico/pdfs/newsletters/news-2015-feb.pdf>.

Wellness Center strengthens its fitness offerings with new equipment

Tellico Village Property Owners Can Now Increase their Strength through Premium Eagle Line of Equipment that Redefines Strength and Style with Unparalleled Biomechanics and Aesthetic Design

The Wellness Center announces that it has enhanced its fitness equipment offerings with the addition of Cybex's new Eagle line—the most premium line of gym equipment in the industry. The Eagle line of selectorized strength equipment provides high-end and trainer-focused facilities such as The Wellness Center with an unmatched range of biomechanically-superior, advanced-engineered, aesthetically-inviting pieces that accommodate users at every level.

“Cybex has always strived to offer users the most advanced, scientifically-sound equipment in the fitness industry, and with the introduction of the new Eagle line, we're confident that we have not only met this goal, but exceeded it, said Mike Geiser, Regional Manager for Fitness and Exercise Solutions. “We are thrilled to welcome Tellico Village to the Cybex family and look forward to their members feeling the difference and the benefits that only the new Eagle line of selectorized equipment can promise.”

The new line offers end-users of all levels the most unique and premium line of strength equipment on the market, while providing both diversified workouts and a balanced approach to fitness with key components including:

- Independent arm motion encouraging symmetrical strength and development while converging and diverging movements afford natural movement
- Restyled design boasting a sleek frame, double-stitched cushion accents for durability, and contoured seats for added comfort
- Intuitive place cards illustrating proper movement and instructional videos (standard and

advanced) accessible via QR code to safely and effectively achieve fitness goals

- Patented Dual Axis Technology allowing users to train in pre-defined or user-defined patterns of motion
- Optimization of workouts through an incremental weight system and gas-assisted adjustments for the seat and back pads
- Holders for smartphones, tablets, water bottles and towels

We are very excited for the arrival of new Cybex strength equipment in late March. The Exercise Room at the Wellness Center will be CLOSED on Friday, March 20, through Thursday, March 26, for the removal of the existing strength equipment, cleaning and general maintenance of the exercise room and, finally, the installation of the new Cybex strength equipment. The exercise room will reopen for regular business on Friday, March 27. Please watch for information about that Grand Re-opening celebration date, which will include informative demos, loads of door prizes, food and fun.

Chili/Soup Dinner a success - thanks to you

456 Village residents attended the Chili/Soup Dinner on March 3 at the Christian Life Center of the TVCC. Not only did they enjoy a great meal but they got to visit with the friends and neighbors on an evening that was suited for warm soup and hot chili. This level of attendance translates into a considerable sum of money, the net proceeds of which will go to support a myriad of Lions activities. What we are able to do for vision related activities as well as support county-wide service organization is only possible because residents of the Village are great supporters of the various fund raisers we conduct. So from all of us Lions - THANKS LOADS FOR YOUR SUPPORT - YOU ARE GREAT.
