Spotlight on Lifestyle Coordinator

By John Cherry, Public Relations Manager

Let's meet Lisa McCray, Tellico Village Lifestyle Coordinator. Lisa is a true native Tennessean, born and raised in Knoxville and lives there today. Lisa and her husband Bo have five very active children between the ages of 13 and 20. Bo works as a personal fitness coach and staffing recruiter. Lisa and Bo enjoy traveling and fitness when they aren't working hard at their respective jobs. Lisa cheered at The University of Tennessee and majored in Marketing and Tourism with a concentration in Food and Lodging. She brings more than 15 years' experience in project management and event planning to Tellico Village.

The new Lifestyle Coordinator's job (begun this July) is to assist with all aspects of lifestyle programs, committees, events and marketing in Tellico Village. She will work with Recreation, Golf and Food Service Operations to increase utilization of facilities and programs within those areas. By doing this, it will help build healthy, open relationships with Village residents and organizations in order to strengthen our already vibrant social atmosphere and culture in Tellico Village. Her full job description is posted on the POA website at <http://www.tellicovillagepoa.org/images/tellico/pdfs/jobs/lifestyle%20coordinator.pdf>.

She will also serve as the liaison for two very important groups within Tellico Village: STAYinTV and Tellico Village University. She hopes to be able to assist those groups in spreading the word within Tellico Village about the amazing programs they have to offer Villagers. You will also find Lisa meeting with and hanging out with various other clubs and groups as she learns more about the lively social culture here in Tellico Village.

According to Beth Kuberka, Marketing Manager, "we saw the impact this type of position had at other communities that we benchmark against, and we felt Tellico Village could also greatly benefit from a position like this." She added, "We want to better utilize our existing facilities in Tellico Village, and having a lifestyle coordinator on staff will help us maximize the opportunities in recreation, golf and dining."

In her short time here, Lisa has already picked up on the hectic pace of life in the Village. "Villagers are certainly active," she said. "They have an energy level that puts a whole new meaning on active adult community."

Some upcoming events she is working on with other members of the POA staff and AWE Hospitality are: Latin Night at Kahite featuring a delicious buffet of Latin favorites; a Fall Festival at the Wellness Center; and a "Senior" Prom at the Yacht Club.

You will find her at the Welcome Center, Monday through Friday, around 8 a.m. to 5 p.m. For all things lifestyle, feel free to contact Lisa at (865) 458-5408, ext. 4131 or email her at LMcCray@tvpoa.org.
