Pet of the Week: Meet Zed!

Zed was picked up as a stray and has not been claimed. Unfortunately, he had no chip or identification and his owners can't be located. He is a handsome 4-year-old male who is a hound mix. Zed is currently heart worm positive and being treated. Despite his heart worm, he has good energy and will be ready to go to a loving home. He weighs 38 lbs. Given his hound heritage, you can expect a dog like Zed to be full of life and love, to be friendly, and enjoy long walks and lots of play.

Zed is just waiting for the right human to come out to the Monroe County Animal Shelter to become acquainted with him. As with all dogs at the shelter, he is vaccinated and neutered. If you lost a dog that fits Zed's description, contact us and learn what you need to do to claim your lost pooch.

When you visit Zed or any other dog, please understand that the shelter environment can be stressful. At first, even friendly dogs may not be themselves. Take time to get to know the dog, be calm, quiet and friendly. Take the dog for a walk or go to an enclosed area where you can let it socialize with you. This will be a good experience for both you and the dog.

Shelter Needs: Shelter Needs: Lots of scoopable/clumping cat litter (Tidy Cat), Paper Towels, Laundry detergent, copy paper, bleach, Q-tips, cotton balls, and Original blue Dawn-all cleaning & office supplies are always needed!

Our Location and how to contact us! The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Walmart) and is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 and check out all available pets on our web site at www.friendsofanimalsmc.org.

Tellico Life Introduction

The leadership of Tellico Village’s largest clubs have partnered to explore an exciting new online membership and activity management system for all Villagers. TellicoLife is the brand name we have chosen to represent this new and exciting capability for Tellico Village club and organization members. The purpose of this announcement is to make you aware of the actions that are underway, the benefits it promises to bring to you, and the timeline for implementation.

Why TellicoLife?

In multiple surveys, you have told your clubs that you want to be able to sign-up for events on-line, pay for events on-line and manage your membership profiles on-line. With our active lifestyles, many of you are members of multiple clubs and organizations in the Village. So rather than each club building its own individual web capability to meet your on-line activity and membership management needs, we decided to work together to find one solution for the entire Village. One solution that is better than any one individual club or organization can afford. There is power in synergy! The vision is that you will eventually have one place (website) where you can know what’s happening in Tellico Village, sign-up for events and activities of interest to you, and manage your membership in all your clubs or organizations. For more information about Tellico Life, [please click here](#). If you have questions, please email: nvtellicolife@gmail.com
