Tellico Village Golf Pro Gives Back

Tellico Village can be described in one word: community. As many know, residents and POA staff members are quick to help others. Whether it be volunteering their time and skills, or making a donation to a local organization, the people of Tellico Village are always looking to give back.

When not working on the courses at Tellico Village, Adam Jacob, Head Golf Pro at Toqua, volunteers his time as a golf coach for the Greenback Middle School Golf Team. This team is comprised of four boys and three girls. He helped the team unofficially for five years prior to becoming a coach at Greenback.

According to Jacob, “the middle school’s season is in the spring so we start in February doing some indoor practice and classroom work. We go over the rules of golf, etiquette, and work on their swings a little bit”. Typically, the kids are able to practice their swings in a large classroom. If there is no snow on the ground, they are able to practice at Kahite. Practice is held four times a week for over two hours.

For about six weeks, the kids work on the range and then start to play a few holes. Jacob helps each player with perfecting their swings and gives them tips on how to play competitive golf. When practicing on a course, he goes over every aspect of the game of golf. He will discuss where to tee the ball, what clubs to hit, where to set your golf bag when playing, fixing ball marks on greens, and much more. For many, it’s their first time on a golf course so it’s important to spend time educating them about the game.

Golf matches will start in Mid-march and go through the end of April. The first of May is when districts begin. The Greenback Middle School Girls Golf team won districts recently at Rockwood Golf Course. The girls also took first and fifth individually in that tournament. Adam and his co-coach, Mrs. Cagle, dedicate countless hours educating and coaching the team. Most middle school teams are told to go and practice on their own time. At Greenback, the golf team is lucky to be given plenty of time with their coaches.

All of the kids are well-behaved and the team is proving to be successful – many parents from other schools are noticing. Parents from competing teams have even asked Adam when he is available to come help out at their school. Adam is not only dedicated to growing the sport of golf within Tellico Village but by volunteering as a coach, he is able to grow the sport of golf within the next generation of golfers.

Coming Up in Tellico Village University

“45” at 100: President Trump’s First 100 Days

Campaign Promises Kept, Governing Challenges Met, and the Road Ahead

Location: Chota Rec Center Room A

Date: Monday, May 22

Time: 6:30 – 8:30 p.m.

Dr. Mark O’Gorman is back with us again for a look at our new President’s first 100 days from the perspective of a political scientist. This presentation will dissect Mr. Trump’s first 100 days. It will also examine how the Trump White House is and is not unique in US politics.

- Hour one: Domestic Policy, focuses on President Trump’s desire to fulfill his campaign promises, and the challenges he faced in trying to fulfill them.
- Hour two: Foreign Policy discussion.

Dr. Mark O’Gorman is a professor of political science and coordinates environmental studies at Maryville College. He teaches courses on public policy and campaigns and elections at MC. He has consulted with White House staff on policy issues and has been a frequent on-air political expert for local media, including National Public Radio in East Tennessee on Election Night 2016.

The \$5 tuition payable to STAYinTV for this course will provide a well-deserved honorarium for Dr. O’Gorman. Registration is required so we can plan for the audience. Register on our website: www.tvuniversity.org

TEE IT UP FOR UNITED WAY

Here is your chance to join your friends and neighbors in supporting a great cause and play the Rarity Bay Golf Course. Tellico Village Lions Now Collecting Used Plastic Pill Containers

As part of a nation-wide effort initiated by Lions Clubs International (LCI), the TV Lions are now collecting plastic pill containers. In many developing nations, when medications are dispensed, they are not placed in a container but rather the medication is handed to the patient or placed in a bag. This can lead to sanitation problems, as well as loss of the medications NGO's and Health Care Providers in these developing nations. We are asking that TV residents who have used plastic containers to place them in the receptacles that the Lions have placed around the Village, instead of throwing them away. These receptacles can be found in the clubhouses, the Library, etc. The container should be clean and labels removed. Support for this new effort will be greatly appreciated by the Lions, as well as some individual in a distant country who will have a better way to secure their medication.

RSVP to avoid long waits. Call: 865-964-5558 or 865-335-8084

themselves. Having these used containers available for distribution of the medicine will enhance these programs considerably. They will be distributed by LCI using a network of NGO's and Health Care Providers in these developing nations. We are asking that TV residents who have used plastic containers to place them in the receptacles that the Lions have placed around the Village, instead of throwing them away. These receptacles can be found in the clubhouses, the Library, etc. The container should be clean and labels removed. Support for this new effort will be greatly appreciated by the Lions, as well as some individual in a distant country who will have a better way to secure their medication.
