Hike Ijams Nature Center July 10

The Tellico Village Hiking Club will depart 8 a.m. Friday, July 10, from Chota Center, to hike:

- IJAMS NATURE CENTER
- Distance: Approximately 5 miles
- Elevation Gain: Negligible
- Rating: Easy (some uphill sections)
- Driving Time: 1 hour
- Leader: Tom Ringenbach, 865-201-9014 or tommamie@charter.net

Describing itself as a “300 acre, post-industrial, natural area”, the center has at least 12 trails on the property. We will hike 3 of these for starters. These include North Cove/River trails, highlighted by a scenic section of boardwalk along the Tennessee River and a large cave; and the Tharp Trace Trail (with some uphill sections) which circles Meade’s Quarry Lake and other beautiful views of the lake, Mt. LeConte in the distance, and a visit to historic Stanton cemetery. These trails add up to just over 2 miles. We can then explore some of the many other trails on the property, either as one group or as several. The visitor center, as well as many other attractions, are also worth exploring. We should complete our visit around noon or not too long thereafter. You may bring a lunch or perhaps make plans to eat at one of the many Knoxville restaurants we pass on the return trip.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to www.TVHikers.com.
