Another Survey Needs Your Input

The Internal Trails Ad hoc Committee was formed in early summer 2016 under direction from the TVPOA Board of Directors. This committee was charged with the task of deciphering through all the information collected from years of other trails/greenway initiatives. The ultimate goal is to nail down a plan to provide the Village with what it really wants while keeping expenditures practical and reasonable.

That being said, the Internal Trails Committee wants to know what you think about the condition of existing trails and what you want to see in the future. Check out this brief survey and let the committee hear your voice! Click on tvtrails.com beginning Sunday, Oct. 2. Survey will be available Oct. 2-16.

LUB Substation Update

The TVPOA always tried our best to keep the Tellico Village community informed. We often get questions about the status of the Loudon Utilities Board (LUB) project to build a new substation near the intersection of Davis Ferry Road and Highway 444. The only new news we have to report is that LUB has obtained a permit from TDOT to grant permission for an access road at the site. As soon as we have a new estimated date of completion from LUB, we will pass that along to the community.

Pittsburgh Steelers Fan Club

The newest and most fun club in Tellico Village was organized by Diane and Gus Delgoufre at their home Sunday, Sept. 18, as the Pittsburgh Steelers defeated the Cincinnati Bengals. Fans yelled and waved their Terrible Towels at each touchdown. The crowd enjoyed a feast of treats that was awesome. No matter that we did not know each other before. Steeler fans all belong to the family of Steeler Nation! And the Delgoufres have a “few” Steeler banners, photos, rugs, and other home décor to bring us back to The Burg. This group is anxious to plan their Steeler Super Bowl Party!

Camping with Henry and Tom; last Players production of 2016

The final Tellico Community Players production of 2016 is the comedy/drama *Camping with Henry and Tom* by Mark St. Germain. Play dates are Oct. 13-15 and 20-23, at the Tellico Community Playhouse, Patricia Smith Theater.

Reserved seats at \$21 are now on sale on the Tellico Community Players website. Go to www.TellicoCommunityPlayhouse.org and click on tickets. In addition, the box office at the Playhouse will open 10 a.m.-2 p.m. Monday through Friday, beginning Monday, Oct. 3.

Inspired by an actual event, *Camping with Henry and Tom* is an exploration of friendship, politics and leadership; a comedic and dramatic clash of the great minds and one great heart of the twentieth century. In 1921, Henry Ford, Thomas Edison and President Warren G. Harding took a camping trip together into the Maryland woods to escape civilization; what they couldn't escape was each other. The play is a hilarious portrayal of their lively interactions.

"*Camping With Henry and Tom* is perfect for this political season," said Debbie Mayberry, the play's director. "The parallels between our current political scene and those of St. Germain's 1921 America are incredible! After nearly a century, it just goes to show that the more things change, the more they stay the same!"

Tellico Village Public Relations Director John Cherry will play auto pioneer Henry Ford; Tellico Players President Steve Mayberry will play President Warren G. Harding; Vern Russell will perform
