## TELLICO COMMUNITY PLAYERS HOLDS AUDITIONS FOR FIRST 2018 PRODUCTION

The Tellico Community Players have scheduled auditions for their first 2018 production, Rick Abbot's comedy, Play On!, as follows:

- Thursday, October 26 - 6 - 8 p.m.
- Sunday, October 29 - 3 - 5 p.m.
- Monday, October 30, 6 - 8 p.m.

All auditions will be held at the Tellico Community Playhouse, 304 Lakeview Plaza (off Ritchie Road), Loudon. Play dates for Play On! are February 22-24 And March 1-4, 2018. The cast has ten characters: four female, three male and three that could be played by either male or female.

The play is the hilarious story of a community theatre group trying desperately to put on a play, despite maddening interference from a haughty author who keeps revising the script.

Director Sue Aukerman says that during auditions, actors will be asked to do cold readings or selected readings from the script. Cast selection will be posted by November 15. Rehearsals begin with read-throughs in mid-December, and then weekly on Monday, Tuesday and Thursday evenings beginning January 8. Scripts are available at the Tellico Village Public Library. For information or questions, contact Ms. Ackerman at [sue.aukerman@gmail.com](mailto:sue.aukerman@gmail.com), or Assistant Director Dennis Loy at [loyatty@gmail.com](mailto:loyatty@gmail.com)

## A SUCCESSFUL OKTOBERFEST - A THANK YOU FROM THE TV LIONS CLUB

Thanks to great weather, a lot of German food and beer, great sounds from DJ Lou and attendance by almost 600 of you, the event was a smashing success. The money raised in profit goes directly into the Lions Charity account where it is used to fund its service programs such as Health Fairs and Vision Screening. You will hear more about the latter in the near future since the club has recently acquired new technology that greatly expands the capabilities of the screening. In addition, the club is working on another community project, similar to the Wellness Center Exercise Stations. We expect to announce what it is in the next several weeks.

## UNITED WAY CAMPAIGN - OFF TO A GREAT START

Starting with a very successful Street Fair attended by almost 600 TV and neighborhood residents, the UW campaign is off to a great start. The campaign is almost halfway toward its \$100,000 goal with contributions to date of \$54,952 or almost 55% of the goal. Hopefully the momentum will continue and the goal will be reached in another 4 – 6 weeks. Several questions have been raised about how the funds collected and allocated to the partner agencies are utilized. Over the course of the next several weeks, this issue will be addressed. The first is the ways in which UW directly supports the residents of Tellico Village. There are currently three organizations that receive or have received support from UW. The one receiving the greatest amount of funds is TVVFD. It has received almost \$50,000 over the course of the last four years. This has enabled it to purchase a high pressure nozzle for the fire boat (coincidentally it was used to fight a boat fire in early August, according to the TVVFD Newsletter), a cooling fan for use at fire sites, portable respirators and some other miscellaneous pieces of equipment. The Computer Users Club Technical Access Program has received over \$20,000 in grants that have enabled it to continue its computer refurbishment program that donates computer systems to needy families in the immediate region. The last organization is StayinTV. It has received \$1,200 to fund license renewals for the software it uses to manage the rides program. One other program that directly benefits TV residents is the Senior Citizen Home Assistance Program. It receives a grant which allows it to assist elderly or ill residents who want to remain in their homes, with tasks such as meal preparation, housework, etc. Currently 12 TV residents are enrolled in this program. Again, thanks to those of you who have already made your contributions. For those that have not yet done, so please consider donating. This is a great program that helps fellow residents of Loudon County improve their quality of life.

## PETS OF THE WEEK: MEET BJ, RUMMY, AND JADE!

Rummy is a very sweet fellow who loves chin rubs and back scratches. He is just under 2 years old and is a grey/black domestic longhair mix with green eyes. He enjoys being cuddled and tolerates being picked up/held very well. Rummy prefers to be the only pet in the household.

Jade is a 1 year old black and white domestic medium hair mix. She is curious and affectionate. Jade was brought to the shelter because her owner had too many animals on the property. Jade loves to play with her condo mates and is very sweet and social.

BJ is a big, sleek boy who is super affectionate. He is a 2 year old domestic shorthair mix. He's very outgoing and wants your undivided attention. BJ is gorgeous with shiny black fur and bright golden eyes. He has a chirpy meow that is an absolutely adorable and he prefers to be an only cat.

Please remember their personality may not show through immediately in the shelter environment. Take the time to meet each cat. Pet the cats while they are still in their condo and let them get used to you for a few moments before you pick him/her up. Once you get them home and they feel secure, all will be well.

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Cats are litter box trained. \$40 adoption fee.

Shelter Statistics for last week: The shelter had 55 Intakes, 6 adoptions, sent 43 animals to rescue partners and returned 2 dogs to their owners.

**Monroe County Animal Shelter is always in need of more volunteers. If you are interested in helping the shelter and the animals, please reach out to the shelter during business hours. If you want to help but cannot volunteer, please consider a donation of clumping cat litter.**

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart). Please note new hours: Tuesday-Friday from 11-4:30 and Saturdays from 11-2. The shelter is closed to the public on Sunday and Monday.
