New Utility Bills in the Mail

Villagers began seeing new utility bills in the mail this week. The new bills are in paper form instead of the cards residents are accustomed to getting.

There is no change in procedures for processing the new utility bills except for a brief statement outlining the reconnection fee. These newly formatted bills are to help with the transition to online bill pay which will become available later this summer.

Please direct any questions about the new bills to (865) 458-5408 and ask for the utilities clerk. The staff apologizes for any concern or inconvenience caused during the transition.

More News from Your POA

Sauna rebuild has begun in the men's locker room at the Wellness Center

Due to the nature of the work being done, the shower/sauna area in the men's locker room in the Wellness Center will be closed for this week. You will still have access to the restrooms, lockers and sink areas; however, you CANNOT shower or access the pool deck through the locker room at this time. Please expect some closures of the locker room during this time.

If you desperately need to shower before you head out, there is available in the unisex restroom, which is located right off the pool deck. If you are interested in using the sauna, please visit the newly renovated Chota locker rooms and take advantage of their sauna.

Don't forget that the outdoor pool is open, so if you are looking for a swim with locker rooms, feel free to visit the folks down at Chota.

Please stay tuned for closure updates at the end of this week, into next week. The women's sauna rebuild will begin shortly after the completion of the men's, so keep your eyes peeled for those announcements, too.

We apologize for the inconvenience and thank you so much for your understanding as we work to continuously improve our recreation amenities.

Tanasi Clubhouse restrooms being refurbished

Patrons heading to Tanasi Clubhouse next week will see a much anticipated renovation project underway. The Tanasi Clubhouse bathrooms are getting a much needed upgrade and improvement.

Golfers are reminded that the halfway house adjacent to the practice putting green has restrooms, and food and drinks are available for golfers making the turn. Temporary restrooms are available for other visitors and patrons at the Tanasi Clubhouse.

We apologize for any inconvenience. However, we are confident Villagers, their guests, and other visitors will enjoy the new facilities once the project is complete.

Holiday trash schedule

In observance of Memorial Day, Monday, May 26, Santek will pick up one day later than usual (except Friday). So, if your trash day is Monday, put your trash out Tuesday; if your trash day is Tuesday, put it out Wednesday; if your trash day is Wednesday, put it out Thursday. Friday will remain unchanged, so if Friday is your day, put it out on Friday as usual.
