Recreation Department News for August

By Holly Bryant, Recreation Manager

Congratulations to the Tellico Village Tarpons for finishing 8th overall at the Smoky Mountain Invitational and for 1st place in their league. The Tarpons are dominating their season. Keep up the good work guys.

The Recreation Department would also like to thank some of our local partners, whose donations helped us make our annual Camp Tellico event an even more successful one than ever before.

Substation Update:

We know a lot of Tellico Villagers are eager to hear the latest and greatest news on the substation going in at the corner of Davis Ferry Road and the Tellico Parkway. We will try to keep the community updated whenever we have new news to report.

Currently, the Tennessee Valley Authority (TVA) is performing site prep work on how and where the Loudon Utilities Board (LUB) will tie the substation into the TVA power supply. The POA is making preparations to relocate a portion of the RV Storage Lot to make room for the substation construction.

We, the POA, have not received an updated timeline for completion for the project. As soon as we get an updated timeline from LUB, we will communicate that to the community.

Yacht Club Gas Dock Update

Over the last few months we've experience a noted problem with the fuel delivery system at the Yacht Club Gas Dock. On Monday of this week, Jeff Gagley from Public Works contracted Performance Fuel to perform a complete system analysis of our dispensing process. Performance Fuel found that there was a buildup of sediment in the fuel tank. They also reported that no sediment was dispensed into any customer fuel tanks because the filters worked as they are designed to do. That sediment buildup in the filters slowed down the dispensing of fuel. They cleaned the tank and filters and also performed a complete system analysis. On Thursday of this week, Jeff Gagley reported that the tank has been cleaned and a system analysis had been completed. The system is now in good working order. We are encouraged that this tank cleaning will solve the issue of slow dispensing of fuel at the pump. If you notice a reduced rate of fuel dispensing, please contact Public Works to report the problem. Phone number: 865-458-4522

We will continue to monitor the fuel delivery system.

Some Other Stuff You Need to Know...

Soggy Bottom’s Seven Islands Paddle Aug. 3

Cool down on these hot summer days with a paddle on the French Broad River. On Wednesday, Aug. 3, the Soggy Bottom Kayak Club will paddle on a portion of the French Broad River, east of Knoxville, through near-pristine country with meadows, forests, farm land and islands. This trip will begin at the Poplar Springs Boat Ramp at 8 a.m. This 4.5-mile paddle will be a one-way paddle downstream with the current. For those who would enjoy a tasty lunch, the group will be stopping at the Chop House in Kodak, TN, after the paddle. We should arrive back in the Village around 2:30 p.m. For any question, contact event leaders Dave and Mary Kay Noble at 865-657-3252 or david.noble1131@gmail.com.

Volunteer Opportunities, Fundraisers, and Charitable Events

Ladies 18-Hole Golf Association raises funds for PPAW Aug. 16

For the past several years, the Ladies' 18-Hole Golf Association of Tellico Village has held a tournament to raise funds for a local charity. Recent beneficiaries of these events have been the Smoky Mountain Service Dogs, and Project Lifesaver (an international program supported locally by the Loudon County Sheriff's Office) to supply and maintain tracking bracelets for individuals with Alzheimer's disease. This year, the group has chosen PPAW to receive funds raised by their Aug. 16 tournament.

People Protecting Animals Welfare (PPAW) is a non-profit organization, began in 1991, serving three counties in East Tennessee as an adoption program for stray and unwanted animals. By 1998, this group raised enough funds to start their own clinic which is located in downtown Greenback, within Loudon County. This agency provides low-cost sterilization services for rescue organizations and shelters. Since their beginning, they have sterilized over 68,000 puppies, dogs, kittens and cats, thus significantly reducing the number of unwanted animals. Their mission is to end the tragedy of pet over-population. The fees they charge to low income clients are often zero. No dog or cat is ever turned away.

"Boots-on-the-ground" is the agency's current outreach program which enlists volunteers to go into neighborhoods "in need," where feral and free-roaming cats need to be controlled in a humane fashion. The animals are brought in for sterilization and vaccination and then returned to their caretakers. The service is free to the residents of targeted neighborhoods.

18-Hole league members who would like to participate in this tournament may sign up at the bulletin board in the Toqua Pro Shop. The tournament is being played at Toqua on Tuesday, Aug. 16. The entry fee is \$35, which includes the cost of lunch at the Pavilion following play, plus a donation to PPAW. The format for the tournament is a modified scramble and there will be tournament, raffle and door prizes! **Entry deadline is Aug. 9.** If you are unable to play, but would like to donate, it would be very much appreciated. Contact any one of the following coordinators for this event: Vicki Schwerdt, Sara Emery, Brenda Jackson or Sarah Havens.

German Dinner, "Sehr Gut!"

Tellico Villagers packed the Kahite Clubhouse this past Tuesday night for a special night of themed dining. Roland Riese, proprietor of Roland's Bistro in Maryville, cooked for the Villagers in attendance. He even entertained the crowd with his singing and accordion playing. The Clubhouse was beautifully decorated by the talented team of Beth Kuberka, Mitzi Lane and

Lisa McCray. The menu consisted of Queen Soup, Salad, Entrée choice of Vienna-style Schnitzel with creamy potato salad and red cabbage OR Beef Roulade with gratin dauphinoise and red cabbage. Dessert was a delicious Strawberry buttermilk jelly. Rave reviews filled the room, and attendees were already asking when the next event is planned. Keep your eyes on the Tell-E-Gram for future themed dining events.

Patty was nominated by several Villagers for her volunteering to help with the classic car show at the Welcome Center. Patty is the Public Relations Assistant and Welcome Center Greeter for the POA. Villagers may nominate POA employees for Above and Beyond awards by going to <http://www.tellicovillagepoa.org/images/tellico/pdfs/admin/abovebeyond.pdf> or picking up a nomination form at one of the Village's amenities.**

Kiwanis presents AmTryke Bicycle

The Kiwanis Club of Tellico Village presented its 25th AmTryke therapeutic bike to Gabriel Rodriguez this week. "Gabriel has cerebral palsy, and the bike will help strengthen his legs and help his balance," said Fred Wicht, president of the Kiwanis Club and Chairman of AmTryke Project. "The Kiwanis Club presented its very first AmTryke bike to Gabriel six years ago, but he has outgrown the first bike," said Fred. The cost of this AmTryke bike was covered by a grant of over \$4,000 from Kiwanis International Foundation.

"Each AmTryke therapeutic bicycle is unique and tailored to the needs of the child," said Rob Orkney, Co-Chair of the AmTryke Project. "The bikes are assembled by the members of the Kiwanis Club of Tellico Village," said Rob. Gabriel also attended the Camp for Courageous Kids this summer, a camp in Kentucky for children with serious illnesses, based upon a grant from the Regal Entertainment Group. "We love Gabriel, who is very bright and courageous," said Fred.

"The Kiwanis Club of Tellico Village has a membership of over one hundred and an annual budget of over \$50,000, all of which supports the children of our area," said Fred. "We simply could not do this without the generous support of our many sponsors and the dedication of our members."
