Introducing Tellico Village Broadcasting

See what you want when you want it!

TV 3 is proud to announce that effective May 1 we will become Tellico Village Broadcasting. Starting then, all of our programming will be accessible and searchable with the click of a mouse on your computer, tablet, or smart phone, or through your Smart TV at www.tellicovillagebroadcasting.org, providing options for you to get timely and targeted information when you need it. Programming will also continue to be broadcast on Charter Channel 193.

Tellico Village Broadcasting is not going to replace the Tell-E-Gram or other current information tools,

but will continue to complement it with the news, bulletins, and informational videos that we have traditionally provided, as well as other new features that we will develop. Some ideas under consideration include recreational program (including golf, pickleball, etc.), informational videos, club and organization spotlight programming, and specific features on topics such as home remodeling, Village business services, and area points-of-interest.

This is an exciting milestone for what most Villagers know as Tellico Village Channel 3 (TV3) and represents a natural evolution that parallels the way broadcast media has evolved in the age of the Internet. When TV3 first launched back in the mid-'90s, residents obtained most of their information through television and print media. In addition to providing information through television monitors in key Village locations such as the Wellness Center and Tanasi Club House, TV3 became available in cable subscriber's homes through Charter Channel 193. Television being television with all its limitations at that time was still only a broadcast channel with no ability to select and watch particular programming of your choosing on the channel. When TV3 established an internet address several years ago, Villagers could then go online and view recent programming at their convenience, but could not search for specific programming such as golf, health chat, POA/Board update or a special interest video. With the new website you will be able to search by date, subject matter, club, etc. to find the information you want, when you want it.

So take a look at the new Tellico Village Broadcasting beginning May 1 at www.TellicoVillageBroadcasting.com and look for what's to come!

TV HomeOwners Association sets 2016 membership Goal

"2,016 MEMBERS IN 2016" Yes, that is the goal and we are well on our way to meeting it, but we need those homeowners who were 2015 members and have not renewed your membership for 2016 to submit your renewal ASAP. This is a reminder to submit your \$10 annual membership renewal. If you are new to the Village or for other reasons have not joined the HOA for 2016, I encourage to you "get on board" before the year ends. This year we have increased our membership to the highest number ever and likewise increased our involvement in many Village issues important to all homeowners such as commercial business development in the Village, traffic safety on Highway 444, food and beverage service improvements at the Village restaurants, improving ACC Blue Book requirements, bridge traffic safety and construction, and the list goes on. I trust you will support the efforts of your HOA by renewing your membership or joining for the first time. You can join in person at the Tellico Village Library, or go to the HOA website, www.hoatv.org, and print the membership form, or use PayPal and do it all on-line.

Please take a few minutes to "surf" the website for current events, activities and pertinent information.

Join us at the next general meeting at 7 p.m. Thursday, May 12, in the Yacht Club. The topics will be an update on Loudon County issues affecting Tellico Village and an update on the LUB electric power substation.

Thank you for your support. We represent every homeowner to the POA Board, all POA committees, TDOT, TVA and county government. If you have any questions or comments, feel free to contact me by e-mail, magills02@gmail.com, or phone, 865-399-3710.
