## Golf Pace of Play, Tournament Results

By Jim Brown, Golf Advisory Committee

### Golf Rounds—Pace of Play

With the weather cooperating and our courses in great shape, May was a great month for golf rounds. Even with one day of rain and a week of bad forecasts that scared many golfers away, there were almost 9,900 rounds, which was within a couple hundred of an all-time record month in the Village. The new lower rate at 2 p.m. has increased rounds in June also.

With this now our busiest time of the season, please do your best to keep up with the group ahead. Three strategies on the carts remind us to:

1. Watch everyone's ball to save time looking;
2. Play ready golf to save time when others in your group are not ready to play; and
3. Hit and sit to save time standing behind the cart.

Try these if you get behind. It's like a busy two-lane road where the drivers behind are at your mercy. The strategies will work if all of us commit to keeping up with the group ahead.

### **Hike Gregory Ridge Trail June 26**

The Tellico Village Hiking Club will depart 7:30 a.m. Friday (note change in departure time), June 26, from Chota Center, to hike:

- GREGORY RIDGE TRAIL TO GREGORY BALD
- Distance: 11.4 miles
- Elevation Gain: 2,300 feet
- Rating: Strenuous
- Driving Time: Approximately 2 hrs. 10 min.
- Leader: Bruce Fulton, 865-657-3163 or [fultonb@outlook.com](mailto:fultonb@outlook.com)

This out and back hike turns around at one of the prettiest destinations in the park. Gregory Bald is famous for its flame azaleas, large shrubs with beautiful orange-red clusters of flowers. We hope the hike coincides with maximum bloom, when the Bald is alive with flame.

The trail to the Bald begins in the back of Cades Cove (we must drive the loop). It climbs steadily and unrelievedly uphill, with the last quarter mile being as steep as any trail in the park. The Bald is on the main spine of the Smokies, and you can feel the change in climate, so even on a warm day, bring a light jacket. You will need it after the exertion of the climb. As with any spectacular reward, this one takes effort. On the way down you can congratulate yourself for seeing a special part of the park that only a hardy few can experience.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to [www.TVHikers.com](http://www.TVHikers.com).
