Secret Garden Tour April 23

Education and gardening may not seem similar at first glance, but it is our belief that they share a common philosophy. In order to have a beautiful garden, you must provide the essential materials to promote growth. In order to have a beautiful community, you must also provide the essential materials to promote growth. For any community, that essential material is education. The Loudon County Education Foundation is joining these two passions, education and gardening, by creating an event to raise funds to benefit education in Loudon County.

On Saturday, April 23, four private homes (two in Tellico Village and two in Rarity Bay) have graciously opened their gardens for a **Secret Garden Tour**. Two gardens will be available for tours in the morning, and two others will be available in the afternoon. At midday, we will provide a catered luncheon while our attendees listen to a special gardening presentation by Neil Denton of the UT Extension Service. All funds raised by this event will benefit the educational programs of the Loudon County Education Foundation.

Funds from this effort will benefit the programs of the Loudon County Education Foundation including classroom grants, scholarships, the Adult Basic Education Program, and the Imagination Library.

Soggy Bottom Kayakers paddle April 20

April 20th is a big day for the Soggy Bottom Kayak Club. Steve Lancaster is leading the Clear Creek paddle in the morning and he has also arranged for a presentation on "Kayaking the Tennessee River" in the evening.

Our paddle in the morning will begin at 9 a.m. and will depart from the Clear Creek boat ramp. We will take a slow paddle out and back from the Clear Creek Ramp, around Jackson Bend Island and several coves. Total distance will be 5.5 miles (less if you stay on the inside and miss the coves).

In the evening, Kim Trevathan, author of "Paddling down the Tennessee River," will speak to us about his experiences on the Tennessee and Cumberland Rivers and discuss some environmental issues that he observed. Kim is a local author who teaches at Maryville College and spent five weeks travelling 652 miles down the Tennessee River with his dog, Jasper, during which he rediscovered people and places that made history on the Tennessee banks. Since our club has no budget, we will be asking for about \$5/ attendee (depending on the number of people that attend) donation to cover Kim's efforts. If you have not

already notified Steve of your attendance, please do so at stvelancaster0529@gmail.com so we can get a more accurate count on the numbers attending. The presentation will begin at 7 p.m. in the downstairs meeting room of the Yacht Club. All attendees are invited to join us at the Yacht Club for dinner at 5:30 p.m.

GPS for the Tennessee Boater April 26 and 28

Presented by U.S. Coast Guard Auxiliary Tellico Lake Flotilla 12-2:

Date: April 26 and 28,

Location: Tellico Village Yacht Club, top floor meeting room

Time: 1-4 p.m.

Cost: \$30

Learn about how a GPS will add value to your TN River boating experience. This is a fully updated class addressing the latest technology including smart phones, tablets (pad computers) and high-end color chart plotters. Two, three-hour sessions cover how a GPS works, how to find your position and the position where you want to go, waypoint and route setup and use, practical navigation tips and purchase considerations. The course is interactive; the student works simple navigational problems using one chart (supplied) of a portion of the TN and Little TN Rivers while instructors lend a helping hand as needed. Students are encouraged to bring a portable GPS and a chart of Tellico Lake. It will not be possible to provide detailed instruction for every possible GPS model. The course is based upon a generic GPS; a student is usually able to work the classroom problems using their own equipment

which prepares them to take what they learn in class and immediately use it on their own boat.

SPACE IS LIMITED—PLEASE CALL EARLY TO MAKE YOUR RESERVATION

Call Now: Mike Colacone at (352)804-8257, USCG Auxiliary – Tellico Lake, or e-mail flotilla12.2.tellico.village@gmail.com.

Annual Tellico Lake Blessing of the Fleet April 30

Open to all vessels on Tellico Lake

Sponsored by Tellico Cruising Club

The **Blessing of the Fleet** is a tradition that began centuries ago in Mediterranean fishing communities. The practice is predominantly Catholic and a blessing from the local priest was meant to ensure a safe and bountiful season. However, both the ancient Greeks and Romans held elaborate ceremonies when their ships were christened, not much different from our ship launches of today. Parties were held; toasts of wine to the honored deity, a blessing from the high priest, and water poured over the boat were the basic events of the ceremony. Any deviation from these events was considered a bad omen, with the result being a tragedy at sea. Poseidon, who was considered the God of the sea, as well as earthquakes and horses, was a favorite of the Greeks to ask for protection. The Romans preferred Neptune, who was also considered a God of the sea. Some Native Americans, who painted symbols or animals on their canoes, also held launch ceremonies consisting of feasts, prayer and blessings.

The boats will meet 9:30 a.m. Saturday, April 30, at mile marker 8.4 (Sinking Creek) and follow the lead boat to the blessing. After the ceremony, join the revelry at the Family Beach and Pavilion on Tugaloo Lane for food, drinks, and friendship. Cost: \$5 per boat. This is a “pot luck” so please be reminded to bring a dish to share with others, and your own beverage of choice.
