Summer is Turning to Fall

By Holly Bryant, Recreation Manager

It's hard to believe, but summer is almost over, school is in full swing and Labor Day is right around the corner. Where did summer go? For the Rec Department, it went by with three weeks of Camp Tellico, Swim Team practices and meets, summer swim lessons and the addition of the half-mile walking path around the Wellness Center. As some of us hate to see summer leave, fall is right around the corner. It's time for football games, cooler weather and fitness. Now's the perfect time to come check out the walking track, watch a football game while riding a bike in the exercise room or attend one of our monthly seminars.

Registered Dieticians Needed

Tellico Village University is planning to offer a SERIOUS nutrition course in 2016! TVU is planning to run two of her lectures at each session, but we would like to have each session moderated by an RD to answer questions and initiate conversation for about 20 minutes. Your professional expertise at our class will enhance the learning experience for our participants. This is expected to be a very popular and well-attended course, but we need RD participation to moderate two to four of these sessions. Please contact Cindy Solomon at csolomonphd@att.net, or respond to the www.tvuniversity.org website CONTACT US page and send your message of interest. I hope to hear from you . . . the more the merrier! Participating in a Tellico Village University course is fun and very gratifying!
