Quick Publicity Tips for Village Groups, Events

Have you found yourself appointed publicity chair for your club, group, or organization? Here are some quick tips to publicize your meetings and events in Tellico Village:

Just the Facts

First, boil down your meeting/event into the basics:

Who (the name of the club/group), What (type of event), When (time, day, and date), Where (location of the event), How (cost, requirements, who to contact for info). Here's an example:

Neato Mosquito Society will meet 2 p.m. Wednesday, Feb. 23, in the Tellico Village Yacht Club. Call Jake D. Flake, 865-555-1212, for more information. The society works to protect the endangered Tellico Tire-Biter Mosquito.

In fact, this makes a good opening paragraph if you have a longer piece as all of the information is in one place instead of spread throughout your release.

If you have more details about the event, history of the group, etc., follow the opening paragraph with it. When making edits, many editors will trim a story from the bottom (where the least vital information should be).

Digital photos (jpg format) are welcome, as well! Just email the photo as an attachment. You can place it in a Word document—but sometimes some of the detail gets lost.

Also, avoid using ALL CAPITALS—because that means those words must now be keyed in instead of cut and paste. Try to avoid random bolding, too, as it will usually be removed. Prepare for other edits as well. Every publication will make some changes to your piece—so don't take it personally.

The easier you make it for your receiver to pass along your story, the more likely your piece will appear.

Tell-E-Gram

Send an e-mail with the details and/or attach a flyer/document to gram@tvpoa.org, or PR Manager John Cherry, jcherry@tvpoa.org.

Photos are also appreciated! High resolution is appreciated and attached as jpegs for ease of use. Include names (from left to right) of the individuals in the shot(s). We frequently cross-post to Facebook as well.

TV Broadcasting, Channel 193

Your event can be submitted electronically. Here's how: Go to <http://>

tellicovillagebroadcasting.org, click on SUBMIT A BULLETIN near the bottom of the page. An electronic form will pop up for you to enter your event info. Easy, huh?

Facebook

Post your event on the Tellico Village Facebook page. If your club/group has a Facebook page, ask the Administrator of your page to connect with the Tellico Village page and we will return the favor! We enjoy showing the groups, clubs, organizations and more that the Village has to offer.

Village Calendar on Website

Wish to submit your group's event to the Village Calendar?

- Go to www.TellicoVillagePOA.org
- Click on the POA HAWK logo or log in to access the member area.
- Click on CALENDAR on the bottom menu bar
- Click on the + (plus sign) and fill in the form.
- Do NOT ask for the event to appear everyday as the Calendar will make it look like your event is happening on every, single day. We have to delete events when that happens.

All events must have a contact name, phone number and email address.

All submitted events are subject to review by the Public Relations Department. To change or remove an event, contact Patty Robichaud at probichaud@tvpoa.org or 865-458-5408 x4115.

The Connection/News-Herald

You can email your event to *The Connection* and *News-Herald* at news@news-herald.net *The Connection* also appreciates photos and story suggestions.

One Last Suggestion

Once your group appoints a publicity person, ask members of the group to refrain from individually contacting the media. We recently had one event for which we received press releases from four individuals—confusing!!

***NOTE: No actual brain cells were harmed in the writing of this article.*

Safety: A Message from American Legion Tellico Lake Post 256

Situational awareness is of the utmost importance. As we get older we sometimes forget to look around and observe our surroundings and who is near or looking at an easy mark.

Unfortunately, that usually is an older person. If you are walking to or from your vehicle, in a mall or other shopping area, especially at night, look around. If you feel you are being targeted: walk faster, try to get into a group, get someone's attention. Pressing the alarm button on your vehicle's key will always bring attention and usually cause the bad guy to flee. When held properly the point of a key can be used as a weapon for self defense.

Frequently Asked Questions: TELLICO VILLAGE UNIVERSITY

What is TVU?

Tellico Village University is our Center for Lifelong Learning, one of the programs sponsored by STAYinTV. We started in January 2015, and over 400 Villagers have attended a class last year.

What does TVU offer?

The TVU website offers three types of resources for Villagers to use for their learning interests: (1) classes held in the Village, (2) references to area individuals and groups that provide learning opportunities of all types, and (3) other sources such as area colleges and on-line sources.

How do I find TVU resources?

Everything is on our website at www.tvuniversity.org.

How does TVU plan courses to offer?

Most courses are offered because a Villager volunteered to teach a class on their area of expertise. Some Villagers offer to locate and refer a potential instructor they know of. This is a very friendly, neighborly program. We thank them, but we do not offer to pay them. Referrals should be made to TVU using the CONTACT US page located on the website.
