To make it easier to just swing by and ask a question, I will be set up at the new Welcome Center TODAY, Jan. 15 from 10 a.m. to 2 p.m. to answer YOUR questions. Who knows who will stop by to chat or to answer your questions.

See you Friday!

Some Other Stuff You Need to Know...

Registration Open for American History: Titans of the Gilded Age

Tellico Village University is offering a three week course in American History: Titans of the Gilded Age: Carnegie, Pullman, and Rockefeller. All you history buffs out there, we have a course for you! Of all the people who ever lived in human history, there are three who amassed the greatest wealth...and they are three well-known American industrialists of the Gilded Age. Come and listen to Villager Jackie Curtiss and join the lively class conversation about Andrew Carnegie, George Pullman, and John D. Rockefeller, aka “ the robber barons” (or captains of industry) who created the modern industrial age and the model of philanthropy as practiced by Bill Gates today. Join the discussion of the Panic of 1893 and labor/union issues. And when Jackie teaches about her love of history, it will be an experience of history like you have never had. Jackie is a seasoned college history instructor and a collector of great stories about the people and events that make our history come alive. The discussion will be lively and interactive. The course meets 9-11 a.m. Feb. 26, March 11 and 18, at Chota Recreation Center, room D. Join the group – it is forming now.
