Gas Dock Maintenance Successful

The gas dock at the Yacht Club was back in service Wednesday around 5 p.m. Performance Fuel checked the tank and said it was clean. They ran a flow test on pumps and it was 4 gallons per minute (GPM). Then they started at the pump and worked their way back to the Tank and found one small leak in the pit at the end of the walkway bridge and repaired and cleaned that out. Then they took the leak detector off line and ran a test on the pump again. That time, the flow went to 8 GPM, which is good. They also replaced a broken leak detector. Any questions about this maintenance may be addressed to Public Works at (865) 458-4522.

Some Other Stuff You Need to Know...

Tennessee ID Services Van Returns to Tellico Village Nov. 10

The State of Tennessee offers a unique opportunity for Veterans called the "Highways for Heroes Program." Through this program, Tennesseans are able to take advantage of various identification services right in the comfort of their own community. No traveling to a nearby town to wait in line at the DMV.

On Thursday, Nov. 10, 10 a.m.-2 p.m., the Tennessee mobile unit will be set up in the parking lot at the corner of Chota Road and Highway 444, immediately in front of the Lakeside Real Estate offices. The mobile unit travels the state to issue Veteran designated driver licenses and Commercial Driver Licenses (CDL) to eligible Veterans and Service Members.

Even though the program is designed to bring these services to Veterans, ALL Villagers are invited to participate. If you need a driver's license updated or handgun carry permit re-issued, here's your chance. For Veterans, be sure to bring: DD214 for information transfer to driver's license; card or letter with you for proof of service and Honorable Discharge. For others, be sure to bring: proof of identification and residence; Birth certificate; Utility bill; Insurance statement; Tax record; or anything with address confirming the address.

This opportunity is brought to you through the efforts of Gerald Edgell, a Lions Club and VFW member and a host of other generous folks.

Tellico Community Players host “A Weekend with Wendel Werner and Friends” Nov. 10

-12

The Tellico Community Players are excited to announce a three-day musical review, starring renowned pianist Wendel Werner and his special guests, Nov. 10-12, at 7:30pm, at the Tellico Community Playhouse. Each night of this special event will have a different theme and VIP Packages and Combination tickets will be available for those who want to attend all three performances.

Tickets: Three-day (\$90) and single-night (\$45) VIP Packages (limited to 28 tickets per night) include ON-STAGE seating and a post-performance meet and greet with the performers. Three-day (\$55) and single-night (\$21) standard theatre seating are also available. Reserved tickets can be purchased on-line at www.tellicocommunityplayhouse.org. Tickets also be purchased at the Tellico Community Playhouse Box Office, located at 304 Lakeside Plaza in Loudon, Monday-Friday, 10 a.m.-2 p.m., now through Nov. 11

Opening night will kick off this event with a solo jazz piano performance infused with vocals from special guests Emilee Jane Richardson (former choir soloist with the First Baptist Church in Tellico Village) and Katy Free. On Friday night, Wendel has created a program of piano gospel and military compositions in honor of Veterans Day which reflect service to our country and spirit. Special guests on Friday include Anna Caroline Causey, Catlin Wood, Alison Bradley and Alan Eleazer. The closing night performance on Saturday will feature a RARE dueling piano event by Wendel and

his Nashville-based brother Erik Blue.

Wendel Werner has garnered a number of experiences since starting to play piano at the age of 11. While obtaining Bachelor's and Master's degrees from the University of Tennessee, he had already started directing choirs, composing for numerous organizations, releasing albums and even teaching collegiately before his Master's degree was completed. An engaging speaker as well as entertainer, his workshops and lectures are almost as in demand as his musical performances.

Wendel Werner is the epitome of a modern day musical genius and is one of music's remaining Renaissance men, with his ability to "blur the lines" among genres and portray overwhelming emotion to his listeners and students. Having been named "Composer of the Year" by the Tennessee Piano Teachers Association, performing as the featured entertainer for the Special Olympics Opening Ceremonies and the pianist for "Beethoven's Choral Fantasy" one could easily see that Werner's musical abilities cover a broad spectrum and encompass most every musical genre. He is a composer, director, recording artist, teacher and performer, and devotes the utmost time and skill to each area. Having devoted time to almost every aspect of music and possessing immense talent not only as a Jazz Performer, but Classical as well, Werner is sought by many who hope to gain advice and knowledge.
