Recycling By the Numbers

By John Cherry, PR Manager

Many Villagers have asked questions about the recycling operations of Santek Waste Services, and we are here to clear up any misconceptions or confusion folks might have.

At last month's Public Services Advisory Committee meeting, representatives from Santek and from Rock Tenn were here to present information about how Santek recycles Tellico Village material. It was extremely informative and a bit entertaining.

In a nutshell, Santek delivers Tellico Village trash to the Matlock Bend landfill in Loudon County. They deliver Tellico Village recycling to the Rock Tenn Recycling in Knox County. It is a false rumor that Tellico Village recycling goes to the same place as trash. Again, that is NOT true.

"I have been impressed with the responsiveness of Santek to all of my questions and those of our Villagers," said Jeff Gagley, Public Works Director for the TVPOA. "Tiny Jones, the Santek operations manager for our area, and I stay in close contact to make sure everything gets taken care of correctly."

Trash/Recycling Runs

Santek representatives spoke at the meeting about how they go about their busy schedule and make sure all refuse is properly disposed of. On some neighborhood runs, the trucks make a trash pickup and drop off run, and the same trucks and crews return for a recycling pickup and delivery. Maybe that's how some Villagers have incorrectly concluded that recycling and trash were bound for the same facility. In other neighborhoods there is a separate crew and truck that makes the recycling run.

Hopefully, this information will help Villagers better understand the process Santek uses to service Tellico Village.

How Much Recycling?

Derrick Senter from Rock Tenn said at the meeting how impressed he was with Tellico Village's participation in recycling. Rock Tenn processes 60 to 70 tons of Tellico Village recycling material every month. The number that really impressed Senter was that 84 percent of Villagers participate in recycling. Most East Tennessee communities the size of Tellico Village have about 60 percent participation.

The most entertaining information presented at the meeting was hearing about how recycling material is sorted and processed. Senter described in great detail how their facility separates non-recyclables that are incorrectly placed in the recycle bins and how the various grades of recyclables are sorted for proper disposition. See the accompanying chart for acceptable and unacceptable items for recycling.

Who You Gonna Call?

If Villagers have any issues with trash or recycling service, they are encouraged to call Santek on the Tellico Village specific toll-free line at 844-500-1161 or via email at TVPOA@Santekenviro.com. If you have a question Santek cannot answer, please call Public Works at (865) 458-4522.

Some Other Stuff You Need to Know...

Tellico Players to hold auditions beginning June 9 for comedy *Rex's Exes*

The Tellico Community Players will hold auditions for the comedy *Rex's Exes* (a sequel to last year's *Red Velvet Cake Wars*) from 6 to 7:30 p.m. Thursday, June 9; Friday, June 10; and Monday, June 13 at the Tellico Community Playhouse, Patricia Smith Theater, 304 Lakeside Plaza in Tellico Village.

Director (and current Players' President) Steve Mayberry says that while a few of the cast of *Cake Wars* will reprise their roles in *Rex's Exes*, he needs four females and three males, middle-aged to elderly for the sequel. "These are very good roles," he said.

This "southern-fried farce" finds the Verdeen cousins on the brink of disaster again! What can go wrong with an unwanted surprise birthday party, a sudden death in the family, and the return of a dead husband? With the Verdeens, anything can happen! New friends and family members are needed to help the cousins in their new predicaments.

Performance dates for *Rex's Exes* are Aug. 11-13 and 18-21.

A playbook may be checked out at the Tellico Village Library for a few days. For further information contact Steve Mayberry: stevemayberry@charter.net or 865-458-7929.

Nicholson, Rinehart to star in comedy “Grace and Glorie” opening June 16

Veteran actress and director Helen Nicholson will play Grace, and Sauni Rinehart, a Village newcomer with considerable acting background, will appear as Glorie in the Tellico Community Players’ production of the Tom Ziegler comedy *Grace & Glorie*, opening June 16.

The two-woman show has been described in the news media as a “sentimental odd couple crowd pleaser ... with a steady drip of easy laughs.”

Play dates are Thursday-Saturday, June 16-18; Thursday-Saturday, June 23-25 with curtain at 7:30 p.m. A matinee performance on Sunday, June 26, will begin at 1:30 p.m. All performances are at the Tellico Community Playhouse, Patricia Smith Theater, 304 Lakeside Plaza in Tellico Village.

Tickets are available on the Players’ website: www.tellicocommunityplayhouse.org, with reserved seating at \$21. The box office at the theater is open: Monday-Friday, 10 a.m.-2 p.m.

In this charming story set in the Blue Ridge Mountains, Grace (Nicholson) a feisty 90-year-old cancer patient, has checked herself out of the hospital and returned to her beloved homestead cottage to die alone.

Her volunteer hospice worker, Glorie (Rinehart), is a Harvard MBA recently transplanted to this rural backwater from New York. Glorie is tense, unhappy and guilt-ridden, her only child having been killed in an auto accident when she was driving. As she attempts to care for and comfort the cantankerous Grace, the sophisticated Glorie gains new perspectives on values and life's highs and lows. With its many twists and turns, the play does a great job in providing positive thoughts about the human spirit. On Broadway, Estelle Parsons and Lucie Arnaz starred in *Grace & Glorie*.

Nicholson has appeared in 29 Players’ productions and also has directed 12 of the group’s plays. She says she had the most fun playing Sister Robert Ann in *Nonsense*.

Sauni Rinehart is relatively new to the Village but has played diverse theater roles for years, mostly in Southern California. Appearing on the Tellico Community Playhouse stage for the first time in *Grace & Glorie*, Sauni teaches literature and composition for Liberty University On-line. The Players’ artistic director, Pam Russell, is directing *Grace & Glorie*. Producer is the Players’ past president Len Willis.
