## **Recreation News and Events for February**

By Jessica Antrim, Recreation Assistant Manager

This February, join the Recreation Department while we exercise our strongest muscle; our heart. Give until your heart is content between Feb. 6 and 16 any time you visit the Chota Rec Center, Wellness Center, Tanasi Restaurant or Tellico Village Welcome Center. The Good Samaritan Center will be collecting non-perishable food items to help those around us who are in need.

Don't forget we have over two dozen fitness classes that can whip your ticker into shape, including some of our most popular new clinics. You won't get bored with Super Circuit as it increases your strength and endurance by rotating you through a variety of fun exercise stations. This Tuesday/Thursday class is held from 6-7 p.m. and will finish up on Feb. 21. Get in it while you can.

You also have a little time left to join Genese Kerns for her new Mat-Based Pilates clinic. Genese will engage all your muscles in this non-impact exercise class, while offering lots of variation for people of different activity levels. But get here early, because space fills up quick. You have until Feb. 27 to get in on the action, Tuesday mornings at 10:30 a.m.

We believe that knowledge is power and you can join us this month to learn all you can about your heart and what makes it tick. Join us at the Chota Rec Center for one of these heart focused seminars.

**Feb. 7, 2:30 p.m., Chota Rec Center**

Join Dr. Ayo from the Family Health Center and learn all about what you can eat to keep you heart healthy.

### C.O.P.'s House Check Forms now available at TV Welcome Center

House Check Forms and lock boxes are in two locations: the TV Welcome Center, 202 Chota Rd., and the Tanasi Club House. The lock box has been moved from the Public Library at Tellico Village to the more centralized location with additional hours of operation. Forms may also be downloaded from the [HOA website](#) and dropped off at either location.

COPs (Citizens Observer Patrol) is a cooperative effort between the Loudon County Sheriff's Office and volunteers concerned about the welfare and security of Tellico Village residents. As such, house checks are only performed in Tellico Village. During a house check an exterior inspection is done by making a complete walk around of the house, where conditions permit, in addition to patrolling the area where the home is located. COP volunteers patrol over 250 hours each month.

## **Tennessee ID Services in Village 10 a.m.-2 p.m. Thursday, Feb. 2**

The State of Tennessee offers a unique opportunity for Veterans called the “Highways for Heroes Program.” Through this program, Tennesseans are able to take advantage of various identification services right in the comfort of their own community. On the first Thursday of each month (through August), 10 a.m.-2 p.m., the Tennessee mobile unit will be set up in the parking lot at the corner of Chota Road and Highway 444, immediately in front of the Lakeside Real Estate offices. The mobile unit travels the state to issue Veteran designated driver licenses and Commercial Driver Licenses (CDL) to eligible Veterans and Service Members.

Special thanks to Lakeside Real Estate Group for providing parking, restrooms, coffee, and the Loudon County Clerk’s office (located there Thursdays) providing license plates.

Even though the program is designed to bring these services to Veterans, **ALL** Villagers are invited to participate.

## **Fundraising Events**

### **Good Samaritan food drive Feb. 6-16**

The Tellico Village Women's Club (GFWC) is sponsoring a food drive for the Good Samaritan Center as our community project for this year. We will be collecting food in tubs placed at Chota Recreation Center, Wellness Center, Tanasi Clubhouse, and Tellico Village Welcome Center from Feb. 6 through Feb. 16. Good Sam has asked for bath soap, beef stew, box potatoes, canned pasta, canned chili, cooking oil, 2-lb. bag of corn meal, 1-lb bag of dried beans, feminine pads or tampons, 2-lb. bag of flour, instant pudding, oatmeal, peanut butter, and saltines. Please help support this effort to assist Good Samaritan to provide tons of food to needy people in Loudon County.

### **TV Lions' Chili/Soup Dinner Feb. 28**

The TV Lions are well into the planning phase of what provides everyone a great opportunity to get out of the house on these cold winter nights and eat a great meal and socialize with friends and neighbors – its annual Chili/Soup Dinner.

This is the club's first fund raising event of the year. The event will be held on Tuesday, Feb. 28, commencing at 4 p.m. and continuing until 7 p.m. As usual, it will be held in the Christian Life Center of the TV Community Church. Ticket prices are \$11/person in advance or \$13/person at the door. They can be purchased from any Lion or at Sloan's, United Community Bank, or Village Salon. If you don't know any Lions, call Marcia Higby at 865-458-9356 or Larry Stickler at 865-458-6582. This is a popular event and tickets are limited so get yours early.

The proceeds from this and other Lions fund raising events are used to support the club's service activities in Loudon County and East Tennessee. One example of the use of these funds is the free eyeglass program for indigent county citizens. A Health Fair is conducted at the Good Samaritan Center in Lenoir City once every month. Individuals who attend are screened for high blood pressure, glucose and are given an eye examination. Those who are determined to need glasses can receive them free of charge if they qualify under federal poverty guideline. Over the course of the last 12 months this program provided 125 pair of free glasses at a cost to the club of just under \$15,000.

You can support this and other Lions program by buying your ticket and joining your friends and neighbors for a great meal. The photo shows some of last year's attendees enjoying the menu which includes chili, soup, antipasto salad, garlic bread, assorted beverages and ice cream. Come one, come all.

Please join me for a fun day of golf supporting this great organization.

### **What Is That Arrow on the Garbage Container?**

Did you know the arrow on your garbage container is to point the garbage cart toward the street so the Santek truck driver can pick up the container with a mechanized lift arm? If the container is either sideways or backwards, it requires the truck driver to exit the truck and move the container. With the arrow pointed at the street, the driver will not have to exit the truck to pick up the trash container.
