COPs (Citizens Observer Patrol) is a cooperative effort between the Loudon County Sheriff's Office and volunteers concerned about the welfare and security of Tellico Village residents. As such, house checks are only performed in Tellico Village. During a house check an exterior inspection is done by making a complete walk around of the house, where conditions permit, in addition to patrolling the area where the home is located. COP volunteers patrol over 250 hours each month.

Village's No Solicitors Policy with Added Clarification

Solicitors seem to follow stormy weather as rainbows do rain. In Tellico Village, there is a policy against door-to-door solicitations (signs are posted throughout the Village), and it is considered trespassing; Village roads are private property. Only Village property owners and their guests have permission to use the roads. If you see anyone soliciting, contact Public Works as soon as possible by calling 865-458-4522 or call the police.

The policy does not apply to political candidates. The policy does apply to commercial solicitation.
