- POA Board Meeting, 1:30 p.m. Wednesday, March 17, Yacht Club
- **Cancelled: Architectural Control Committee Meeting March 18 is cancelled**

## **Tellico Village Golf News for March**

By **DICK PARKHILL**

*Golf Advisory Committee*

Golf rounds on our three Tellico Village courses for the first two months of 2010 were down significantly due primarily to the cold wet weather conditions. With the first day of spring on March 20, hopefully, the weather patterns will begin to improve so Tellico Village golfers can get out and “tee it up.” Most league play begins between March 30 and April 17, so let’s all hope for warm sunny days.

### **Green for a Day**

The Golf Advisory Committee is implementing a new 2010 program called “Green for a Day” which will be launched April 5. This initiative is designed to improve the quality and playability of our greens. At each course, the starters will assign a specific hole to a foursome and ask them to repair all ball marks on that green and to rake the greenside bunkers if needed. Thank you in advance for your support of this new initiative to improve the playability of our greens.

### **Greens Aeration**

The greens aeration schedule begins with Kahite March 29-30; Tanasi March 31-April 1; and Toqua April 2-3. This year, during aeration while the courses are closed, we are organizing volunteers for divot repair in the fairways, rough, and tees.

Contact the following people, if you have not already signed-up, and can help on the assigned days:

- Rose Howard (423-884-2673) for Kahite on March 29 at 3 p.m.
- John Hebron (865-408-9080) for Tanasi on March 31 at 9 a.m.
- Phil Roels (865-657-9084) for Toqua on April 2 at 9 a.m.

### **Golf Events at a Glance**

As a reminder, all Tellico Village golfers are encouraged to access the TVPOA Web site, [www.tvpoa.net/golf](http://www.tvpoa.net/golf), to find information about golf events, tournaments, pairings, results, pricing, key telephone numbers and links to league Web sites and the Chelsea tee time system. Also new this year is our 2010 Tellico Village golf calendar in a tri-fold format; pick one up at any of our golf shops.

### **Guest Pass Coupons**

There has been some confusion regarding guest pass coupon purchases for 2010. Any Tellico Village property owner can purchase a guest pass coupon at any time during 2010 and not just at the beginning of the year. The coupons cost \$100 for five rounds of golf which is a real bargain. Contact anyone of our golf staff to purchase a guest pass coupon and encourage your guests to play our beautiful golf courses.

*(Continued on page 2)*

## Rake Placement

Placement of bunker rakes is important. At Tellico Village golf courses, bunker rakes are to be placed **inside the bunker and perpendicular to the bunker's edge**. This will minimize the rakes interference with a golf ball that is rolling into a bunker (see photos). Always avoid placing the rake along the edge of a bunker. This could trap the ball along the bunker's edge resulting in a very difficult lie and an equally difficult shot.

## Your Golfing Goals

As we all prepare for the 2010 golf season, it is important to set goals for ways you can improve your game. To help you accomplish your self-improvement goals, contact one of our golf staff to help you. Tellico Village is very fortunate to have an excellent golf staff that understands the mechanics of a good golf swing and the best ways to lower your golf scores.

There are many different teaching forums available from private lessons to small group clinics. For more information contact one of our golf professionals:

- Jim West, Director of Golf, 865-458-4707, [jwest@tvpoa.org](mailto:jwest@tvpoa.org)
