## **Board Workshop Highlights**

- **Toqua Design Team** - Tom Lee and his team gave a presentation about the Toqua Restaurant. They mentioned various issues with the building, kitchen, and cart barn. They are looking at the possibility of turning it into a sports bar-type restaurant. The team visited the Dorchester Golf Course clubhouse at Fairfield Glades and mentioned that the ideal clubhouse to replace Toqua would fit within the footprint of the Dorchester facility. Parking was also discussed, as was the important aspect of considering those who live in the Toqua neighborhood when making future decisions regarding this topic.
- **Tellico Village University** - Cindy Solomon gave a brief overview of Tellico Village University, how it began, and the classes that the program provides. TVU is growing and needs more space. Cindy requests that the board have a discussion to consider TVU becoming a POA program. It would not require funding from the POA.
- **PSAC Sub-Committee Report Study** - Jeff Gagley and his team gave an in-depth presentation regarding their research and study of the roads in Tellico Village. They met with several industry professionals and engineers to complete this study. The team made several recommendations for the Board to consider.
- **Dock Captain's** - Due to time limitation, Dock Captain's were unable to present and will present at the Board Meeting on May 17

## **Let's Party At a Pavilion Near You!**

### **By Tom Lee, Board Member**

We continue to receive questions about the use of our three pavilions, so we hope that this will clear up any remaining confusion. Tellico Village has three pavilions available for use; they are the Kahite Pavilion, the Tugaloo Pavilion (also known as the "Beach Pavilion"), and the Toqua Pavilion.

The Kahite Pavilion seats approximately 50 people. It has six tables under cover, electricity, water, a charcoal grill and a children's playground. The Tugaloo Pavilion seats approximately 100 people, with 16 picnic tables under cover, 3 grills, electricity, water, and, of course, a great beach.

The Toqua Pavilion seats approximately 150 people under cover, has tables and chairs, water, electricity, a large bar, a fireplace and a stage. A large propane grill is available for a small

additional charge. Although there is a kitchen in this pavilion, it is not available for use due to the fact that the contractor (AWE Hospitality) has food, beverages and kitchen utensils stored in the kitchen area.

**Pavilion General Rules are:**

- Reservations may only be made by Tellico Village Property Owners, and must be made in advance.
- For the Kahite and Tugaloo pavilions, contact Larissa Lownsdale at the Chota Recreation Center, 865- 458-6779. For the Toqua Pavilion, contact the Yacht Club at 865-458-4363.
- Reservations must be made in advance and are on a first come, first serve basis.
- The Kahite and Tugaloo pavilions are \$50 per reservation. Toqua is \$75 per reservation.
- Outside caterers or the Yacht Club may be used for food and beverage service at all of the pavilions, but if the caterer is providing alcoholic beverages, they must provide a copy of their “Off Premise Alcohol License”. “Pot Luck” style gatherings are permitted at all of the pavilions.

For other information and specific requirements, contact Larissa Lownsdale at the number above. We sincerely hope that you and your family, friends and neighbors take advantage of these facilities and enjoy them to the fullest.

### **Tellico Village Lions Now Collecting Used Plastic Pill Containers**

As part of a nation-wide effort initiated by Lions Clubs International (LCI), the TV Lions are now collecting plastic pill containers. In many developing nations, when medications are dispensed, they are not placed in a container but rather the medication is handed to the patient or placed in a bag. This can lead to sanitation problems, as well as loss of the medications themselves. Having these used containers available for distribution of the medicine will enhance these programs considerably. They will be distributed by LCI using a network of NGO's and Health Care Providers in these developing nations. We are asking that TV residents who have used plastic containers to place them in the receptacles that the Lions have placed around the Village, instead of throwing them away. These receptacles can be found in the clubhouses, the Library, etc. The container should be clean and labels removed. Support for this new effort will be greatly appreciated by the Lions, as well as some individual in a distant country who will have a better way to secure their medication.
